ADDITIONS '75

When we began searching for a **theme** for this year's book, we asked ourselves, "What is unique about **this** year?" The answer was obvious: "All the additions!"

Our cover photos reflect several of them:

1. The crane (**upper left**) represents the construction of the new **Skill Center**.
2. **Mr. Cecil Kiker** (**upper right**), is our new principal.
3. **Mr. Dick Wagoner** (**lower right**), our new head football coach, added a good season and brought the "Shoe" back to Rogers.
4. **Robbie Lyon** (**lower left**), stands for the expanding girls sports program. The Girls Varsity Team brought us First Place this year.
5. **Greg McGruder** (**center**), our Drum Major, is wearing one of the new band uniforms which were added this year.

These were only a few of the many additions, and so, this was the year of "**ADDITIONS '75.**"

Hello,
Well it was alot of fun doing

THEY REALLY DIG

OUR SCHOOL

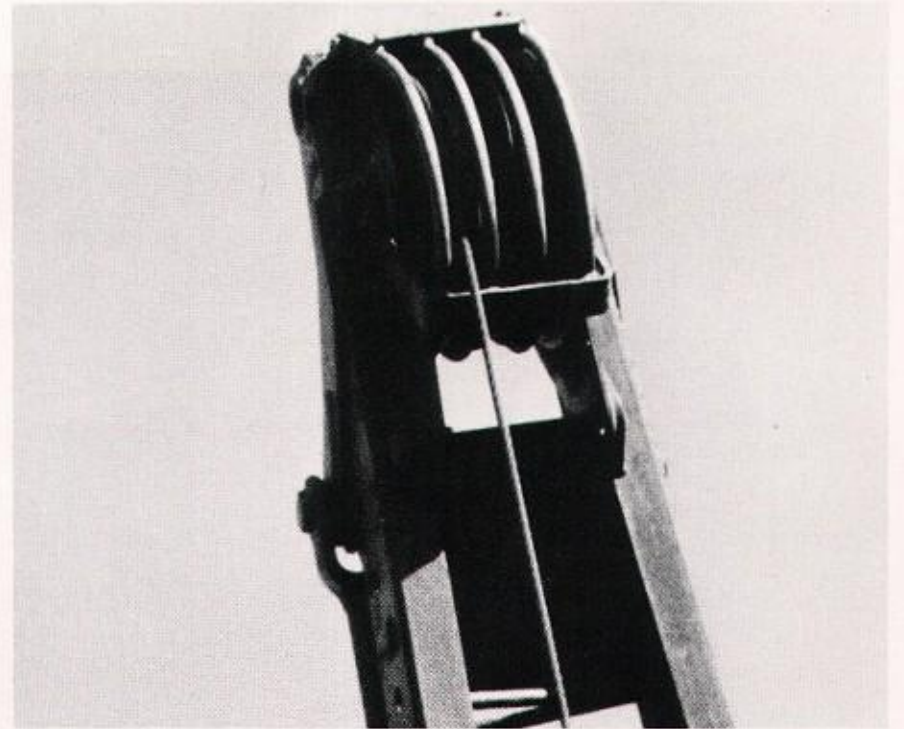

On Thursday, July 11, 1974, about 150 people gathered for the Groundbreaking Ceremony of the new Skill Center.

The Rogers Band opened the ceremony, followed by a welcoming speech from **Mr. Frank Dick**, Superintendent of Schools. Also present were: Governor **John J. Gilligan**; **John A. Galbraith**, Ohio House of Representatives; **Richard L. Wittenberg**, State Representative; **Ms. Marcia Long**, Board President; and Ex-Principal, **Mr. John Parsons**. Other special guests included: **Ralph French**, President of Toledo Council of P.T.A.; **Don Schultz**, Campaign Chairman for the Nov. 72' School Bond Issue; and Rogers' new Principal, **Mr. Cecil Kiker**.

The Governor said the building of the Skill Center is "... **one more advancement in developing a continual educational system,**" and that the schools must prepare the students "... **to take an active and productive role in our technical world.**"

The actual groundbreaking was shared between Governor Gilligan and Superintendent Dick. The band closed the ceremony, and soon after, the actual digging began.

'OUTA SITES!'

A citizens building committee was formed to decide the exact location of the new skill center. Three different sites were considered: **(see below)**

1) **The first was located at the rear** of the building, covering a portion of the parking lot and possibly some of the football field. This idea was eliminated because it would connect to the rear of the original building, near the cafeteria, which would create congestion. Also, it would reduce the size of the football stadium, and split the parking lot into two separate lots. Cars could not pass completely around the building.

2) **The second location was on the eastern side** of the building, near the girls' gym. This site would also cause congestion. It would connect at the hallway which leads to both the girls locker room and the band room. This hall is very thin already. It would have to be widened to accomodate the amount of students flowing between the two structures. This would require the removal of two walls. All of this seemed impractical, so another site was considered.

3) **A third possibility was to build in front** of the building. The first concern was that it would hide the familiar and attractive front of the already existing structure. Later, they realized that, while it would change the setting, it would also up-date and accentuate it.

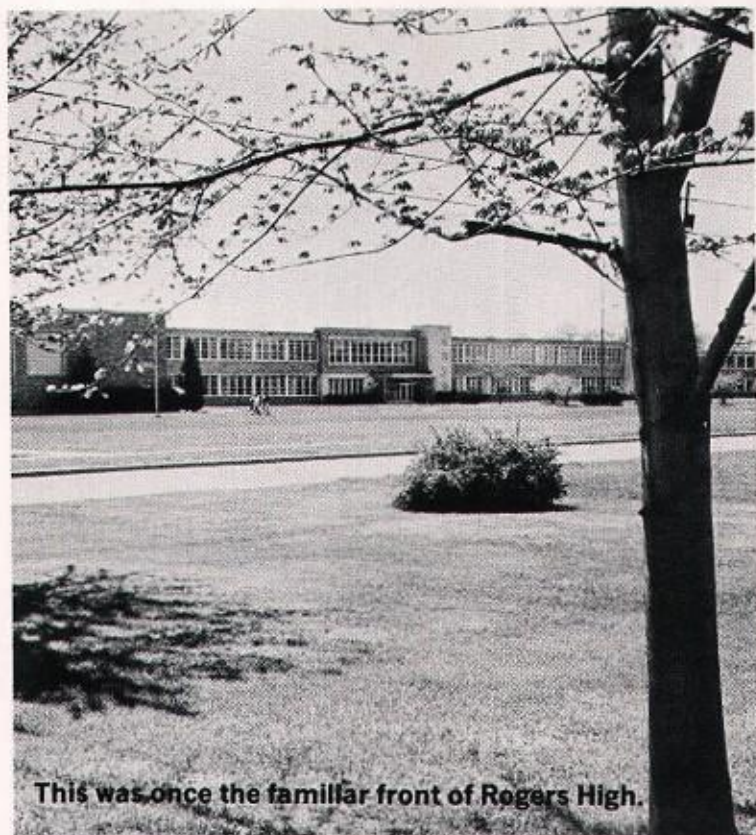

PRESENTING: THE

When the new Skill Center is completed, it will solve our major problem: space. With its approximate capacity of 700 students ... it should help do away with the split-schedule Rogers now observes.

Students will be able to select any of the twelve vocational programs:

Auto Mechanics
Recreational Vehicle Repair
Industrial Maintenance
Industrial Electronics
Appliance Repair
Hotel-Motel Services
Food Services

Hotel-Motel Management
Merchandising
Child Care (Day Care)
Business Education
Distributive Education
International Trade

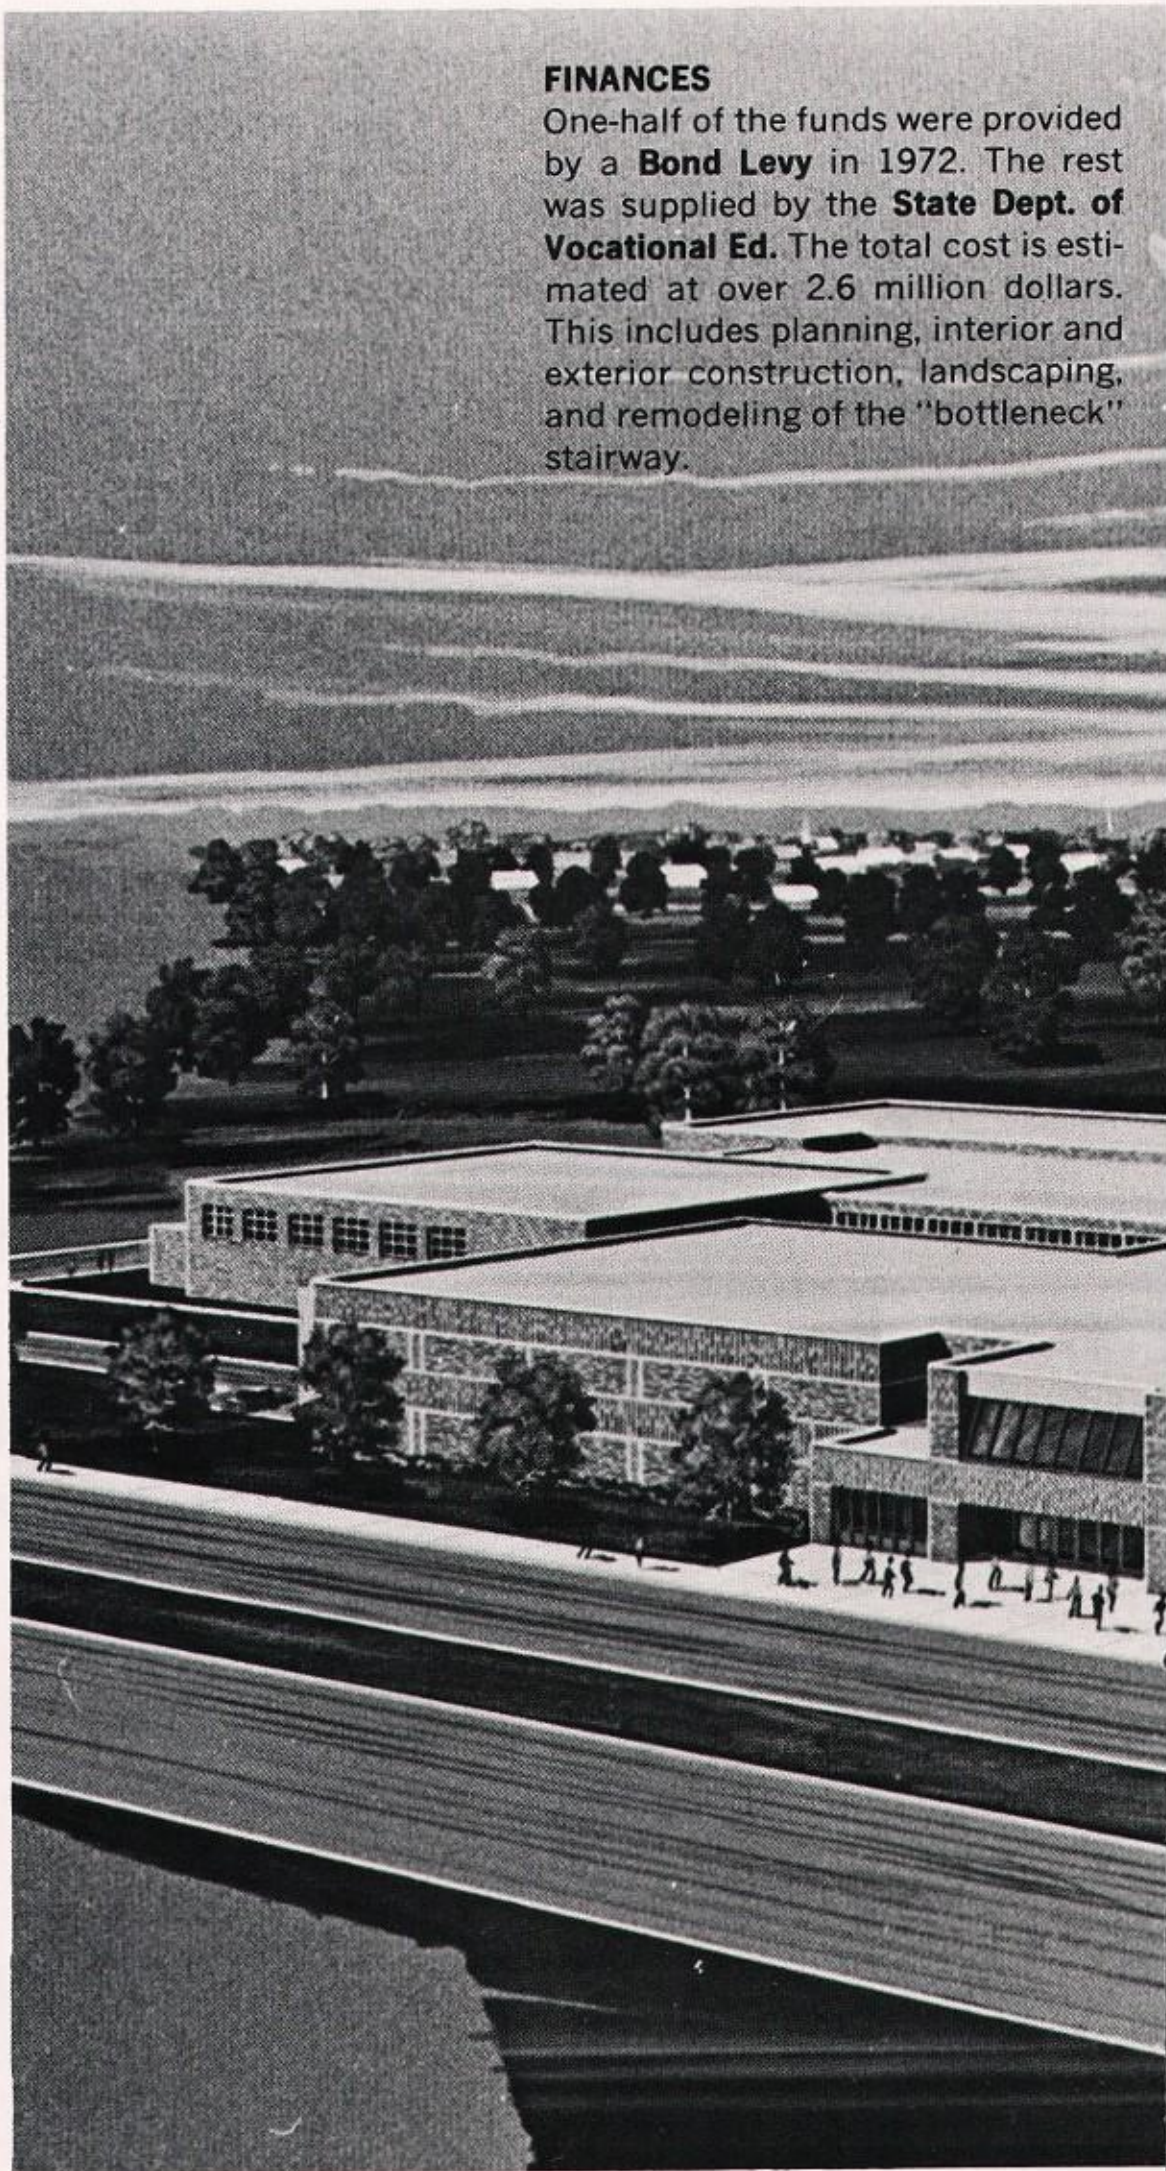

This was once the familiar front of Rogers High.

The unique architecture, coupled with many innovative program ideas, will draw not only state and local, but also national attention to our school!

FINANCES

One-half of the funds were provided by a **Bond Levy** in 1972. The rest was supplied by the **State Dept. of Vocational Ed.** The total cost is estimated at over 2.6 million dollars. This includes planning, interior and exterior construction, landscaping, and remodeling of the "bottleneck" stairway.

\$3,000,000 ADDITION!

BUILT BY?

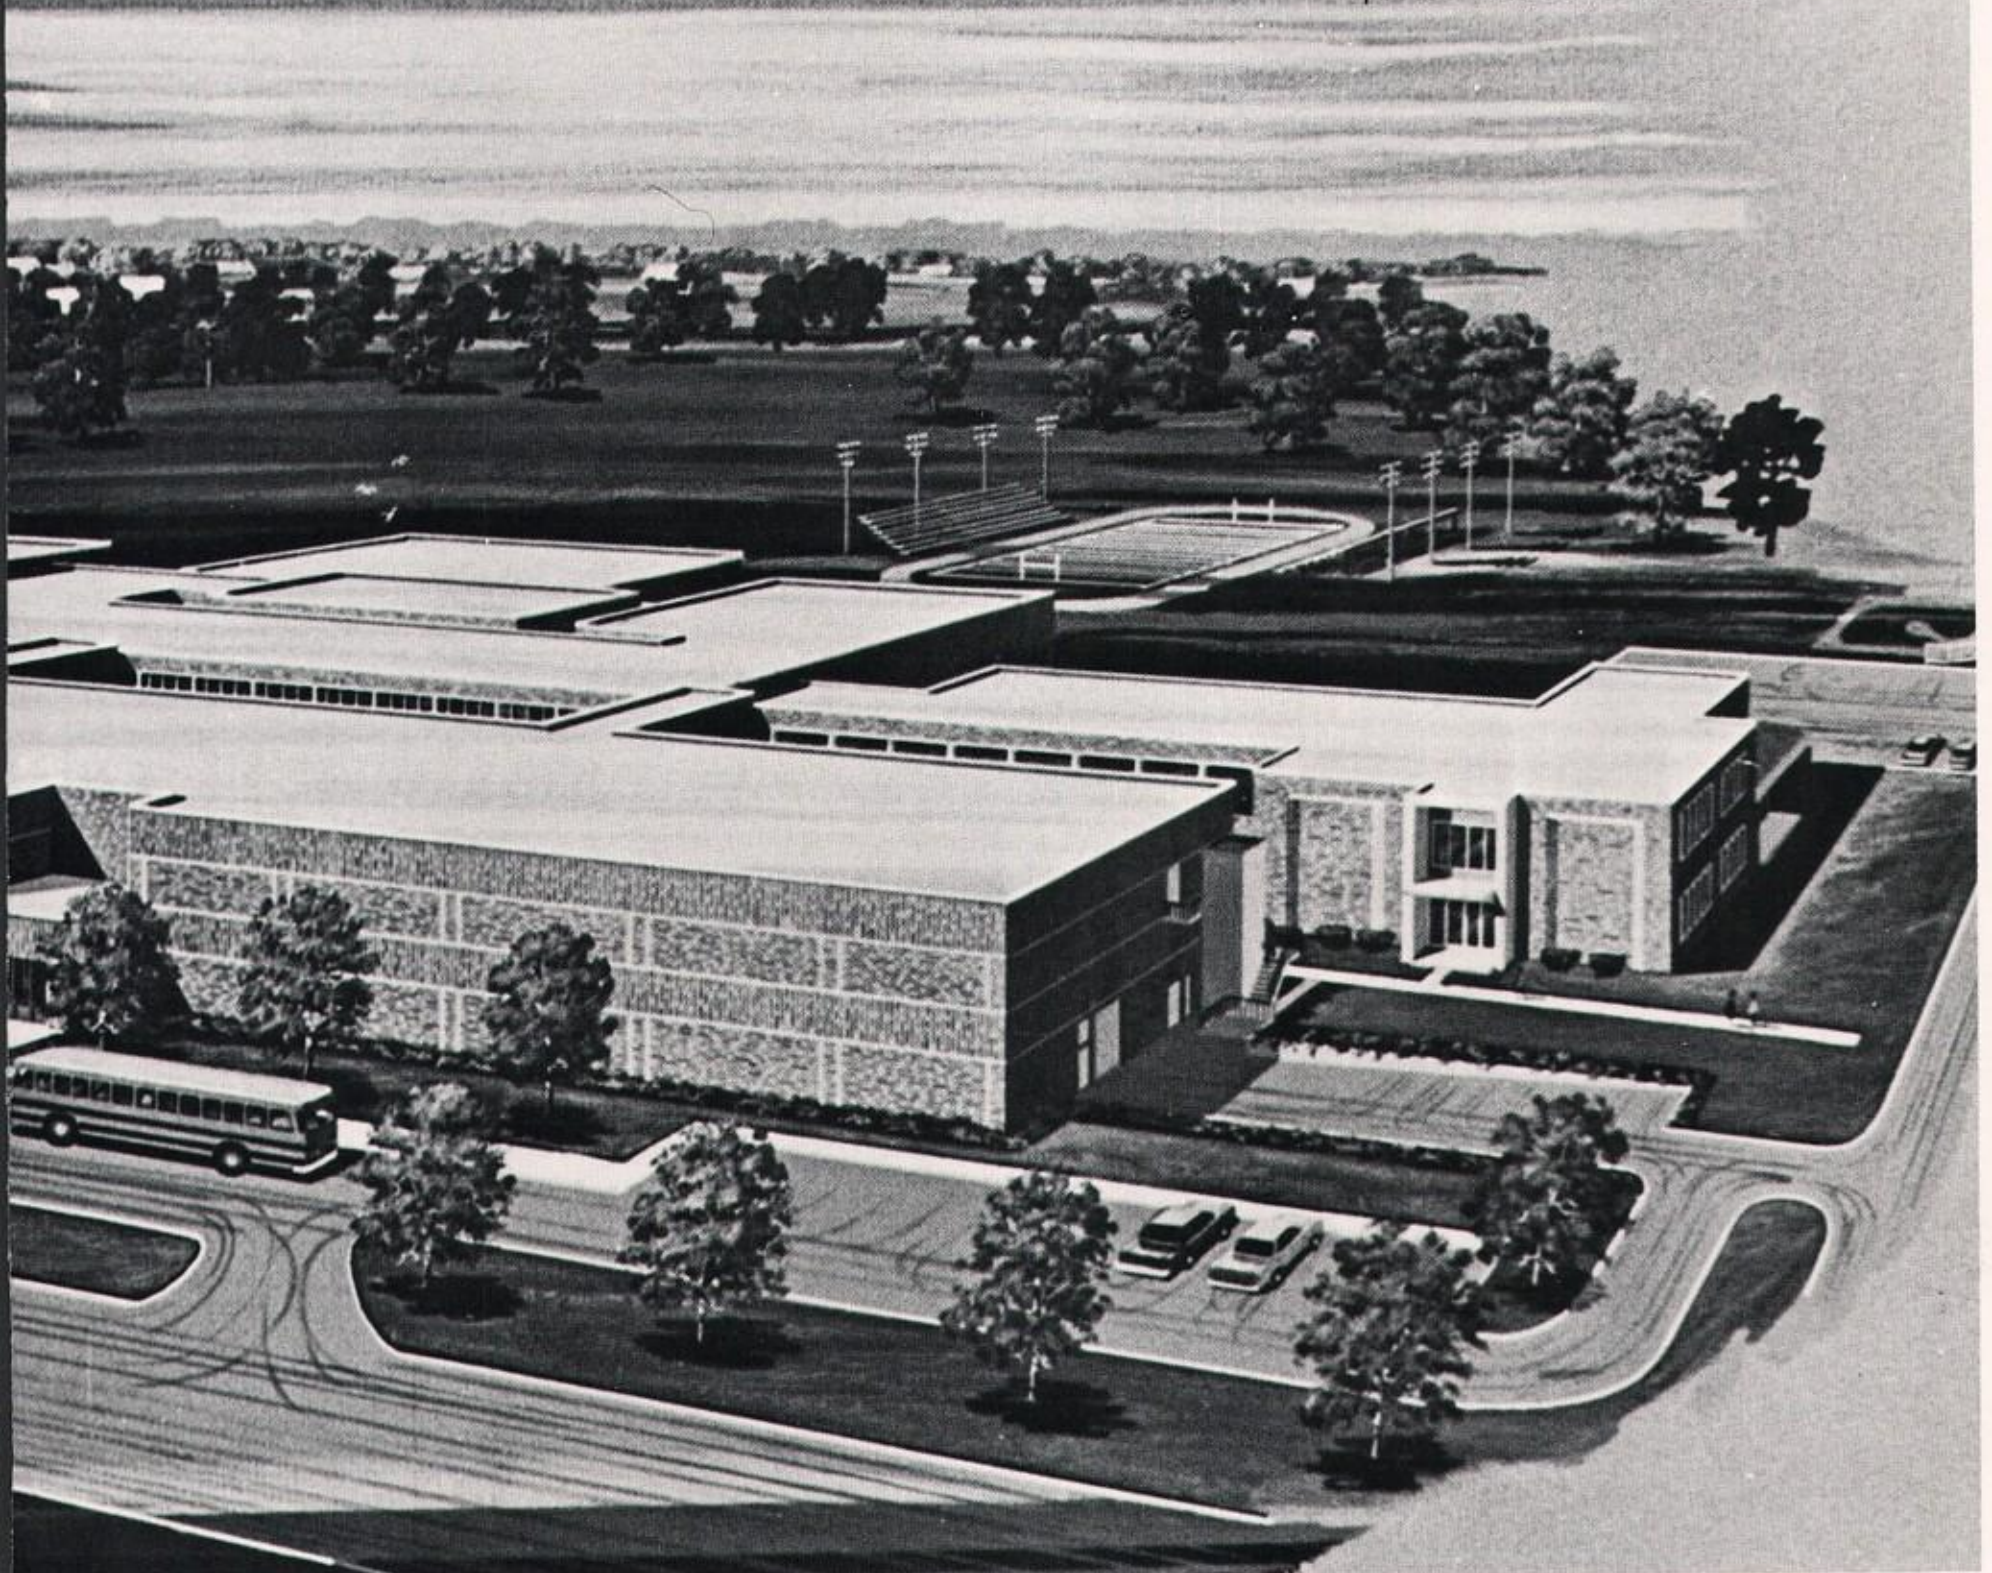

The designers were **Samborn, Steketee, Otis, & Evans. Herman Bros.** were the general contractors. **Bradwell Inc.** installed heating, ventilating, and air-conditioning. **McKittrick Inc.** did the plumbing. **Colgan Electric** put in the wires, and **Great Lakes Kitchen Supply** worked on the Cafeteria Annex (which is reported on in the supplement.)

WHERE DOES IT CONNECT?

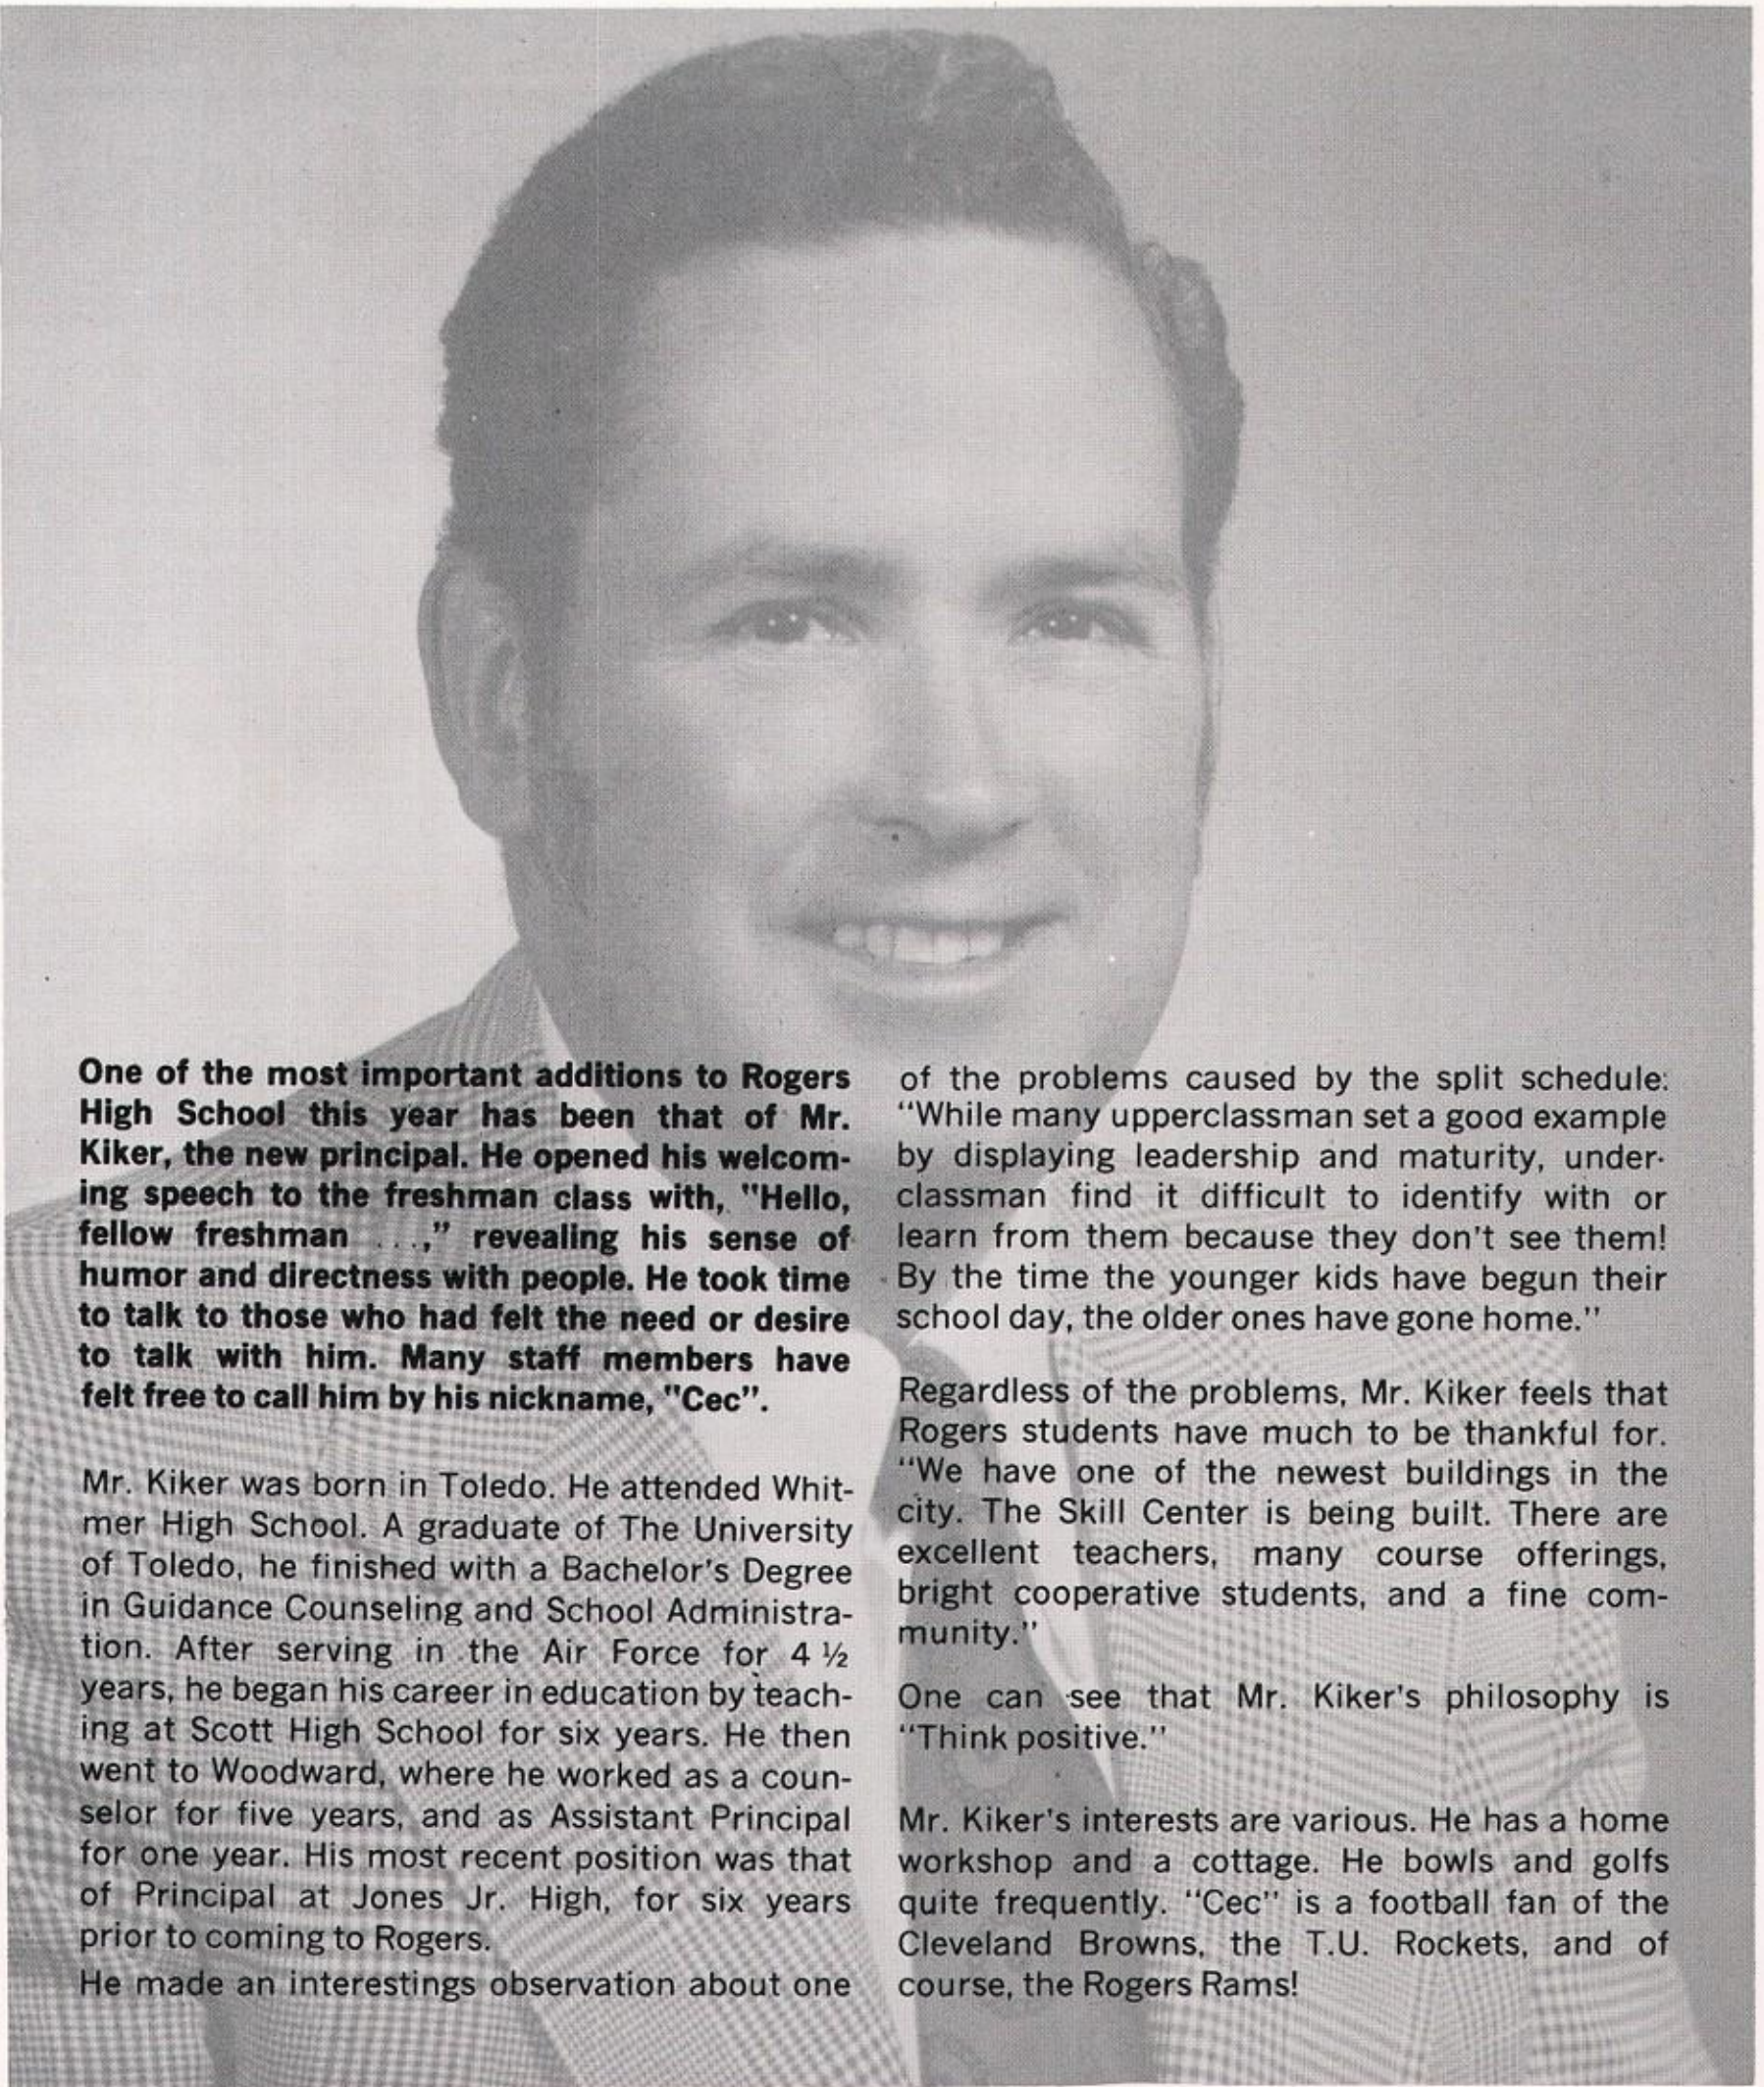

It will connect the existing structure at two points, both upper and lower level hallways. The easternmost hall occurs at room 227, and the other somewhere near the "bottleneck" near the counselors' offices. This overcrowded area will be remodeled, thus eliminating congestion.

OTHER FEATURES?

The Skill Center will be both **carpeted** and **air-conditioned** for year-round use. Unlike the present building which is heated by coal, it will be **heated by electricity**. Some offices will be relocated, and **a new main lobby will feature a mosaic the entire length of the wall**, (donated by L.O.F.) The entire project is to be completed sometime in 1976.

The Open Doors Of Cecil Kiker

One of the most important additions to Rogers High School this year has been that of Mr. Kiker, the new principal. He opened his welcoming speech to the freshman class with, "Hello, fellow freshman . . .," revealing his sense of humor and directness with people. He took time to talk to those who had felt the need or desire to talk with him. Many staff members have felt free to call him by his nickname, "Cec".

Mr. Kiker was born in Toledo. He attended Whitmer High School. A graduate of The University of Toledo, he finished with a Bachelor's Degree in Guidance Counseling and School Administration. After serving in the Air Force for 4 ½ years, he began his career in education by teaching at Scott High School for six years. He then went to Woodward, where he worked as a counselor for five years, and as Assistant Principal for one year. His most recent position was that of Principal at Jones Jr. High, for six years prior to coming to Rogers.

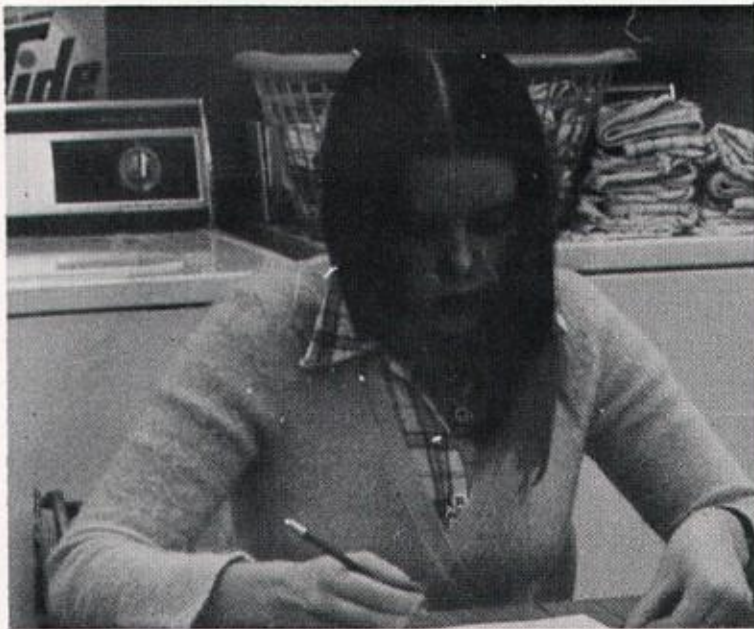

He made an interesting observation about one

of the problems caused by the split schedule: "While many upperclassman set a good example by displaying leadership and maturity, underclassman find it difficult to identify with or learn from them because they don't see them! By the time the younger kids have begun their school day, the older ones have gone home."

Regardless of the problems, Mr. Kiker feels that Rogers students have much to be thankful for. "We have one of the newest buildings in the city. The Skill Center is being built. There are excellent teachers, many course offerings, bright cooperative students, and a fine community."

One can see that Mr. Kiker's philosophy is "Think positive."

Mr. Kiker's interests are various. He has a home workshop and a cottage. He bowls and golfs quite frequently. "Cec" is a football fan of the Cleveland Browns, the T.U. Rockets, and of course, the Rogers Rams!

'How do you say...?'

FOREIGN EXCHANGE Arja Ihala (AR-EE-YAH)

Arja, a native of Finland, is from a family of five. Her father is Vice Principal of a Finnish school, and her mother is a nurse. Arja's brother and sister, ages 17 and 13, are very sports-minded. Finland is a flat land, with fertile plains, very suitable for farming. The people enjoy ice skating, skiing, and other winter sports. Although she has made new friends, Arja misses home. She belongs to the Scandinavian Club, and enjoys meetings with fellow countrymen occasionally. In Finland, one must take 13 subjects, including Music, Math, History, Home Ec., Gym, Religion, and five languages.

While in America, Arja stays with the Earl Soper family, who have a 14 year old girl. We asked Mrs. Soper about the language barrier. In the beginning, it was a little hard for Arja to communicate English idioms, slang, and colloquial expressions. She had to carry a dictionary around with her. She admits it wasn't so easy. "I had only 4 years of English in Finland." Arja's hobbies include house keeping, reading, and playing piano. Her favorite musical artists are classical.

Cathrine Siebke

For Cathrine to come to Toledo for her one year visit, she first had to apply through her school. The application included an English test, and she had to have her grades approved. After student are accepted they may request but have no choice as to where they will end up.

Cathrine is from Oslo Norway, which is 75% mountains, and has much more snow than we have here. Her school is quite different from Rogers. They not only have to study six hours a day, but they also attend classes on Saturdays. The curriculum does not include electives such as Art, Yearbook, or Home Economics.

Cathy's hobbies include skiing, taking pictures for the yearbook, and skin diving near her home. In her spare time she enjoys handicrafts, painting, reading, and knitting.

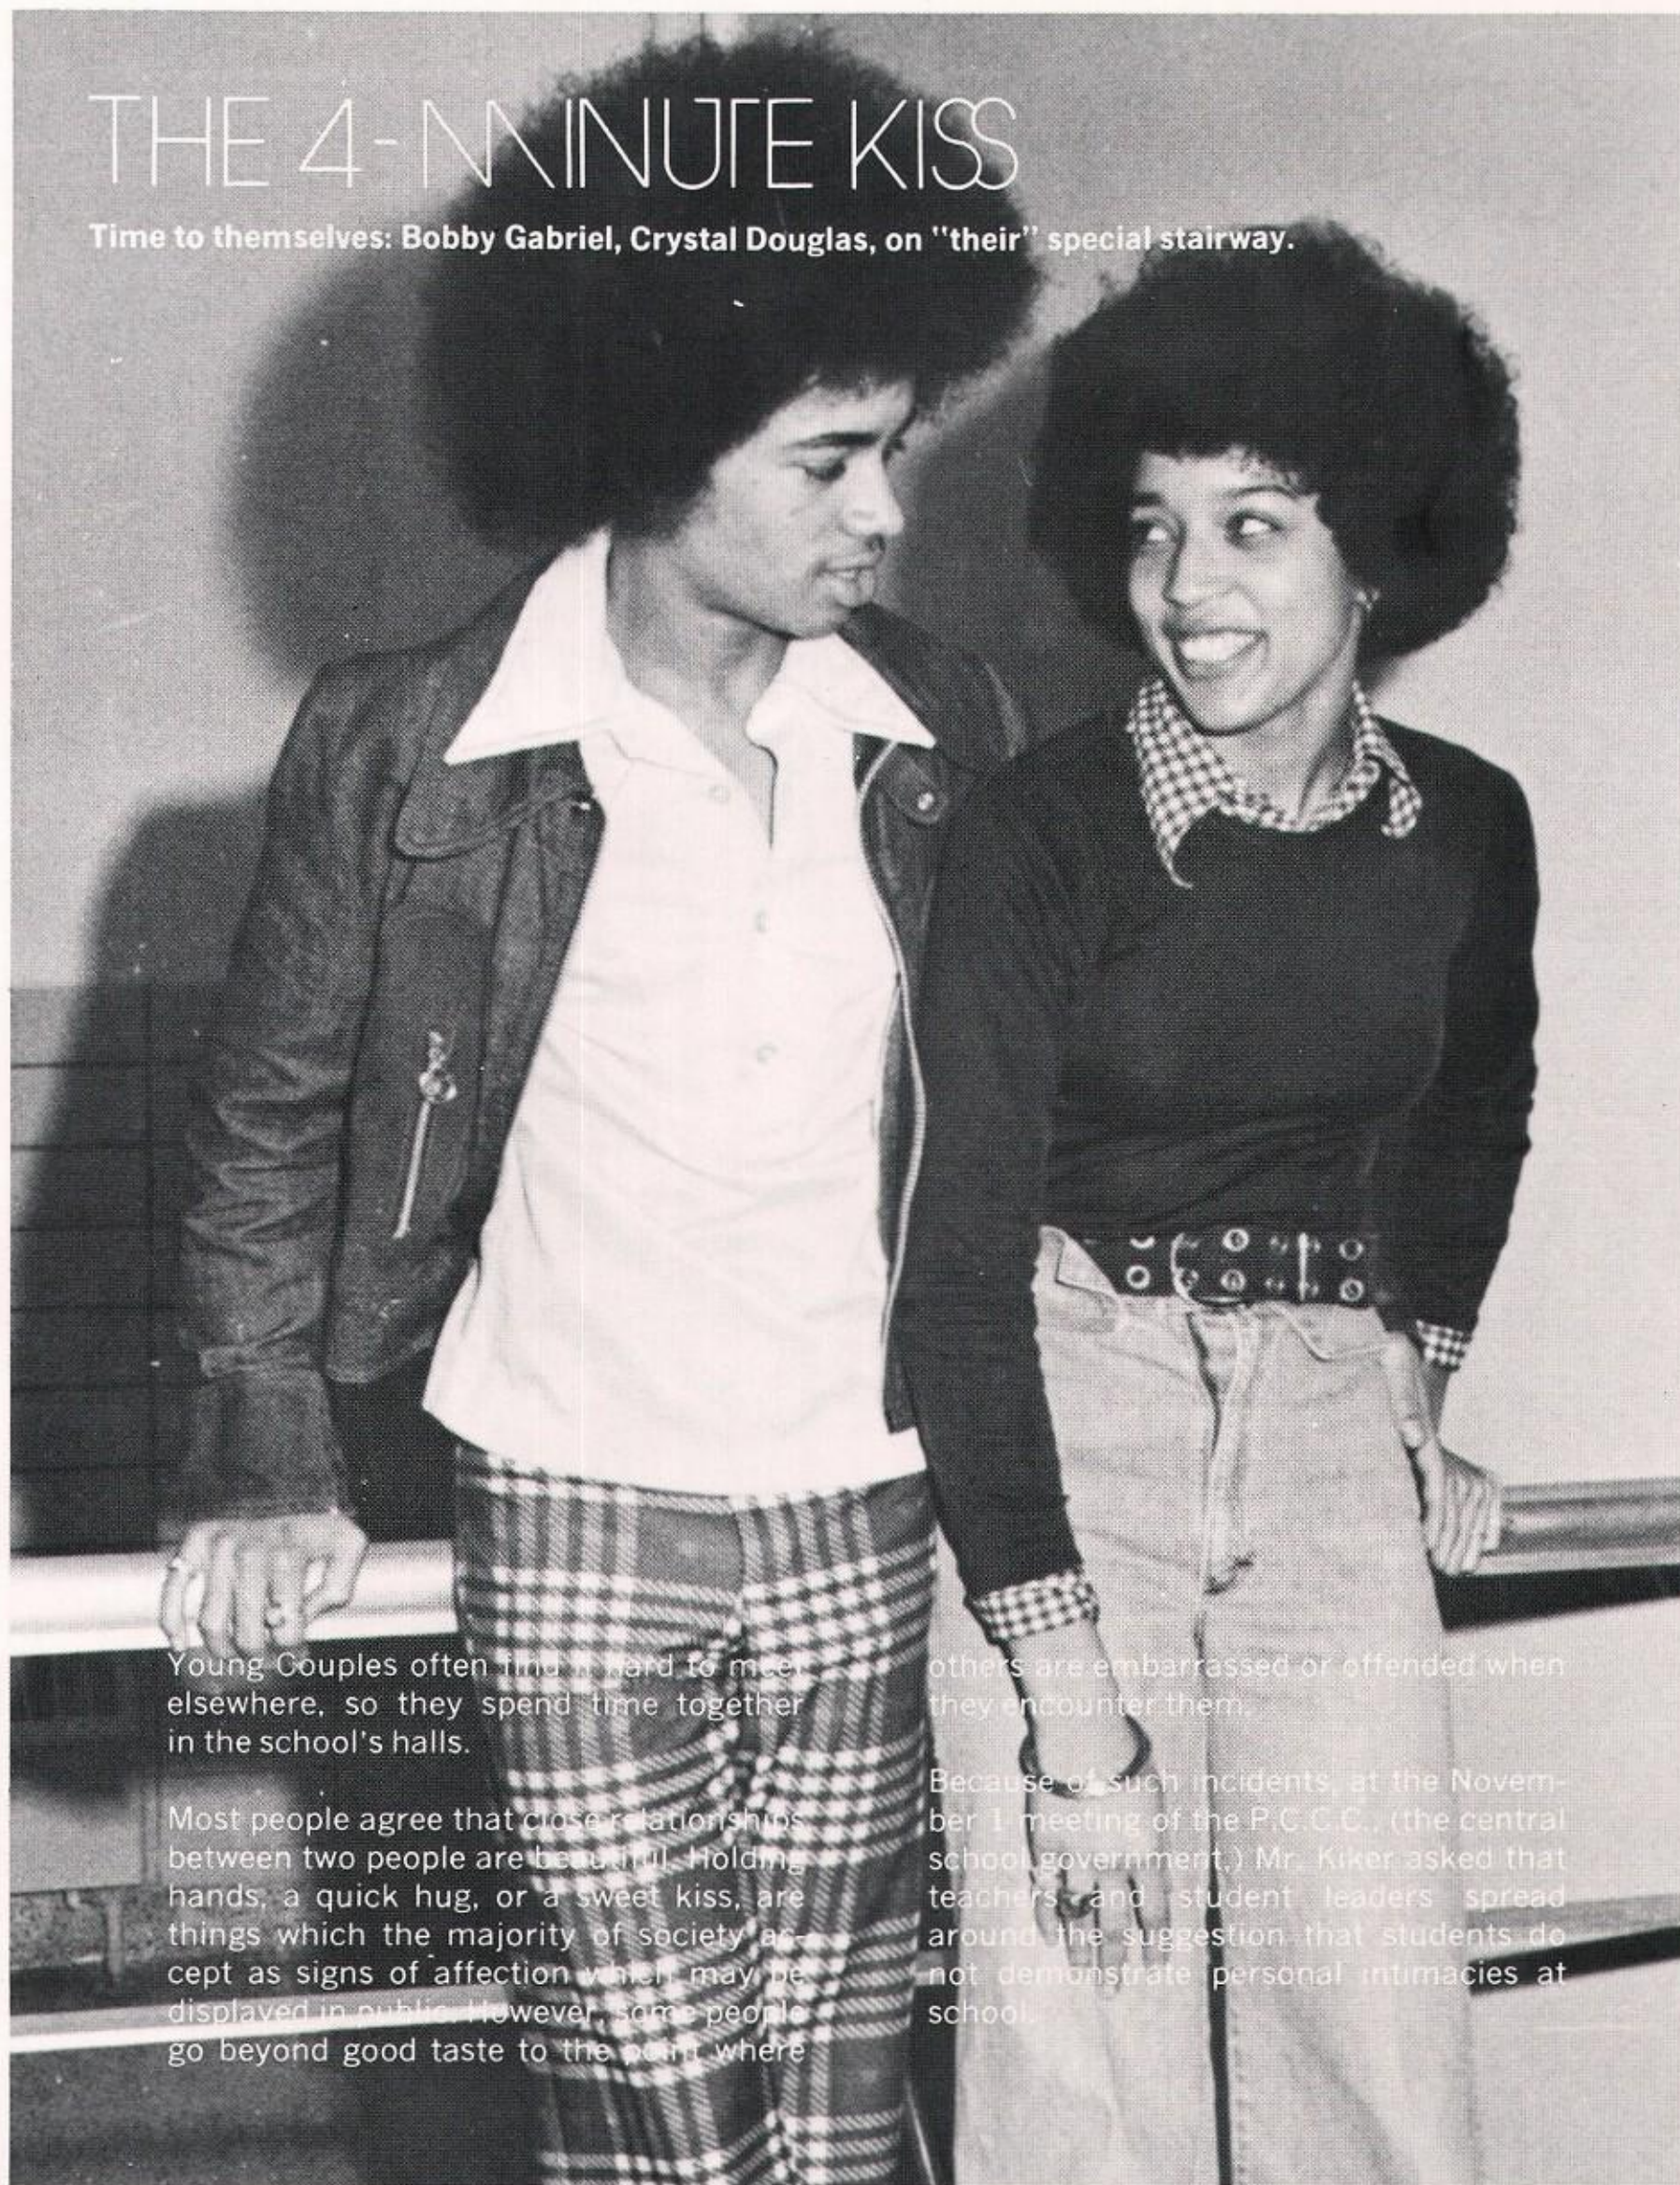

Cathrine is staying with a widow named Mrs. Dorothy Angelocci, and her three children, ages 8, 10, and 12.

She has made many friends and will miss them when she goes back home sometime in July.

THE 4-MINUTE KISS

Time to themselves: Bobby Gabriel, Crystal Douglas, on "their" special stairway.

Young Couples often find it hard to meet elsewhere, so they spend time together in the school's halls.

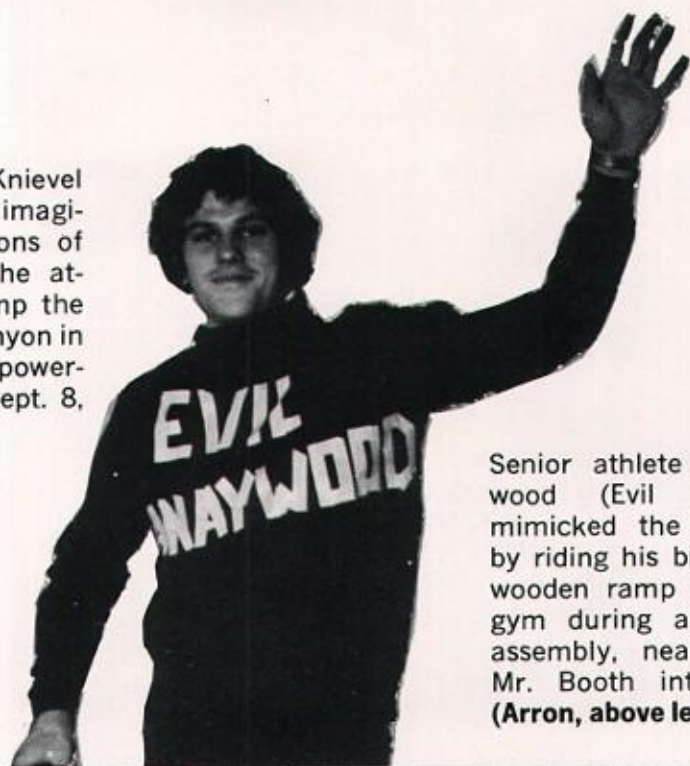

Most people agree that close relationships between two people are beautiful. Holding hands, a quick hug, or a sweet kiss, are things which the majority of society accept as signs of affection which may be displayed in public. However, some people go beyond good taste to the point where

others are embarrassed or offended when they encounter them.

Because of such incidents, at the November 1 meeting of the P.C.C.C. (the central school government,) Mr. Kiker asked that teachers and student leaders spread around the suggestion that students do not demonstrate personal intimacies at school.

MOTOR- CYCLES

Daredevil Evel Knievel captured the imagination of millions of viewers when he attempted to jump the Snake River Canyon in Idaho on a jet powered Sky-cycle, Sept. 8, 1974.

Senior athlete Arron Caywood (Evil Canaywood) mimicked the famed Evel by riding his bicycle over a wooden ramp in the boys' gym during an early pep assembly, nearly crushing Mr. Booth into the wall. (Arron, above left.)

Graduate Frank Piasecki appeared in a November Sunday Blade Magazine. He represents many Rogers High School faculty and students who enjoy motorcycle riding, street or trail.

'I Used to be Able to Jump Really High'

Skip Hill, a junior, had been riding a motorcycle for two and a half years. Last July he lost his left leg in a motorcycle accident.

The accident happened at the corner of Reynolds and Hess Roads, when a driver failed to look before pulling out in front of Skip's cycle.

"People just don't look out for bikes, they look out for cars," commented Skip.

Skip tried to dodge the car, but it hit his side, which caused the dislocation of his right hip and threw him over the handlebars. His left leg caught the crossbar which severed the leg just above the knee.

"I didn't really know that I had lost my leg until I woke up from surgery."

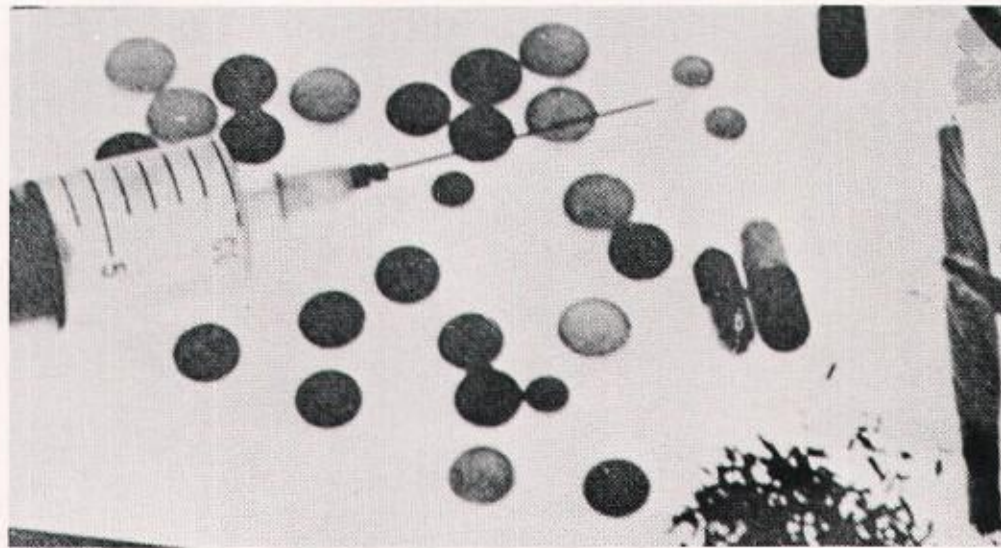

He has no bad feelings about the man who hit him, and is rapidly adjusting to his disability. He takes great pride in his silver Doberman's-Head walking cane, which he purchased in December. He would like to travel out west. He can already drive a car and a snowmobile. He's currently shopping for a new bike.

We asked him how he felt about the loss. "In basketball, I could guard guys taller than me; I used to be able to jump really high. I also miss playing tennis," he added.

He will be able to, once he refines running and back-stepping with his artificial leg.

Ed. note: Those of us who know and love Skip, admire the way he has adjusted to this unspeakable loss. (Skip Hill pictured below.)

DRUGS

Directly or Indirectly, Drugs Affect Us.

Drugs were novel in the 60's. Now people are accustomed to them as a controversial social issue. Many Rogers students peddle or use drugs. In the 70's, we look back on school not only as a place for pep rallies, football games, and door decorating contests, but also as a locale where we might come in contact with drugs.

Recently there has been much controversy about such issues as 'Legalizing Marijuana,' and 'The Harmful Affects of Certain Drugs.' The school's official policy is stated in the "Ram-book," issued to each student upon enrollment. It reads as follows:

"Pep pills, marijuana, L.S.D., and other stimulants and depressants are not only illegal but may result in permanent physical and psychological damage and may be the first step toward drug addiction. Anyone possessing, selling, or buying drugs of any kind on school grounds will be placed in police custody."

Drugs affect, directly or indirectly, the law, our choice of friends, our values, and our goals. While extreme consumption of drugs, or "drug abuse," is certainly harmful, more than a few students feel that moderate use of drugs is not. It is up to the individual to decide.

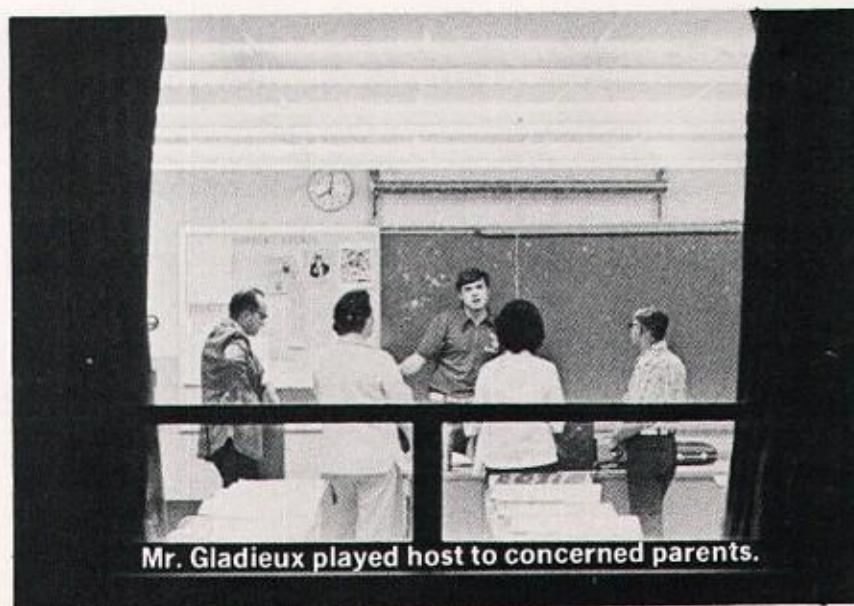

About 300 parents attended open house on October 30.

Why Don't Both Sides LISTEN?

Parents are an intricate part of every individual's life, whether they be natural, adopted, or foster. They do, for a time at least, control your actions and influence you to some extent in your ideals and moral standards.

Some high school students have good communication with their parents, while others do not. Often,

Mr. Gladieux played host to concerned parents.

students accuse their parents of being the source of family troubles. Parents also, too easily name their children as the reason for problems.

If both parties involved, parents and their children, would make more of an effort to stop and listen to each other, perhaps life would be easier for both of them.

The Reynolds Road

'JEFFERSON AIRPLANE'

About two and a half years ago, a cargo plane on its way from Mobile, Alabama, to Ypsilanti, Michigan, was forced down in a Toledo farmer's field. What makes it unique to Rogers High students is that the disabled plane rested only a block away from Rogers.

In the process of landing, the Curtis C-46 twice circled the farm of Mr. and Mrs. Joseph Keil, of

4904 Hill Avenue. It struck the tops of trees, which ripped a hole in the underside of the fuselage and tore a section of the right wing off.

According to the pilot, James Kuglar, the craft had engine trouble over Toledo. Mr. Kuglar speculated that a leak in the gasoline tank or a mechanical defect may have caused the trouble.

"The Jefferson Airplane," as the crippled cargo transport came to be called*, was quite a tourist attraction. Portions of the wings and body were carried off by sightseers as souvenirs. It was also the victim of graffiti and vandalism.

The little plane in the field had become a familiar sight to the surrounding community, but alas, the landmark was torn apart and removed early this fall.

THE STORY BEHIND THE SHOE

This is a game of competitive rivalry, underlined by the bond of friendship and fun that exist between the schools, the shoe being a symbol of these qualities. Yet many ask, "What is the shoe?" They have never heard the story behind it:

When Rogers High started it was a member of the Great Lakes League. Rogers and Sylvania, being the two schools closest together in the league, held several activities together. For example, Sylvania was in-

vited to Rogers for a Spring Sports Day, consisting of track, tennis, reserve baseball, and golf events. Then in 1961 the President of the Rogers student Council, John Ling, and the advisor, Mrs. Abell, (whose husband teaches at Sylvania,) brought up the idea of having a symbol for the Sylvania game. They decided to bronze the football shoe of a Rogers player and adopt it as a trophy.

WE GOT THE SHOE!

Story Behind the Shoe

As the Rogers-Sylvania game rolled around, the two booster clubs, made up of the players' fathers and the coaches, rented a large hall. They rallied over the upcoming game. Teasingly, and in good ridicule, they argued over who had the better team. It was made into an enthusiastic contest. A car parade and a car decorating contest were started. Other students soon got hooked on these high spirits. There was a great pep rally, and thousands cheered at the game.

In the beginning, Rogers wore the shoe for nine years, but in 1970, the Wildcats played it off. They donned it for three years, until this year, when the Rams got tired of going barefoot, and triumphantly deFEETed the Wildcats.

This year, some Sylvania students defaced a wall in front of Rogers, which aroused enthusiasm. A pep assembly was held the day of the game to stimulate the near-uncontrollable pep and spirit. The Varsity Cheerleaders led the assembly going with the Alma Mater. Then Rogers' own "Evil Canaywood" performed a daring stunt on his ten speed bicycle! When Coach Wagoner stepped forward to deliver his first pep speech as Head Football Coach, the crowd broke into a thunderous "Coach Rah!" He vowed that Rogers would get the shoe back that night for the trophy case.

The procedures surrounding the game and the awarding of the shoe have changed since the traditions were first started. But those who understand its meaning and personal value to Rogers and Sylvania appreciate having the shoe back in our school's possession, encased in the boys gym lobby.

'WE NEED A CONVERTIBLE'

Jeff, Cathy, Mark

"Queen Cathy"

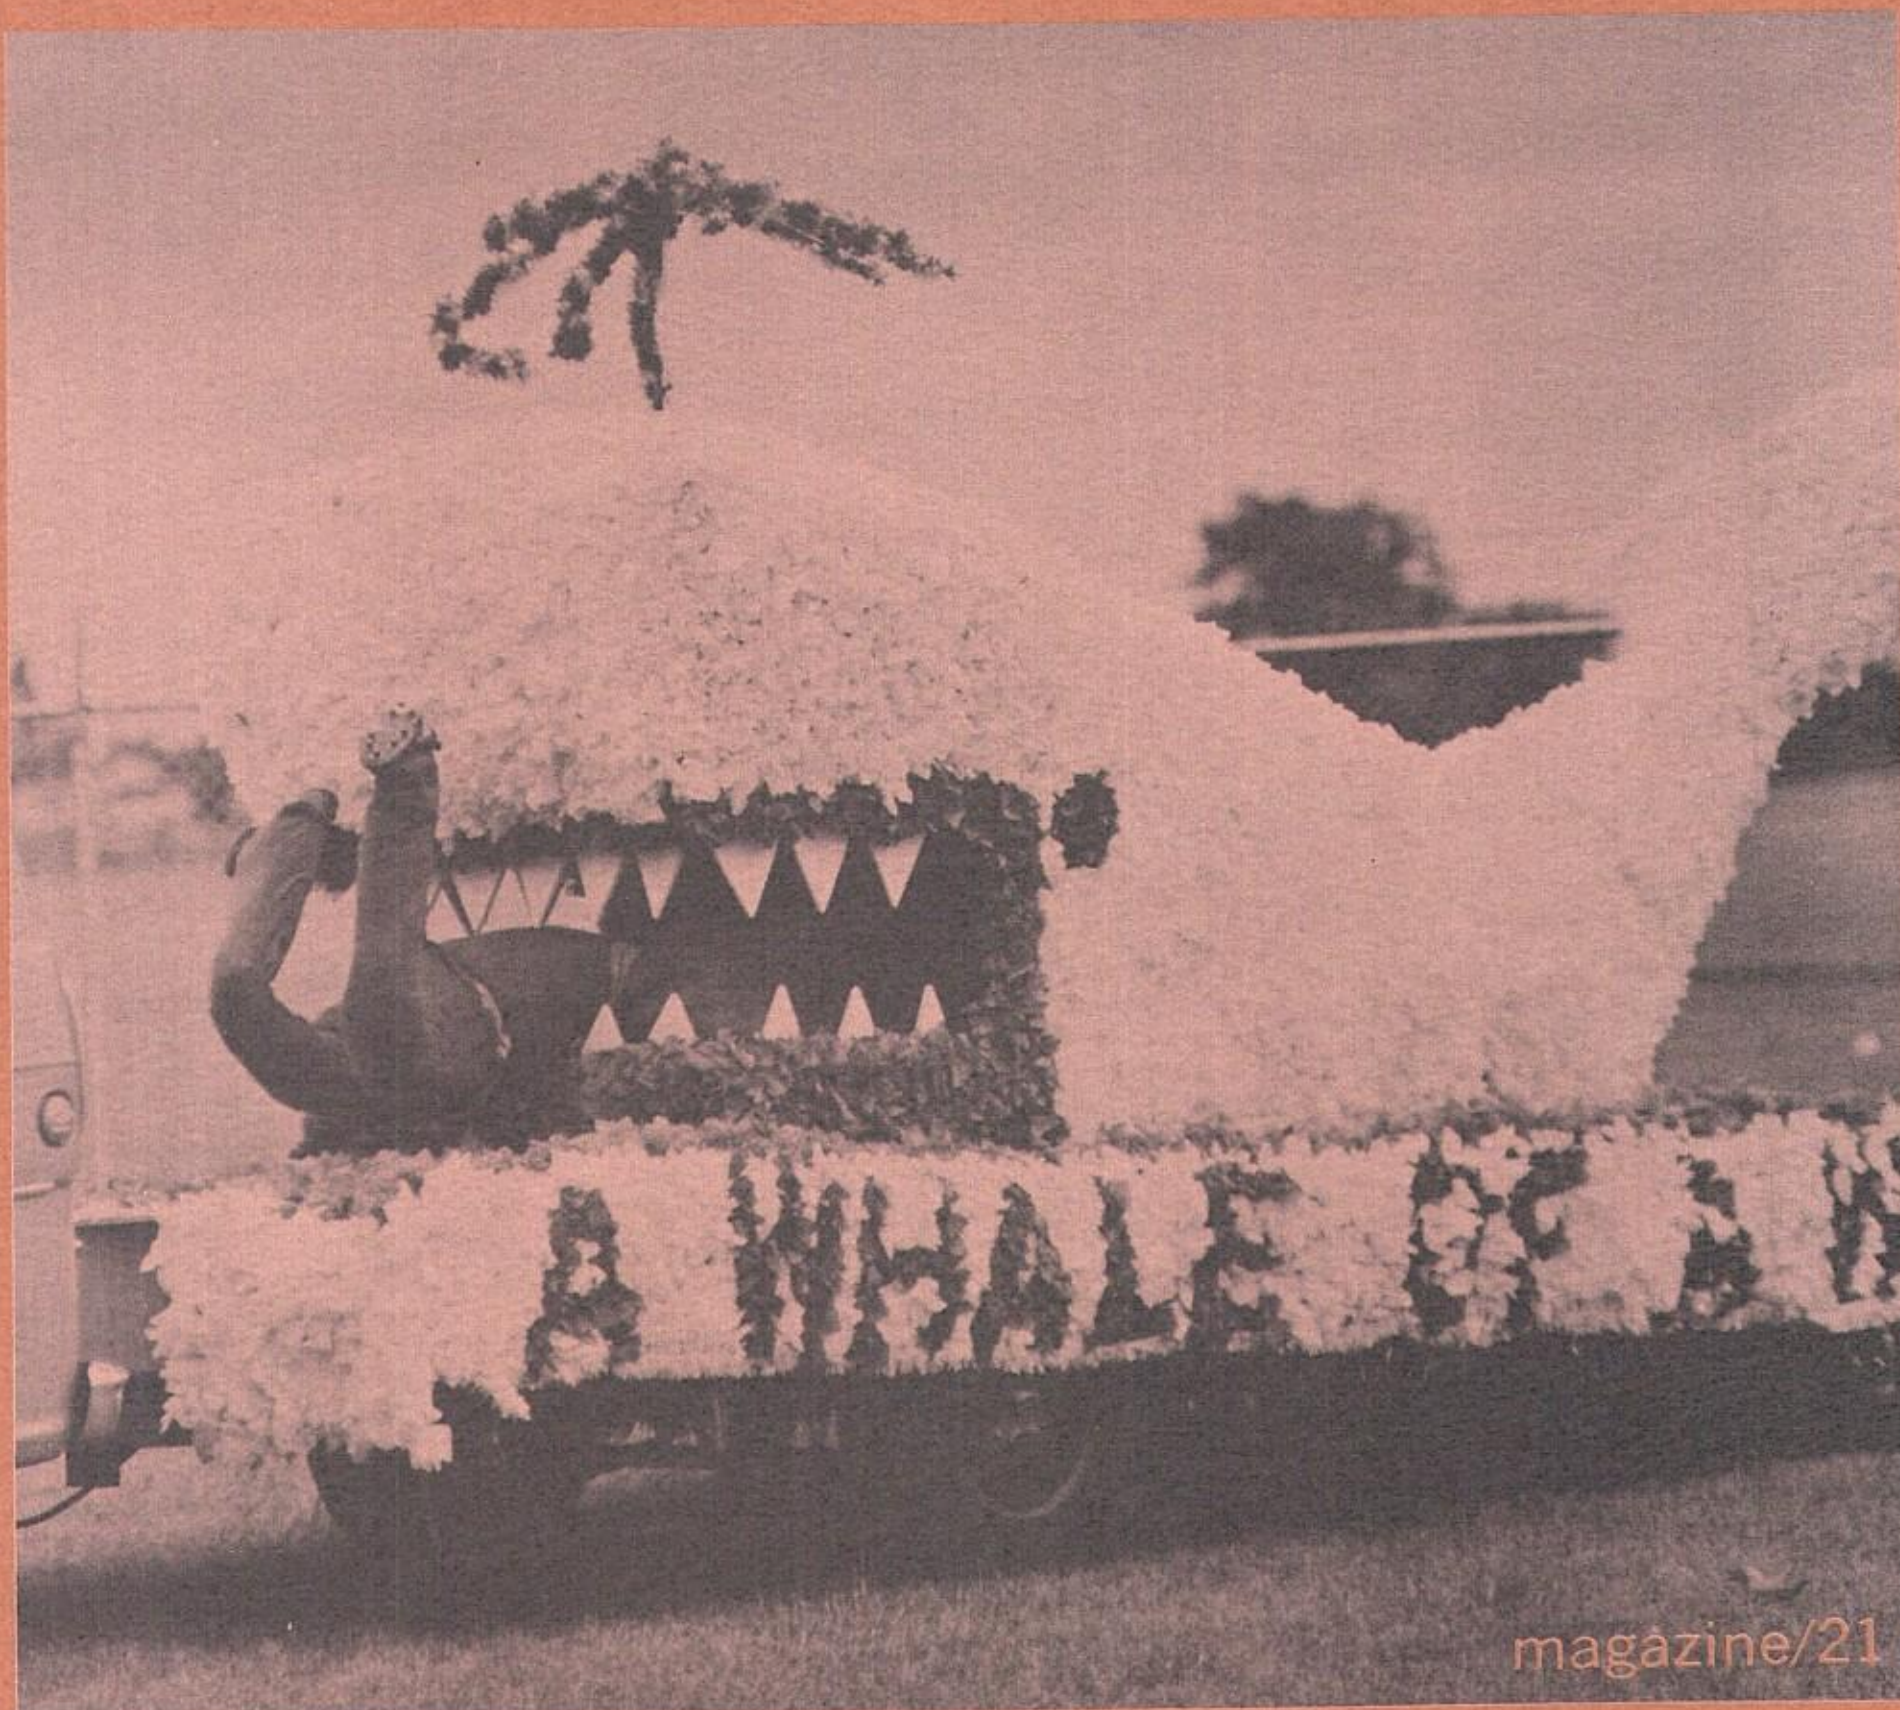

Cathy Wesolowski was the Captain of the Girl's Varsity Tennis Team this year. She participated in such sports as: softball, gymnastics, bowling, volleyball, swimming, and jogging. Since she was the **first girl addition** to the Varsity Club, she naturally represented them as princess at the Christmas Dance! Cathy plans on attending Bowling Green State University.

"We Need a Convertible"

At the last minute the Freshman needed a convertible for their attendant, Kim Goodrich. **Everyone had forgotten that Freshman couldn't drive, so they had to find a car and a driver!** While all this was going on, last year's Homecoming queen, Jeanne Walker, was anxiously waiting to crown Cathy Wesolowski, our 1974 Homecoming Queen!

"Our Class Beat Yours"

The Sophomore's put a **"Whale of a Win"** over the other three classes to take first place in this year's float competition. The Seniors took second, Juniors third, and Freshman last.

HOMECOMING DANCE '74

This year, unlike those of the past, Homecoming came early. The dance was September 27th as compared to last year's October 26th. This was due to the early scheduling of the football game.

The dance started at 8:00 in the girls gymnasium with the music of the "Crystals." The theme was "The Long and Winding Road." Decorations were done in fall colors. They consisted of flower baskets on each table and a brightly lit fountain in the center of the gym.

Midway through the dance was the announcement of the Queen and her Court. As the names were called, the girls were escorted to their places on the stage to be recognized by the people. They left the stage and went into their traditional Royalty Dance, later to be joined by the other couples.

"IT'S COLD OUT HERE!"

On the Sunday of September 29th, the sun didn't shine. Neither did the Rogers Rams, as they lost to last year's Blue Division Champs, the St. John's Titans, 32-0. Despite the cold wind, the rain, the coats, gloves, and the blankets, Rogers spirit rang throughout the stadium. The "Senior Men" took care of the Senior class while everyone else took care of themselves. The band also had great spirit. All in all, the Rogers football team knew we were behind them 110%.

Farmers Frolic...

Jenny and Arron

Farmers Frolic has been a tradition since the school opened in 1956. This year, girls asked guys, and along with dunking for apples, there was "Marryin' Sam," a mock wedding ceremony, performed by senior Ken Burkhart. Couples exchanged pipe cleaner wedding bands. Marriage certificates were good through 12:30 a.m. the next morning. Chosen Ma and Pa of the dance were Arron Caywood as Ma and Jenny Hale as Pa.

The Frolic was sponsored by G.A.A. who brought in a rock group called Ramas. The young musicians played several recent hits while many students danced. 575 attended, the largest group ever, which reflects this year's added school spirit.

New actors made their debut.

"Too much make up!"

"Don't forget that line!"

"Break a leg!"

On November 16th and 17th, the Rogers High School Theater Department, directed by **Mr. Eddie Weidel**, performed **Ten Little Indians**, one of Agatha Christie's most popular mysteries.

SPECIAL NOTE; THEATER ADDITION: The Theater Department installed a new light board, valued around \$9,000. A student will be carefully trained to operate the new addition. It will be used for the first time to light the Spring Musical. Intricate switches and dials abound, for example, it signals when it's over-loaded.

CHRISTMAS CAROL

The nineteenth annual Christmas Dance, "A Christmas Carol," Presented by the Student Representatives, was held Friday evening, December 6, in the Girl's Gym.

Christmas princesses were chosen to represent each club. **Candy Jackson**, a well known saxophonist, and his band, the Peppermint Sticks, provided the entertainment. The decorations of peppermint candy trees enhanced the Christmas spirit.

Later in the evening, each princess and escort were announced as they made their way through the candy forest to the stage. All who attended experienced a beautiful, traditional Christmas Dance.*

*In addition to the lovely princesses, for the first time in Rogers history, a guy was chosen to represent a club. The Rogers H.S. Band selected **Trent Goodrich** to be their "princess." But he was unable to attend. (Where were you, Trent?)

TOE SOCKS!?

No striking new fashion trends dominated the 1974-75 school year.

Unisex hair styles and clothing remained on the scene. Both sexes were getting into silks, satins, and laces.

FEET really happened! Perhaps the only distinguishing craze was the wide use this year of: toe socks, clunky, taller-than-ever platforms, bright argyle, checkered, plaid, and striped socks.

or

"SHAKE N' BAKE"

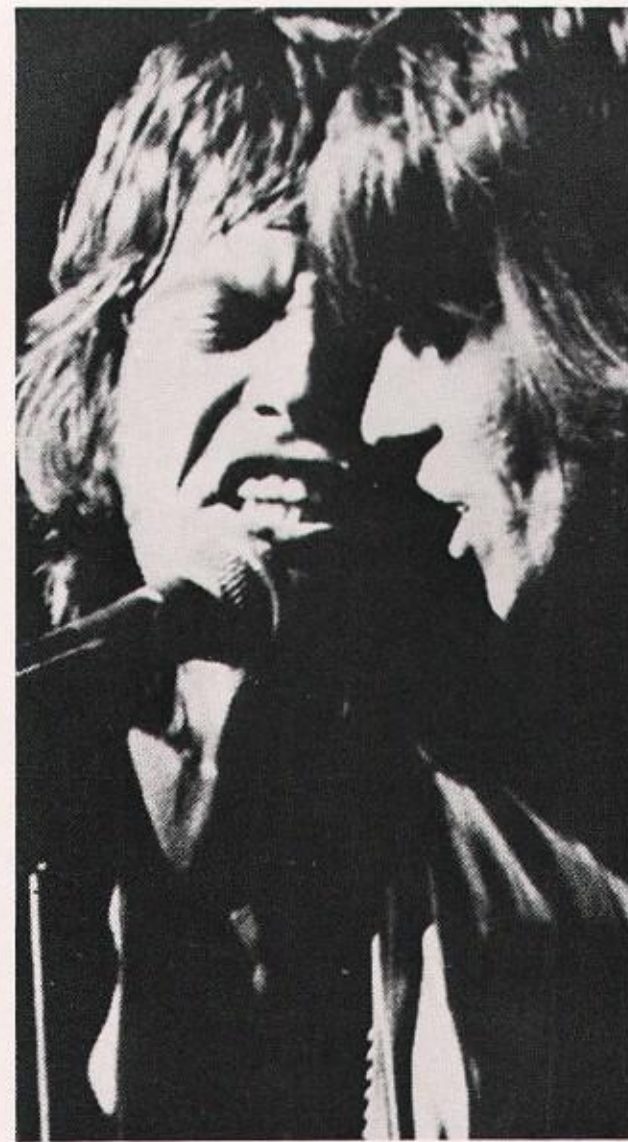

In 1973, "The Poseiden Adventure" began what has been this year's big trend — the disaster film. Buildings toppled in "Earthquake", a skyscraper burned in "The Towering Inferno", and a disabled jet was rescued mid-air in "Airport '75".

Al Pacino repeated his role of Michael Corleone in "The Godfather Part II". Andy Warhol remade "Dracula" and "Frankenstein", into X-rated movies. Other major films included: "Harry and Tonto", "The Conversation", "The Great Gatsby", "The Longest Yard", "Chinatown", "The Trial Of Billy Jack", "Lenny", and "Blazing Saddles".

On television, "All in the Family" begat "The Jeffer-

sons", "Maude" begat "Good Times", and "Mary Tyler Moore" begat "Rhoda". Telly Savalas won many hearts in his portrayal of a tootsie-popping, New York police lieutenant in "Kojak". "Police-woman" and "Get Christie Love" showed that women can catch criminals, too! A T.V. movie, "Born Innocent", starring "Exorcist"-star, Linda Blair, depicted a girl in a detention home. Sonny and Cher Bono split up while Tom and Dick Smothers reunited.

The year ended on this sad note: Jack Benny, "39" yr. old human institution, died late in December of 1974 at age 81.

Mick Jagger, the Stones.

DIFFERENT

Glitter Rock Star, Peter Gabriel

David Bowie.

Music is a large part of any student's life, whether it's listening to CK on the car radio, watching Black Oak Arkansas on "California Jams", rockin' to the music of Sly in concert, or listening to the latest Rod Stewart album on the stereo.

This musical year has brought many things. New bands like Bad Company; BTO; Aerosmith; Lynyrd Skynyrd; Genesis; and Queen showed that rock 'n' roll in the 70's is definitely not dead, while old favorites like Led Zeppelin; The Who; and The Stones held their own.

This year poll favorites were Bad Company; Led Zeppelin; Elton John; Emerson, Lake, and Palmer; Chicago; Black Sabbath;

and David Bowie; groups so diverse they reflect no trend in public taste.

Crosby, Stills, Nash, and Young; and Steppenwolf reunited while George Harrison and Eric Clapton came out from seclusion and did tours.

New soul groups this year included Rufus; The Ohio Players; The Travaras; Earth, Wind, and Fire; and The Tempres. Marvin Gaye did a far-famed concert in L.A. Older groups like the Isley Brothers; The O'Jays; The Spinners; and James Brown still remained popular.

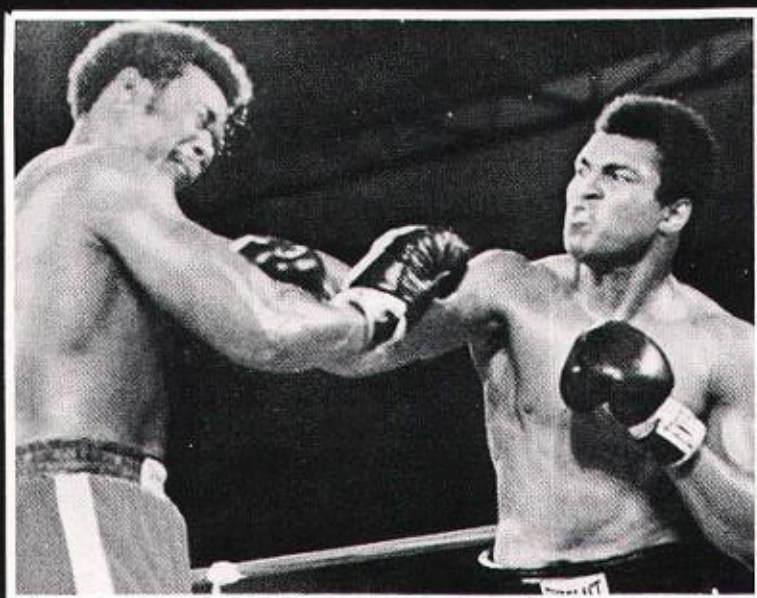

Music communicates where words fail, no matter what type it is.

NOTES FOR DIFFERENT FOLKS

Elton John defied gravity and earned \$60,000,000 in the past 5 years.

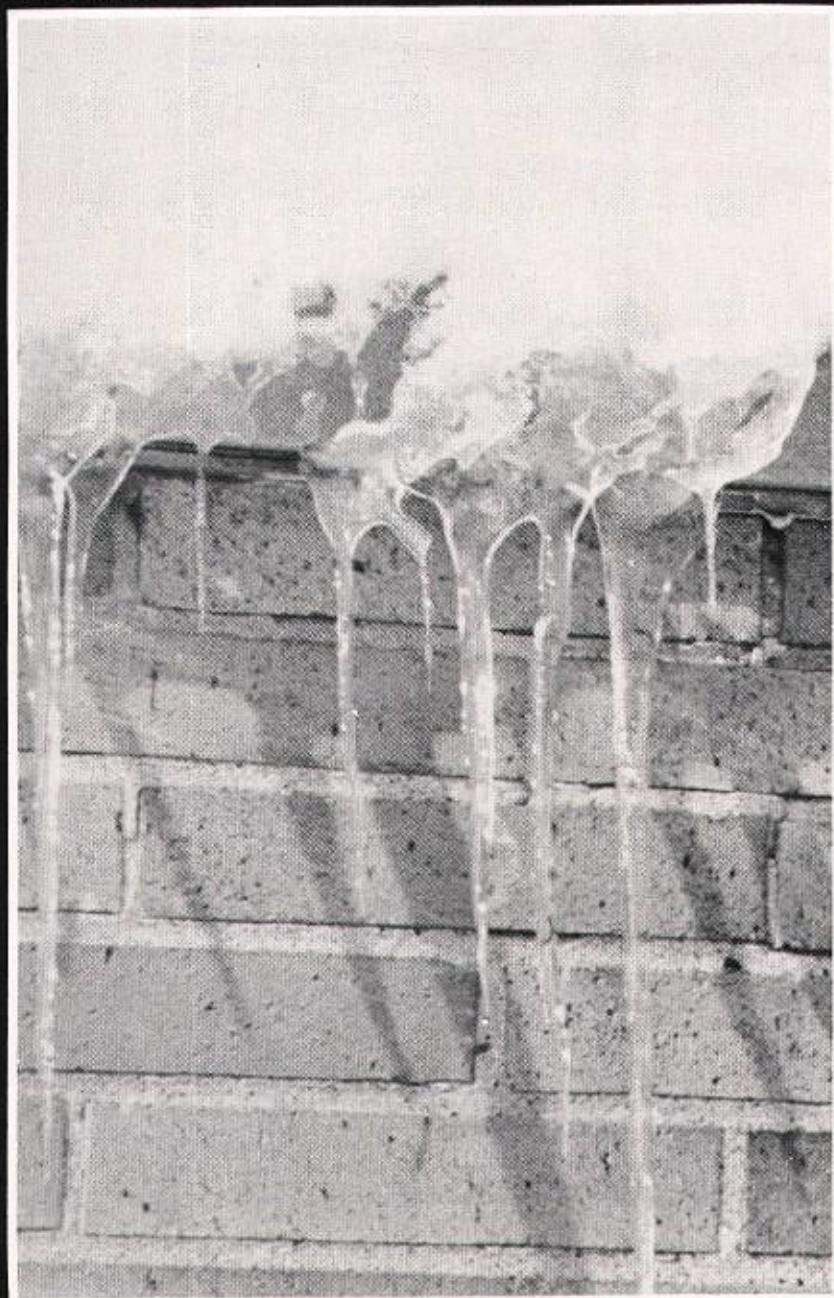

MUHAMMAD ALI'S GREATEST 'HITS'

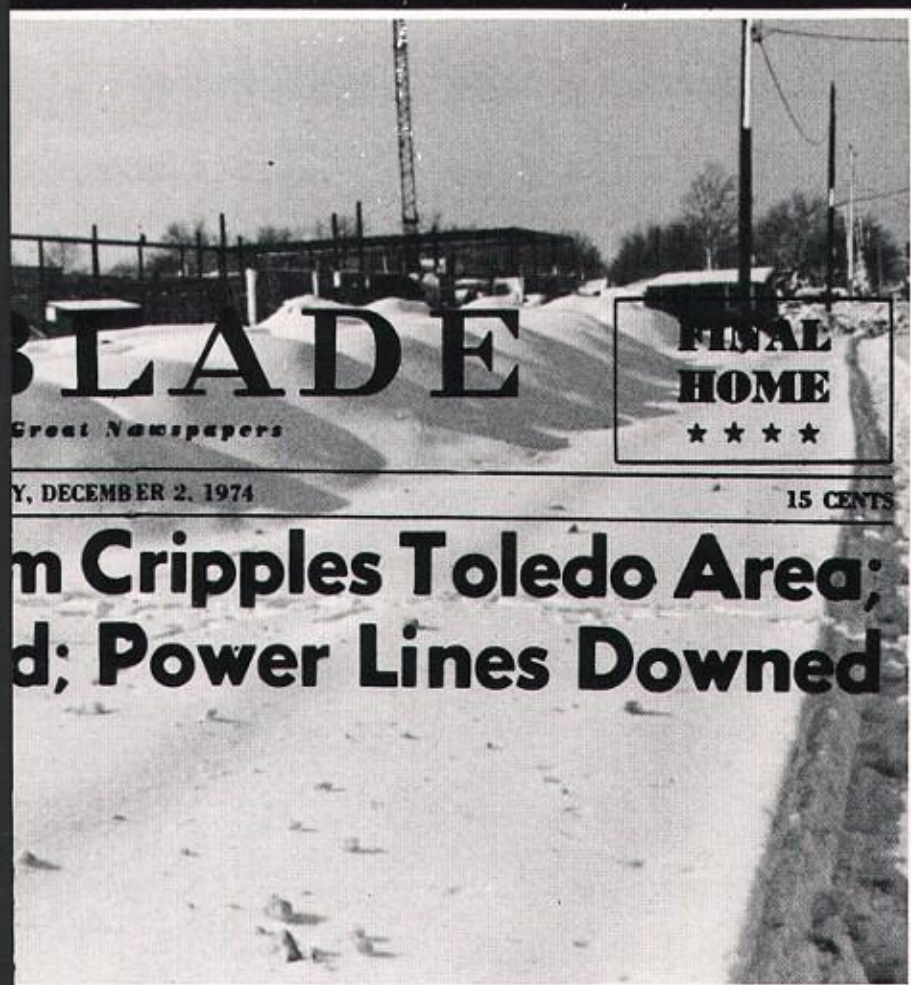

BOXING: Muhammad Ali finally regained his title as "Heavyweight Boxing Champion of the World," on eight round knockout of George Foreman. **FOOTBALL:** Ara Parsegian resigned as head football coach of Notre Dame on successful note of beating Alabama for second consecutive year in the Orange Bowl; For first time in forty-two years, Pittsburg won NFL championship, 16-6, over Minnesota (some familiar PGH names: Terry Bradshaw, Franco Harris, Mean Joe Greene, L.C. Greenwood, R.B. Rocky Blier, Ernie Holmes, Dwight White.); Bad year for Woody; Ohio State upset by Michigan State with a controversial call in final seconds, 17-16; later, USC defeated OSU in Rose Bowl, 18-17; OSU junior Archie Griffin may become first ever to receive Heisman Trophy twice; USC Anthony Davis was runner-up; World Football League in serious financial trouble, may fold. **BASEBALL:** St. Louis Cardinal outfielder, Lou Brock, breaks all time base stealing record of 104 per season; Frank Robinson — first black manager (Cleveland Indians); Oakland won World Series for **third** consecutive year; Catfish Hunter, free agent, went to New York Yankees for a million dollar contract; Baseball great, J.H. (Dizzy) Dean died, 1911-1974. **BASKETBALL:** ROGERS ALUMNUS STEVE MIX MADE THE NBA ALL STAR BASKETBALL TEAM! 19 year old Moses Malone, 6'11", became first player to sign major league basketball contract directly from high school; Notre Dame beat powerful UCLA for the second year in a row; At press time, our neighbors, The Detroit Pistons were leading their division in the NBA. **GOLF:** 27 year old Johnny Miller earned record amount of over \$300,000 in 1974. He continued his success this new year by winning several January tournaments. **TENNIS:** Pro tennis continued to grow in popularity. Familiar names: Bjorn Borg, John Newcombe, Arthur Ashe, Stan Smith, Rod Laver, Billie Jean King, Margaret Court, Evonne Goolagong, and Jimmie Connors and Chris Evert, (who postponed their November wedding). **HORSE RACING:** Chris McCarren, 19 year old jockey, won 540 races in one year (world record). **DAREDEVILS:** Evel Knievel attempted his \$6,000,000 jump over Idaho's Snake River Canyon and failed, but survived; A French circus performer, Phillipe Petit, walked a tight wire between World Trade Centers towers/ "Women Superstars" added to ABC's coverage. **HOCKEY:** Toledo Goaldiggers are leading the International League in penalties!

Rogers took on a desert-like appearance; all construction was halted.

The Great Snow of '74

Sandy Moras and Kathy Hood made snow angels in the courtyard.

Three main reasons why Toledo schools were closed: Busses could not move from their stationary positions; Side streets were impassible; Rogers parking lot was covered by 14" of snow.

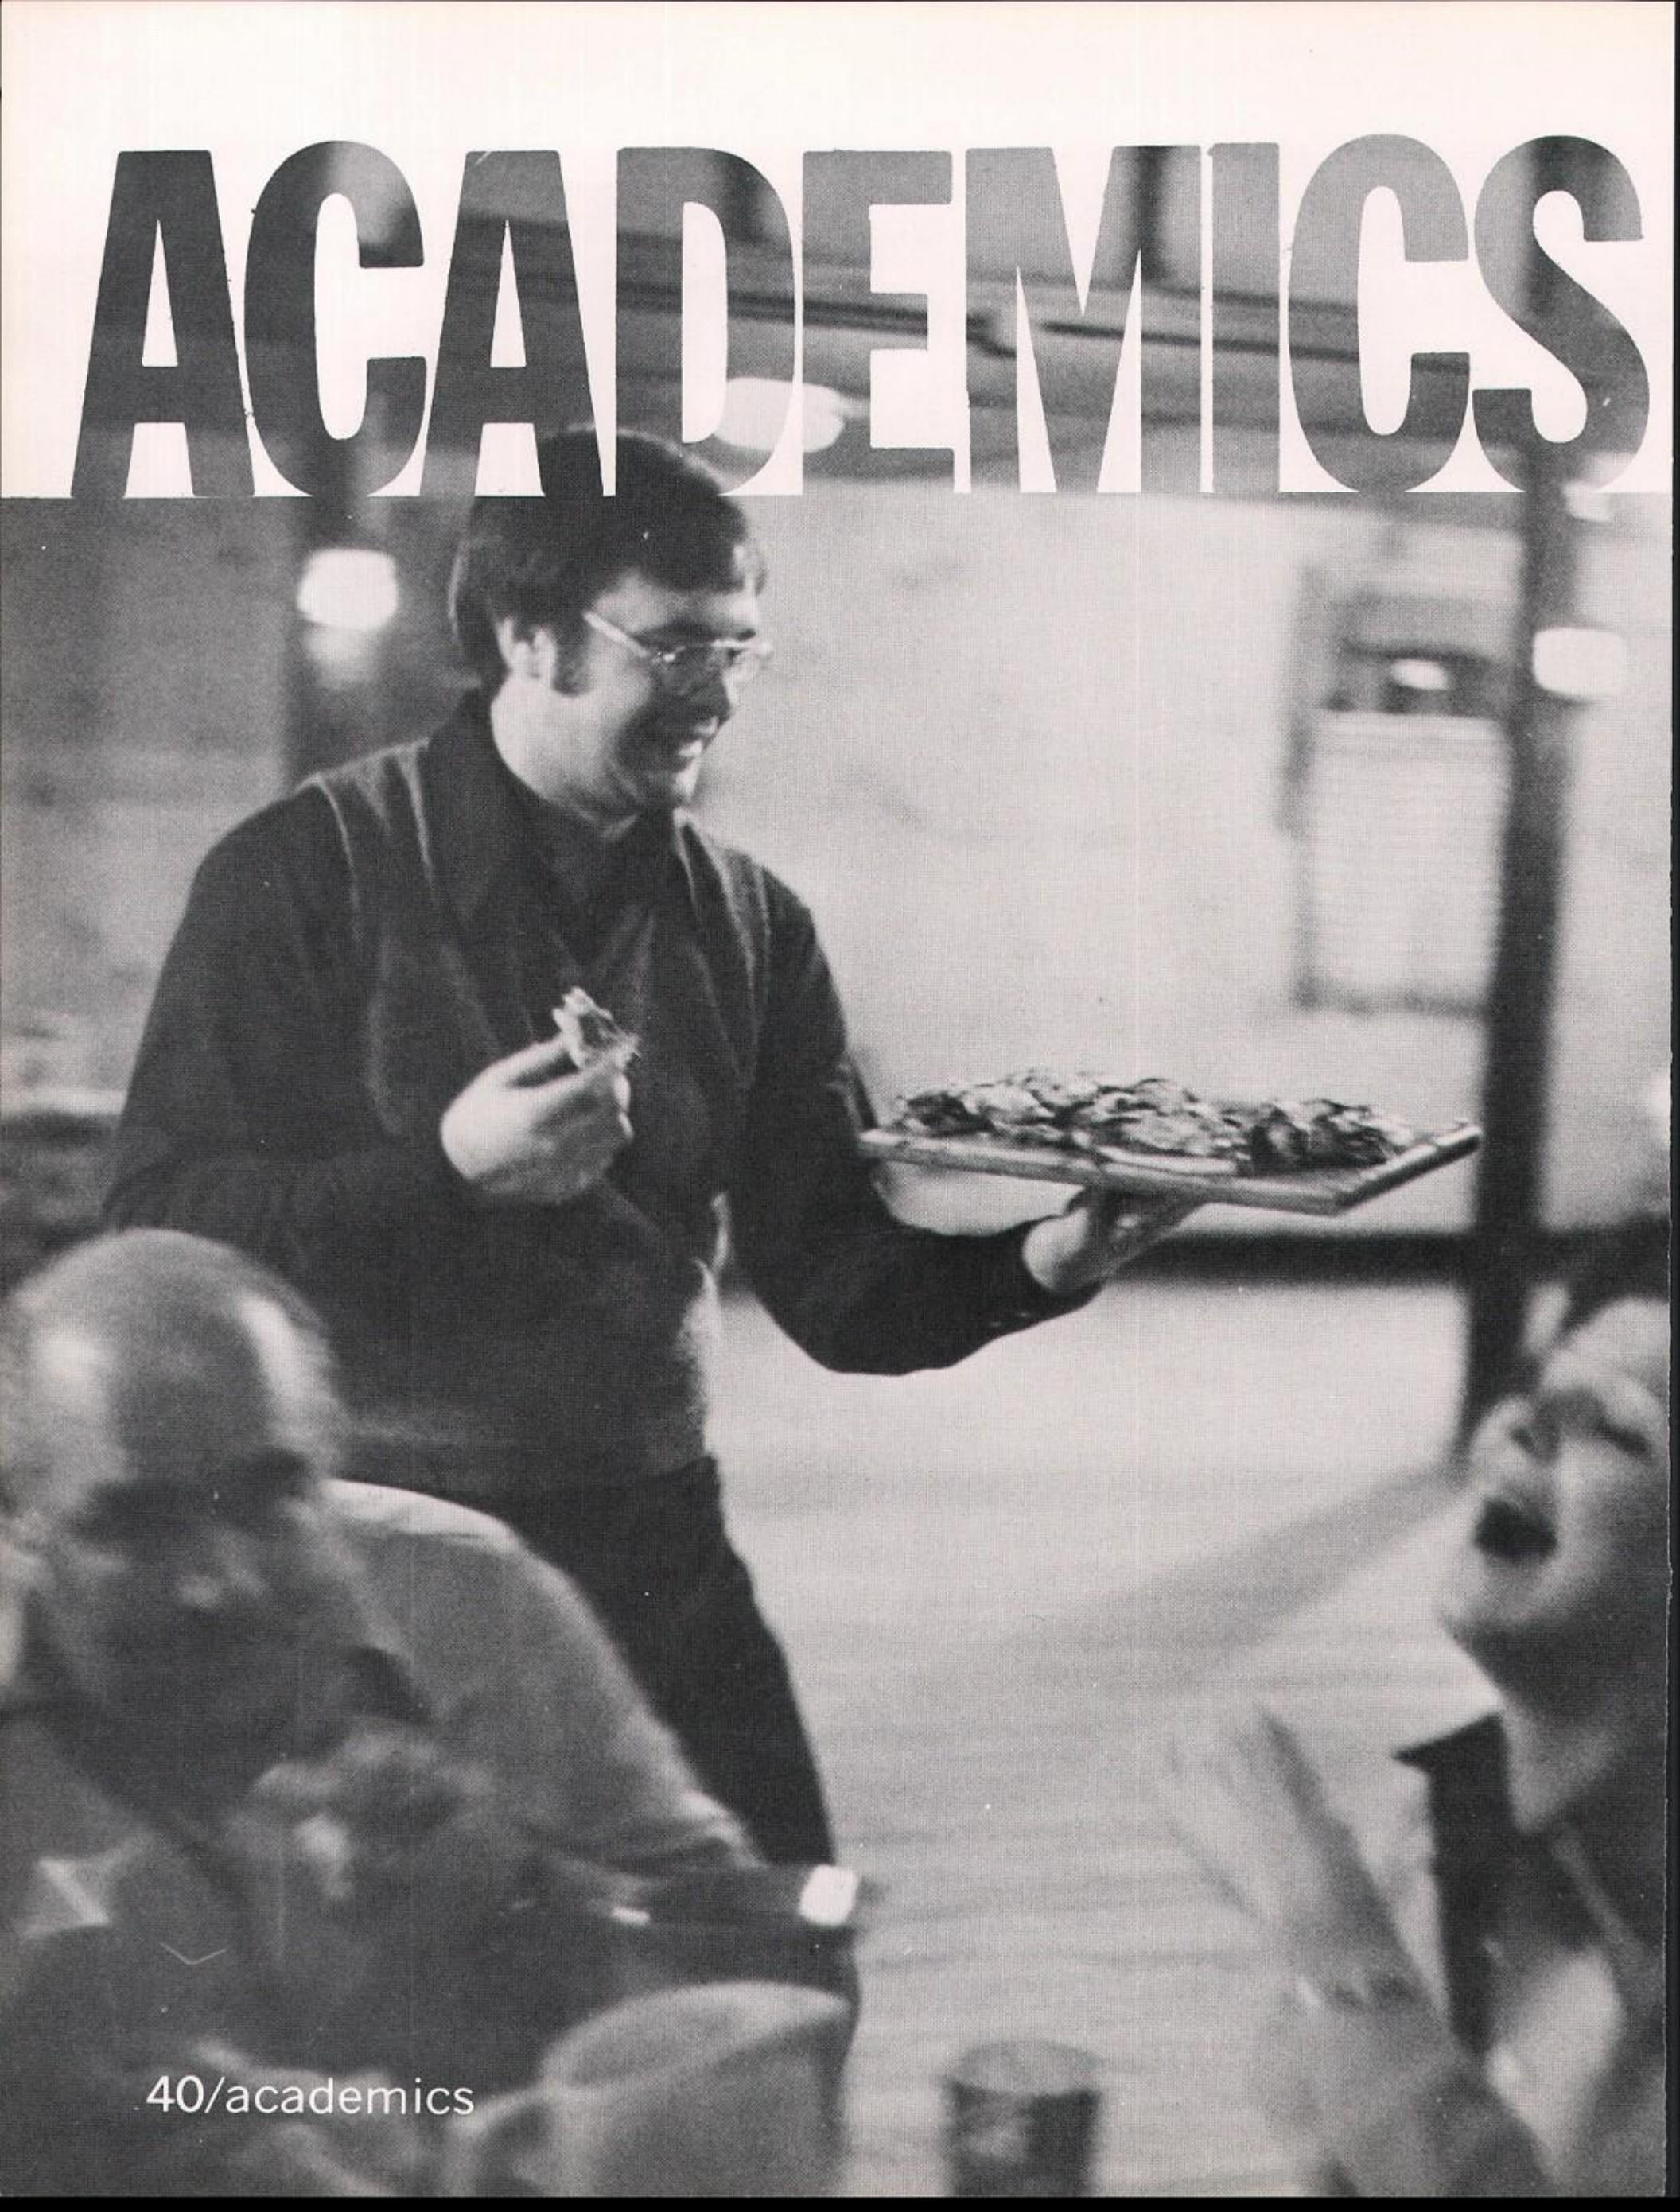

Sunday morning, December 1 Toledoans woke up to the worst blizzard of the century. The storm began around one o'clock Sunday morning, and persisted for nearly thirty hours. All roads were blocked; even major arteries were impassible. By Monday morning there were 14½ inches of snow, and around 10,000 Thanksgiving travelers were stranded in the area. Residents with snowmobiles and four-wheel drive vehicles helped in rescue operations by transporting motorists to Red Cross Centers, where they were given hot meals by volunteers working around the clock. Many Toledoans opened thier homes to people who found no vacancies in hotels and motels.

Factories, stores and schools were closed throughout the Toledo area. Even the Toledo Public Schools closed their doors for three days.

Since the snow came at the end of the Thanksgiving weekend it gave Rogers students a pleasant extended vacation. Upon their return to school, they each had their own adventurous tales of how the record snowfall affected them.

ACADEMICS

ACADEMICS

Academics:

There have been **many new additions to the Rogers staff** this year. They have added to students' knowledge in a variety of ways.

The Skill Center will be adding to Rogers' already large curriculum (see page 8.)

O.W.E.

The Occupational Work Experience is designed specifically for those students who find it difficult to meet the regular academic standards of the high school and who, without OWE, might become drop-outs.

The student takes two periods of required subjects, and two periods of related studies pertaining to problems and experiences of his job. The other half-day is spent gaining work experiences provided by business and industrial establishments.

Occupational education includes developing such important traits as responsibility, reliability, proficiency, and the ability to get along with others.

Minimum requirements for eligibility require the student to be 16 years of age and have completed ten years of schooling. Students are employed a minimum of three (3) hours each school day or 15 hours a week. All federal and state employment regulations are followed in the operation of this program. Units of Credit — 2-1/2.

security aids, cafe. & maint.

This is the first year for full-time Rogers substitutes, they are Mr. Charlie Contrada and Mr. Peter Nawrocki. They take the place of teachers who are absent or decide to sleep in one morning. Security aides also deal with problems, such as 200 extra students assigned to a study hall and the only vacant room has a maximum capacity of 30. Watch every move made in study hall. Take attendance for 2nd hour in 4th hour two days in a row. Issue over 100 passes a day for 100 different reasons. And monitor the halls during classes.

Cafeteria

New vending machines have been installed in the cafeteria this year. These help with the congestion of students buying lunches. Only about 140 lunches are prepared each day, because of these time-saving fast food devices. Another new addition will be the cafeteria annex providing a more spacious area to prepare food and additional seating space. This will prevent the packing of students into the cafeteria like sardines in a can, all pushing to reach the counter first to drop their handful of pennies and nickels. Where do they find all that loose change?

Maintenance

Due to the energy conservation programs, the Rogers' maintenance crew has been setting back thermostats. They scrape grape bubblegum off the bottom of desks, scrape it off the top of deaks, off the chair, the wall, the floor, ... Find the same muddy tracks under the same desk in the same room every rainy day. Wash the green blackboards. Clean the erasers. Set up 30 rows of 15 chairs each for an assembly. Take down 30 rows of 15 chairs after the assembly. And are an essential part of the work force needed to operate a school building. The first to school in the morning and the last to leave at night.

Pep-leader of the band.

SENIORS

Seniors:

The Seniors graduating from Rogers in 1975 will be going into the world as new **additions to the community**. Each will add a personal touch to everything he or she attempts in life.

'WE'VE GOT SPIRIT'

Homecoming; Senior Banquet; Senior trip; Senior gift; planning and decisions.

Every Wednesday, advisers Mr. Brunt and Mrs. Schroeder, along with the Senior Officers, worked out details on the above projects.

Homecoming, September 28, went smoothly. (see page 20)

Senior Banquet, May 28, where yearbooks are passed out will be the Seniors' last official function.

At press time the Senior gift had not yet been chosen, but choices were:

1. a mosaic inlay of a ramp for the lobby floor;
2. a plaque inscribed with the name of the year;
3. a life-size sculpture of a ramp;
4. utensils for dances for parties (punch bowl, etc.)
5. a marquee of coming events.

"I have loved every minute of my Senior year. I enjoyed working for and with the class of '75 to make this year something special, something to remember." (— Jill Alesi, Senior class President)

Lynn Spaulding Is Con

Another Rogers' student excels. Lynn Spaulding, senior, has been figuratively lauded with the coveted position of concert master of the Toledo Youth Symphony Orchestra. Any violinist already a member, could have been auditioned; the final decision being Mr. Kenneth Holland's the director.

The honor carries more responsibility for Lynn, as she has to make up for remiss bowing mistakes made in the violin section as they are pointed out to her rather than to the instrumentalist actually making it.

Making sure that all instruments are tuned to the same pitch before a performance is also her responsibility.

She will be the one with whom the director formally shakes hands at the conclusion of a concert.

In addition to this position, she also participates in Rogers' orchestra, the

Lynn Spaulding, Concert Master

All-Ohio State Youth Symphony and the regional orchestra.

For the past two summers, Lynn has attended music workshops at the University of Cincinnati to expand her musical abilities.

Certain of further study, but unsure of a particular institution, Lynn is considering Oberlin, University of Cincinnati, Case Western Reserve, Miami and University of Michigan.

Karen Wilhelm Is Piano Soloist for Toledo Symphony Orchestra

For 12 years, Karen Wilhelm, a senior, has practiced piano skills. The last two years of two to three hours of daily practice have been aimed at being selected as piano soloist for the Toledo Symphony Orchestra. That goal was realized when Serge Fournier, director, informed her that her audition of Schumann's "Concerto in A Minor, First Movement" was grand enough for the annual affair of Young Artists Concert sponsored by the Women's League of the symphony.

Karen's solo rendition with accompanying orchestration, to be played to memory, is 20 minutes long. She doesn't expect to be nervous until after the performance when she characteristically falls to pieces.

The eve of the performance is the only time reserved for rehearsal with the orchestra.

The affair is scheduled for March 11 at 9:45 and 11 a.m.

To Karen, "Music is one of the last loves of the world."

Concert Master Bill Kibler Is State President of DECA

Bill Kibler listens to Director, Holland

Patti Vasaturo is Featured Violinist

Patti Vasaturo

Patti Vasaturo, a junior, has been selected to be the violin soloist for Toledo Youth Orchestra's performance at the Peristyle, Jan. 15. She will be playing Mozart's "Third Concerto" in the key of G major.

The selection by Mr. Kenneth Holland, director and his assistant, Mr. Michael Miller, orchestra director at Start High School, is an honor since one instrumentalist of all the members is chosen per concert.

Patti has been playing for four years and has twice received #1 ratings in North-South Solo and Ensemble contests.

With the help of her violin teacher, Miss C. Vashaw with whom she's studied for five years, Patti hopes to become a "Great" violinist.

1974-'75's State President of DECA is a Rogers' senior, Bill Kibler. The election was held at Columbus, Nov. 15 and 16. Mr. K. Settles, Rogers' DECA advisor, asked Bill if he would be willing to campaign.

Four Rogers DECA club officers attended, but only Steve Urbanski, president, had a vote. There were 250 voting delegates, each one representing his respective chapter.

To participate in running for State President, Bill had to take a written test first, then be interviewed. Afterwards, four students were chosen from the state and were given one hour to campaign.

Bill said that all of the DECA students at Rogers had helped 100% in his campaign to back him up, and without their help he couldn't have done it.

His speech was titled "The Chicken and the Pig" which was about his total commitments.

DECA holds 10 scheduled meetings, 10 executive meetings (one in Miami, Florida in May) 30 days of conferences, including Camp and the State Fair, all of which Bill must attend, with expense paid for by DECA. His other duties are to promote unity in the DECA clubs, keep organization, and make sure plans are carried out.

EQUESTRIAN

A highlight of this year's Equestrian club was their journey to Canada, for a national horse show in Toronto. A little excitement and a lot of apprehension were added to the trip as the chartered bus they rode broke down one and a half hours from their destination. When they finally arrived everyone else was dressed in formal attire. All but Roger's Equestrians; their clothes were still on the bus. Princess Ann also attended red carpet and all!

It was reported by a member that on ski trips everyone contributes spirit and humor to the club, (especially on the bus!)
 "We usually go up to Mt. Holly in Michigan. The resort is nearby and offers reduced student rates and lessons. The instructors and personnel remember us and make us feel at home. Some instructors will spend a great deal of extra time and patience on our ski lessons.

"We went to Cobo Hall in Detroit, for a great Ski Show. There were numerous booths with information on areas to ski in Canada, Europe, and Western U.S.A. A moving ramp was used for demonstrations by well known skiers. Various manufacturers displayed their ski products and showed films of expert ski-stunts.

"Another trip we have planned is a weekend in Northern Michigan at Boyne. As usual, Think Snow!"

PARAMEDICAL

Mrs. Gregory, a clinic director, spoke on sickle cell anemia in February. A psychologist or a nurse will speak in April. Our projects this year are a tag sale, a bake sale, a Thanksgiving fruit basket for Imperial Nursing Home, and a candy sale in February. We are visiting Miami Childrens Home for an Easter party. We will take children to the zoo and give them a picnic in April. We give scholarships each year and have field trips to Medical Colleges, Toledo Hospital, and a trip to Cedar Point in June.

RAMPAGE

The Rampage experienced quite a few changes this year.

1. They moved from the second floor to the first floor printing area.
2. They operated without an Editor-in-Chief because no one felt adept enough.
3. The price of the paper went down as did the size, but the frequency increased.
4. Articles on married students, students of hi-racial parents, students who have employed relatives in the building and gun control were included.
5. A new printing instructor began printing the paper here at Rogers which cut down on expenses to sent out for printing at Bowher.

Staff members received silk-screened sweat shirts that they began wearing on sale days of second semester. Extra activities included two bake sales and a newspaper drive. For the first time in five years Rampage became debt free.

JUNIORS SOPHOMORES FRESHMEN

JUNIORS SOPHOMORES FRESHMEN

Juniors, Sophomores, Freshmen:

New additions are made to each individual class as students move up through their high school years.

Foreign exchange students have always added to Rogers' diverse student body.

However, **the greatest addition to Rogers each year is the Freshman class.** This year there were over five hundred newcomers.

JUNIOR RAH!

Junior officers from left to right: Jenny Hale — Vice President, Bert Slack — President, Judy Brown — Secretary, and Gina Hernacki — Treasurer.

Maryalice Scully recited "Frosty the Snowman" during an assembly.

The junior officers were very active and had many responsibilities with two outstanding functions: Fun Night and Junior-Senior Prom. Mr. Mocek and Mr. Estes acted as advisors in planning their activities. The Fun Night was planned for March 14 and is to consist of the varied organized groups in school setting up booths to make money for their clubs.

The Junior-Senior Prom was planned for May 9 with the theme "Dream On." The Prom is the highlight of the year for many students and will be held in the Great Hall of the Masonic Auditorium.

Sarah Sakel, one of the many Roger's students who enjoy Pizza Hut.

Left to Right, Juniors, Brad White, Debbie Abrahams, Mary Winterhalter, Kim Charles, Patty Newman, Skip Hill, Cathy Cappelletty, and George Long at the Homecoming game.

Kent Murdock, sporting a new band uniform, at a home football game.

The Junior float was built at Pete Lyell's house this year. It placed third in the competition.

Jim Kurth, a varsity wrestler, at the Farmer's Frolic.

Jerry Brewis wrestled on the varsity team and placed fourth in his weight class in the City Tournament.

SOPHOMORE RAH!

The sophomore class float came in 1st! (see homecoming section p.21) They were the 1st ever to sell their float (for 75.00 to a Maumee Lincoln-Mercury dealer).

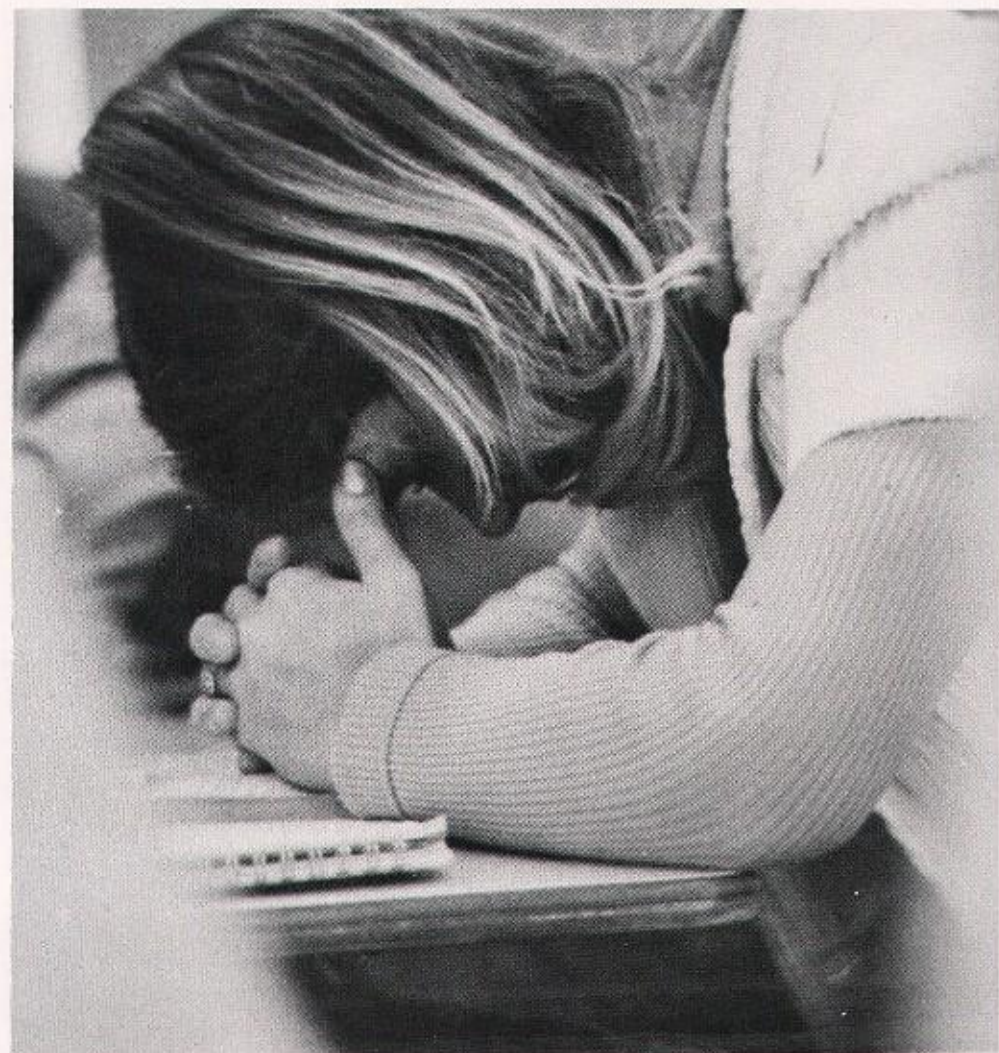

Mr. Schwind was the adviser. The officers met once a month and contacted each other more often on the phone. Earlier this year they sold discount booklets (to store and theaters) and raised \$150.00 for the class.

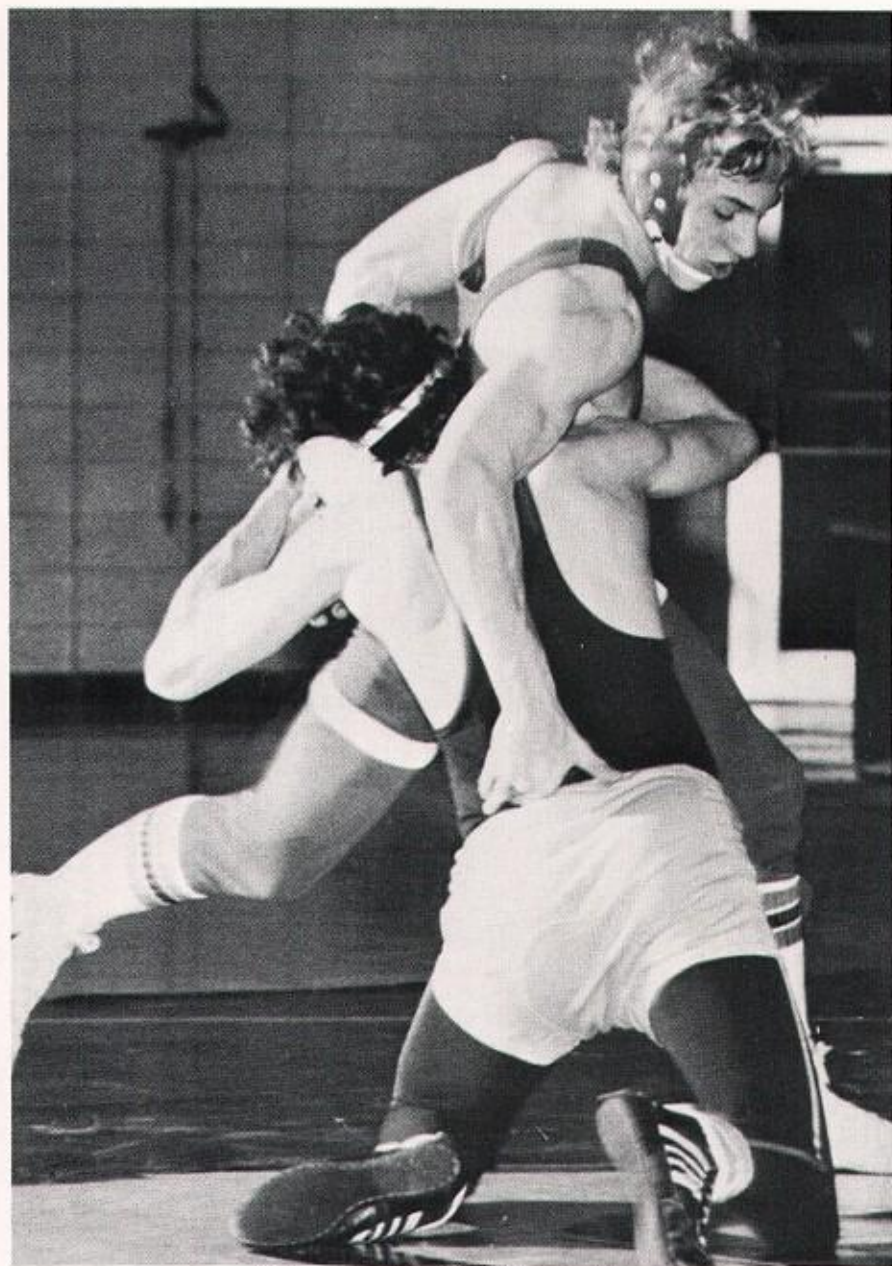

They are planning a "jeans" dance on April 18, and will sell ballpoint pens for more money.

"We all enjoyed being officers and will probably run again next year!" (At press time voting was planned for the end of this school year.)

Mike Blair (**lower right**) — PRESIDENT;
Tom Waldeck (**lower left**) — VICE PRESIDENT;
Rosalyn Williamson (**upper left**) — SECRETARY;
Tracy McCallister (**upper right**) — TREASURER.

Joyce Metcalfe; a thoughtful rest at the end of class.

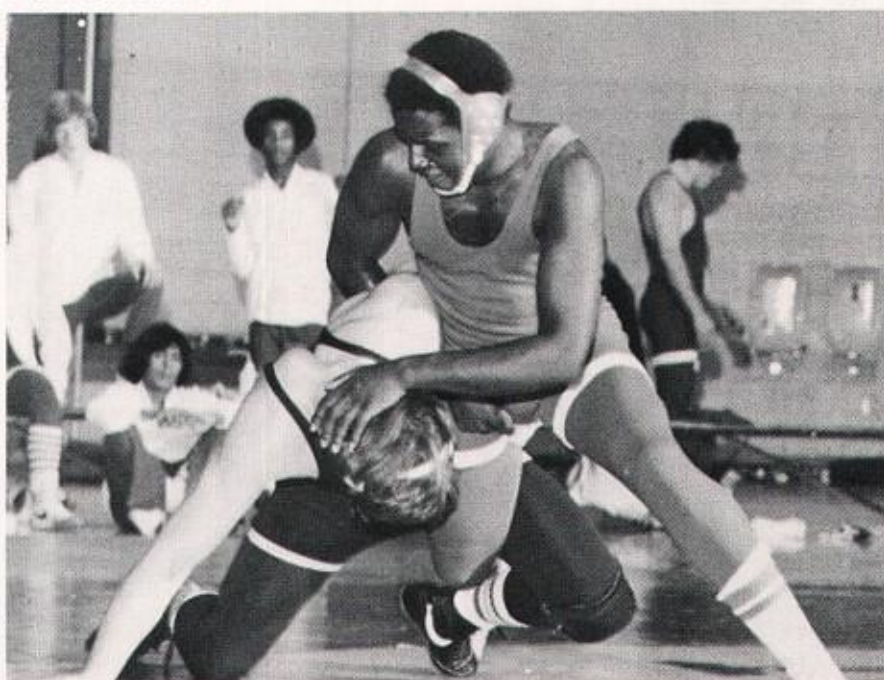

Brian Currier, 132 lb wrestler.

Jeff Kirby, an active theatre person, here as "Frosty" in a Christmas skit.

Ronnie Juan in shop class.

Ricky Morris, 175 lb. varsity wrestler.

FRESHMAN RAH!

Kenton Barnes, Cindy Odom, Shawn Williams, Holly McCallister, Mark Olwick

The Freshmen entered the homecoming float contest with the slogan "Flush the Johns." Shawn Williams, Class President, said, "The float wasn't much of a success, but it was fun for the people who worked on it."

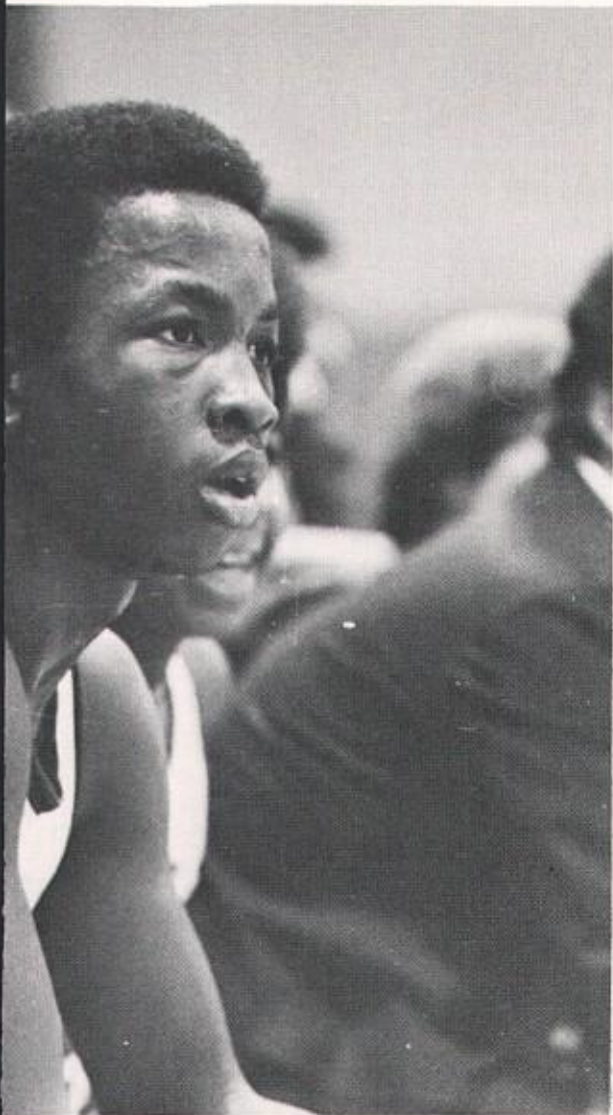

The officers were elected at McTigue school last year. They and their advisor, Mrs. Hammon, felt that the class lacked enough spirit, but the Freshmen gave a good showing in the candy and magazine sales by selling more than any other class!

SPORTS

Sports:

New head Coach Dick Wagoner was an addition to the Varsity Football Team.

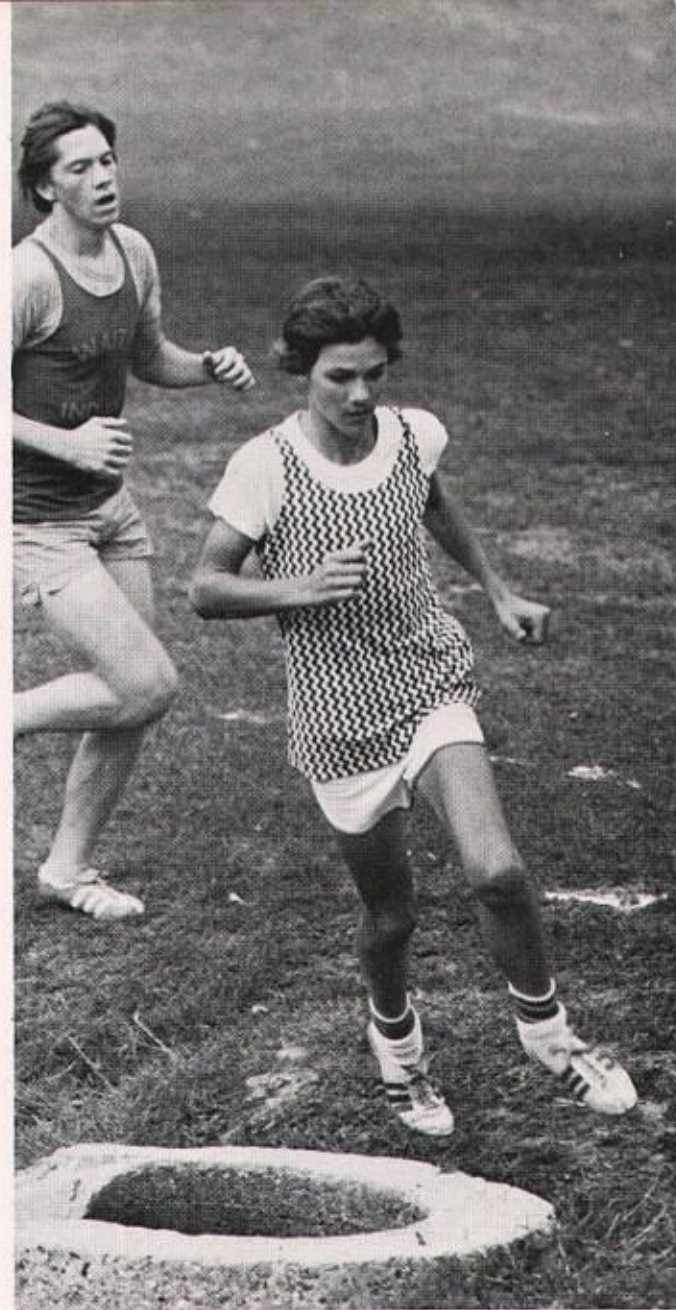

Two additional sports were added to the list of varsity sports: Bowling and Girls' Tennis. Also, golf was added to the list of fall sports, with Mr. Mike Murnen as coach.

All four of the above sports added great seasons to our school's records.

Off To A Good Start...

Senior Duane Jendrzejak; Junior Dwain Prosser; Senior Mark Butler

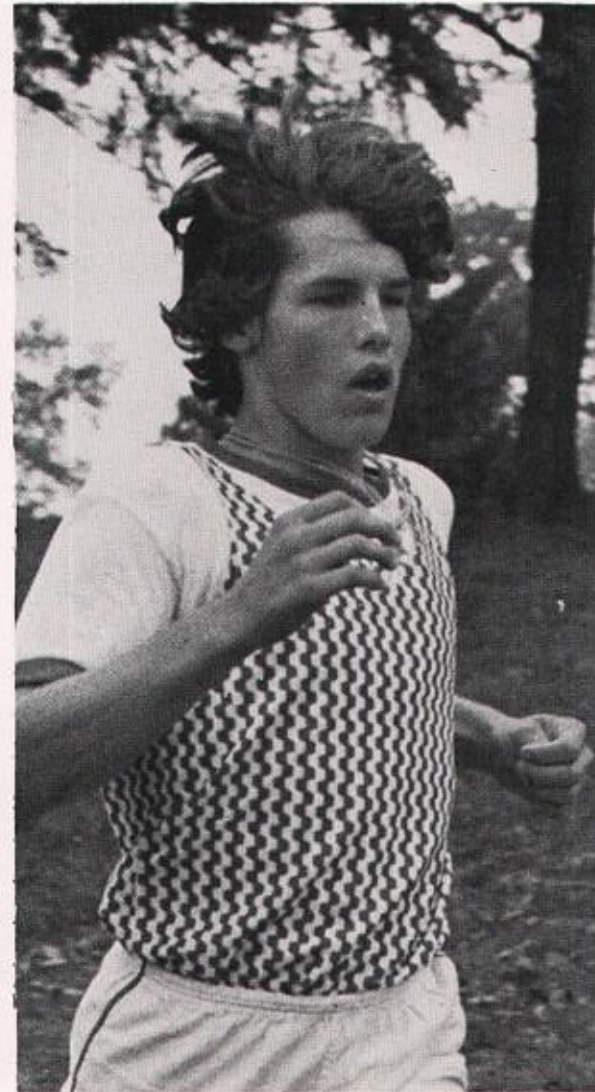

Next Year's Leaders:

Junior Dwain Prosser

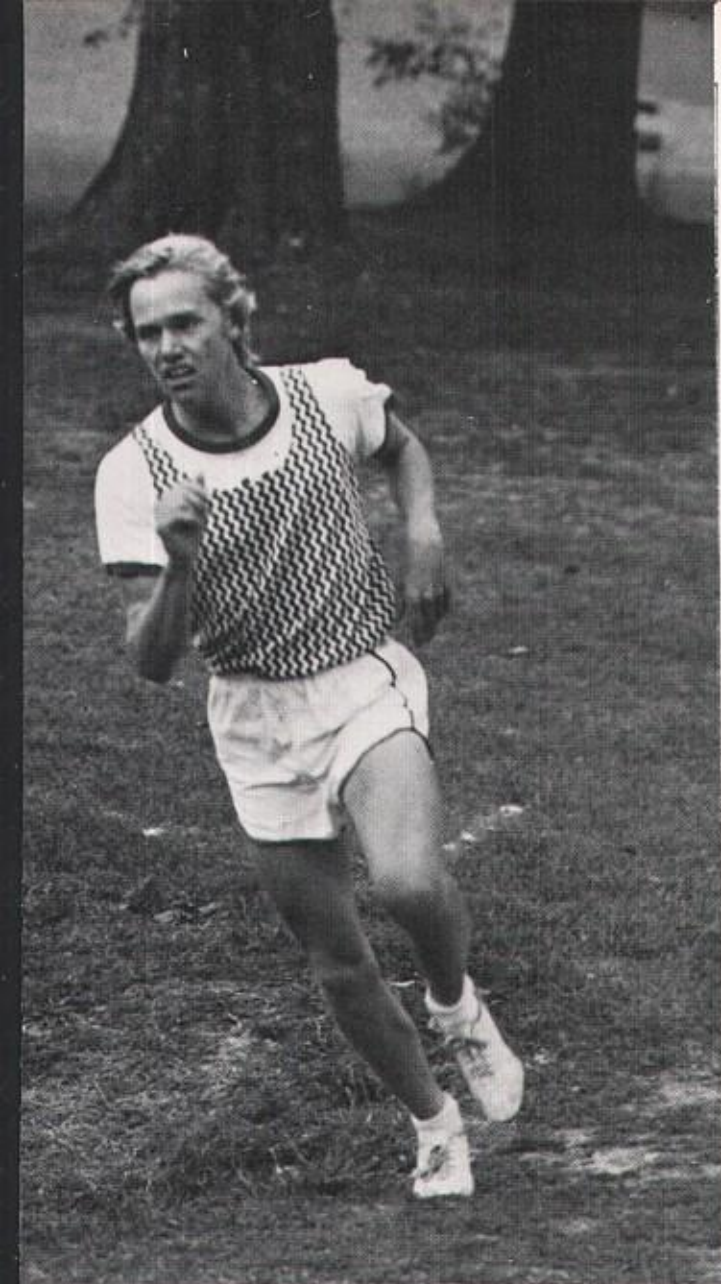

Junior Glen Williams

Freshmen Rick Losek

... And A Good Finish

Sophomore Chip Holden, and Junior Walt Opdycke

Walt Opdycke; Glen Williams; Roger Newman; Coach Renaux; Rick Losek; Rod Farthing

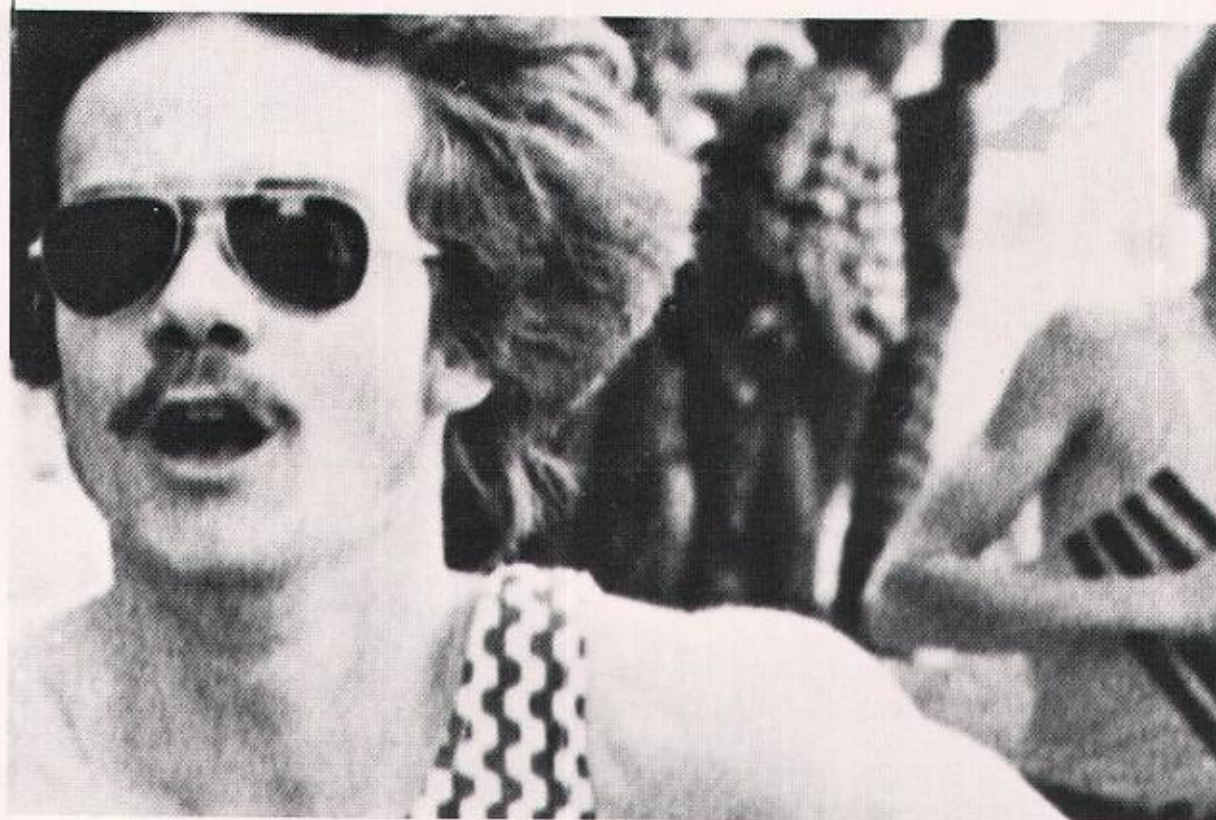

Sophomore Rick Sims

"The '74 Cross Country Team ran for an 12-5 dual meet record. This success was due mainly to the rapid improvement of our inexperienced runners, and to a super season by the Ram's #1 runner, Mark Butler.

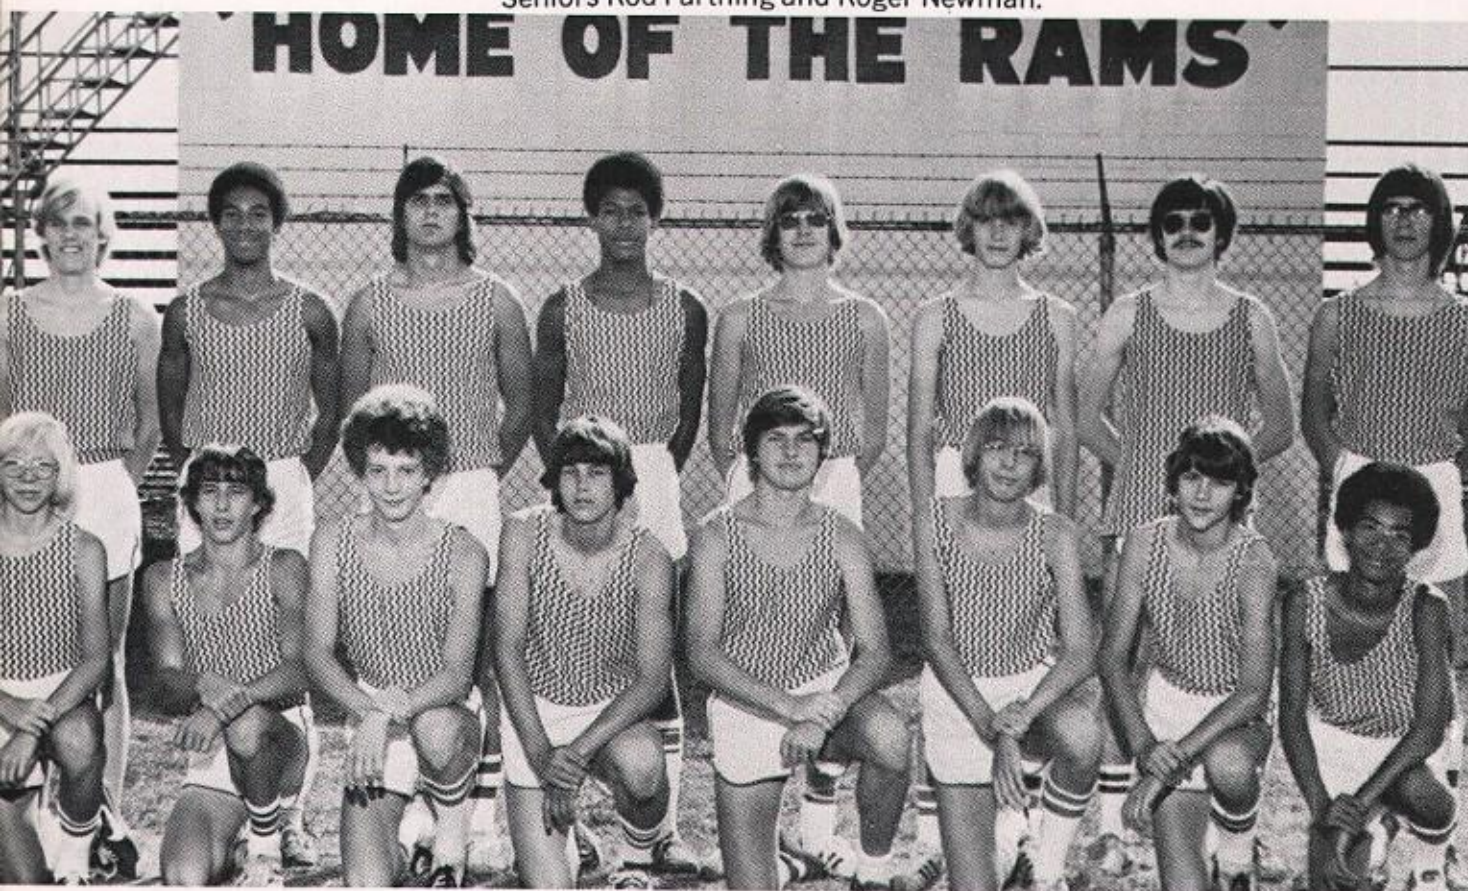

'This season was very enjoyable from a coaching standpoint, because of the desire and coachable attitude shown by all 20 members of our team. Team morale and enthusiasm were high throughout the season. Much was accomplished because each runner worked hard to attain his own personal goals.

"Four lettermen return next season, including co-captains Dwain Prosser and Glen Williams. With improvement and extra work the 1975 Team could turn out to be one of the best ever."

Coach Bob Renaux

Seniors Rod Farthing and Roger Newman.

Top Row: Jr., Walt Opdycke; Sr., Mark Butler; Sr., Duane Jendrejak; Sr., Steve Combs; Soph., Dave Burgoon; Sr., Roger Newman; Frosh, Brian Mock; **Bottom Row:** Frosh, Andy Klatt; Jr., Jeff Bruner; Soph, Joe Worley; Frosh Rich Losek; Jr., Dwain Prosser; Soph, Charles Davis; Soph, Chip Holden; Frosh, Dave Butler.

MARK makes his mark!

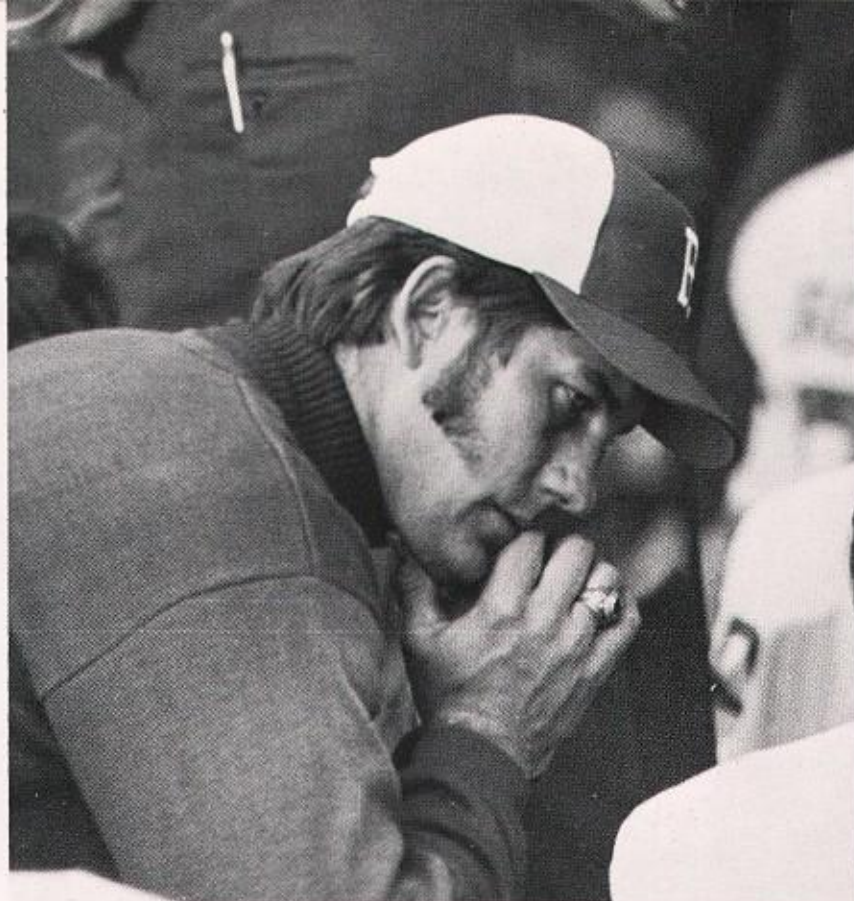

Mark Butler is a dedicated Senior athlete. He runs approximately 50-75 miles per week year round!

Through his intense training he has accomplished the following:

- 1. Established School Record in CC — 9:51.**
- 2. Established 6 new school course records.**
- 3. First undefeated runner for dual meets in the schools history.**
- 4. First Roger's runner to earn All-Ohio in CC — 9th Place in Individual State Race.**

A Losing Season, But A WINNING Year

Coach Wagoner

Rick Roth, defensive tackle, attempted to block a punt against Cardinal Stritch.

178/sports

Keith Leonard ate up yardage as **Bob Truss** and the offensive line opened big hole.

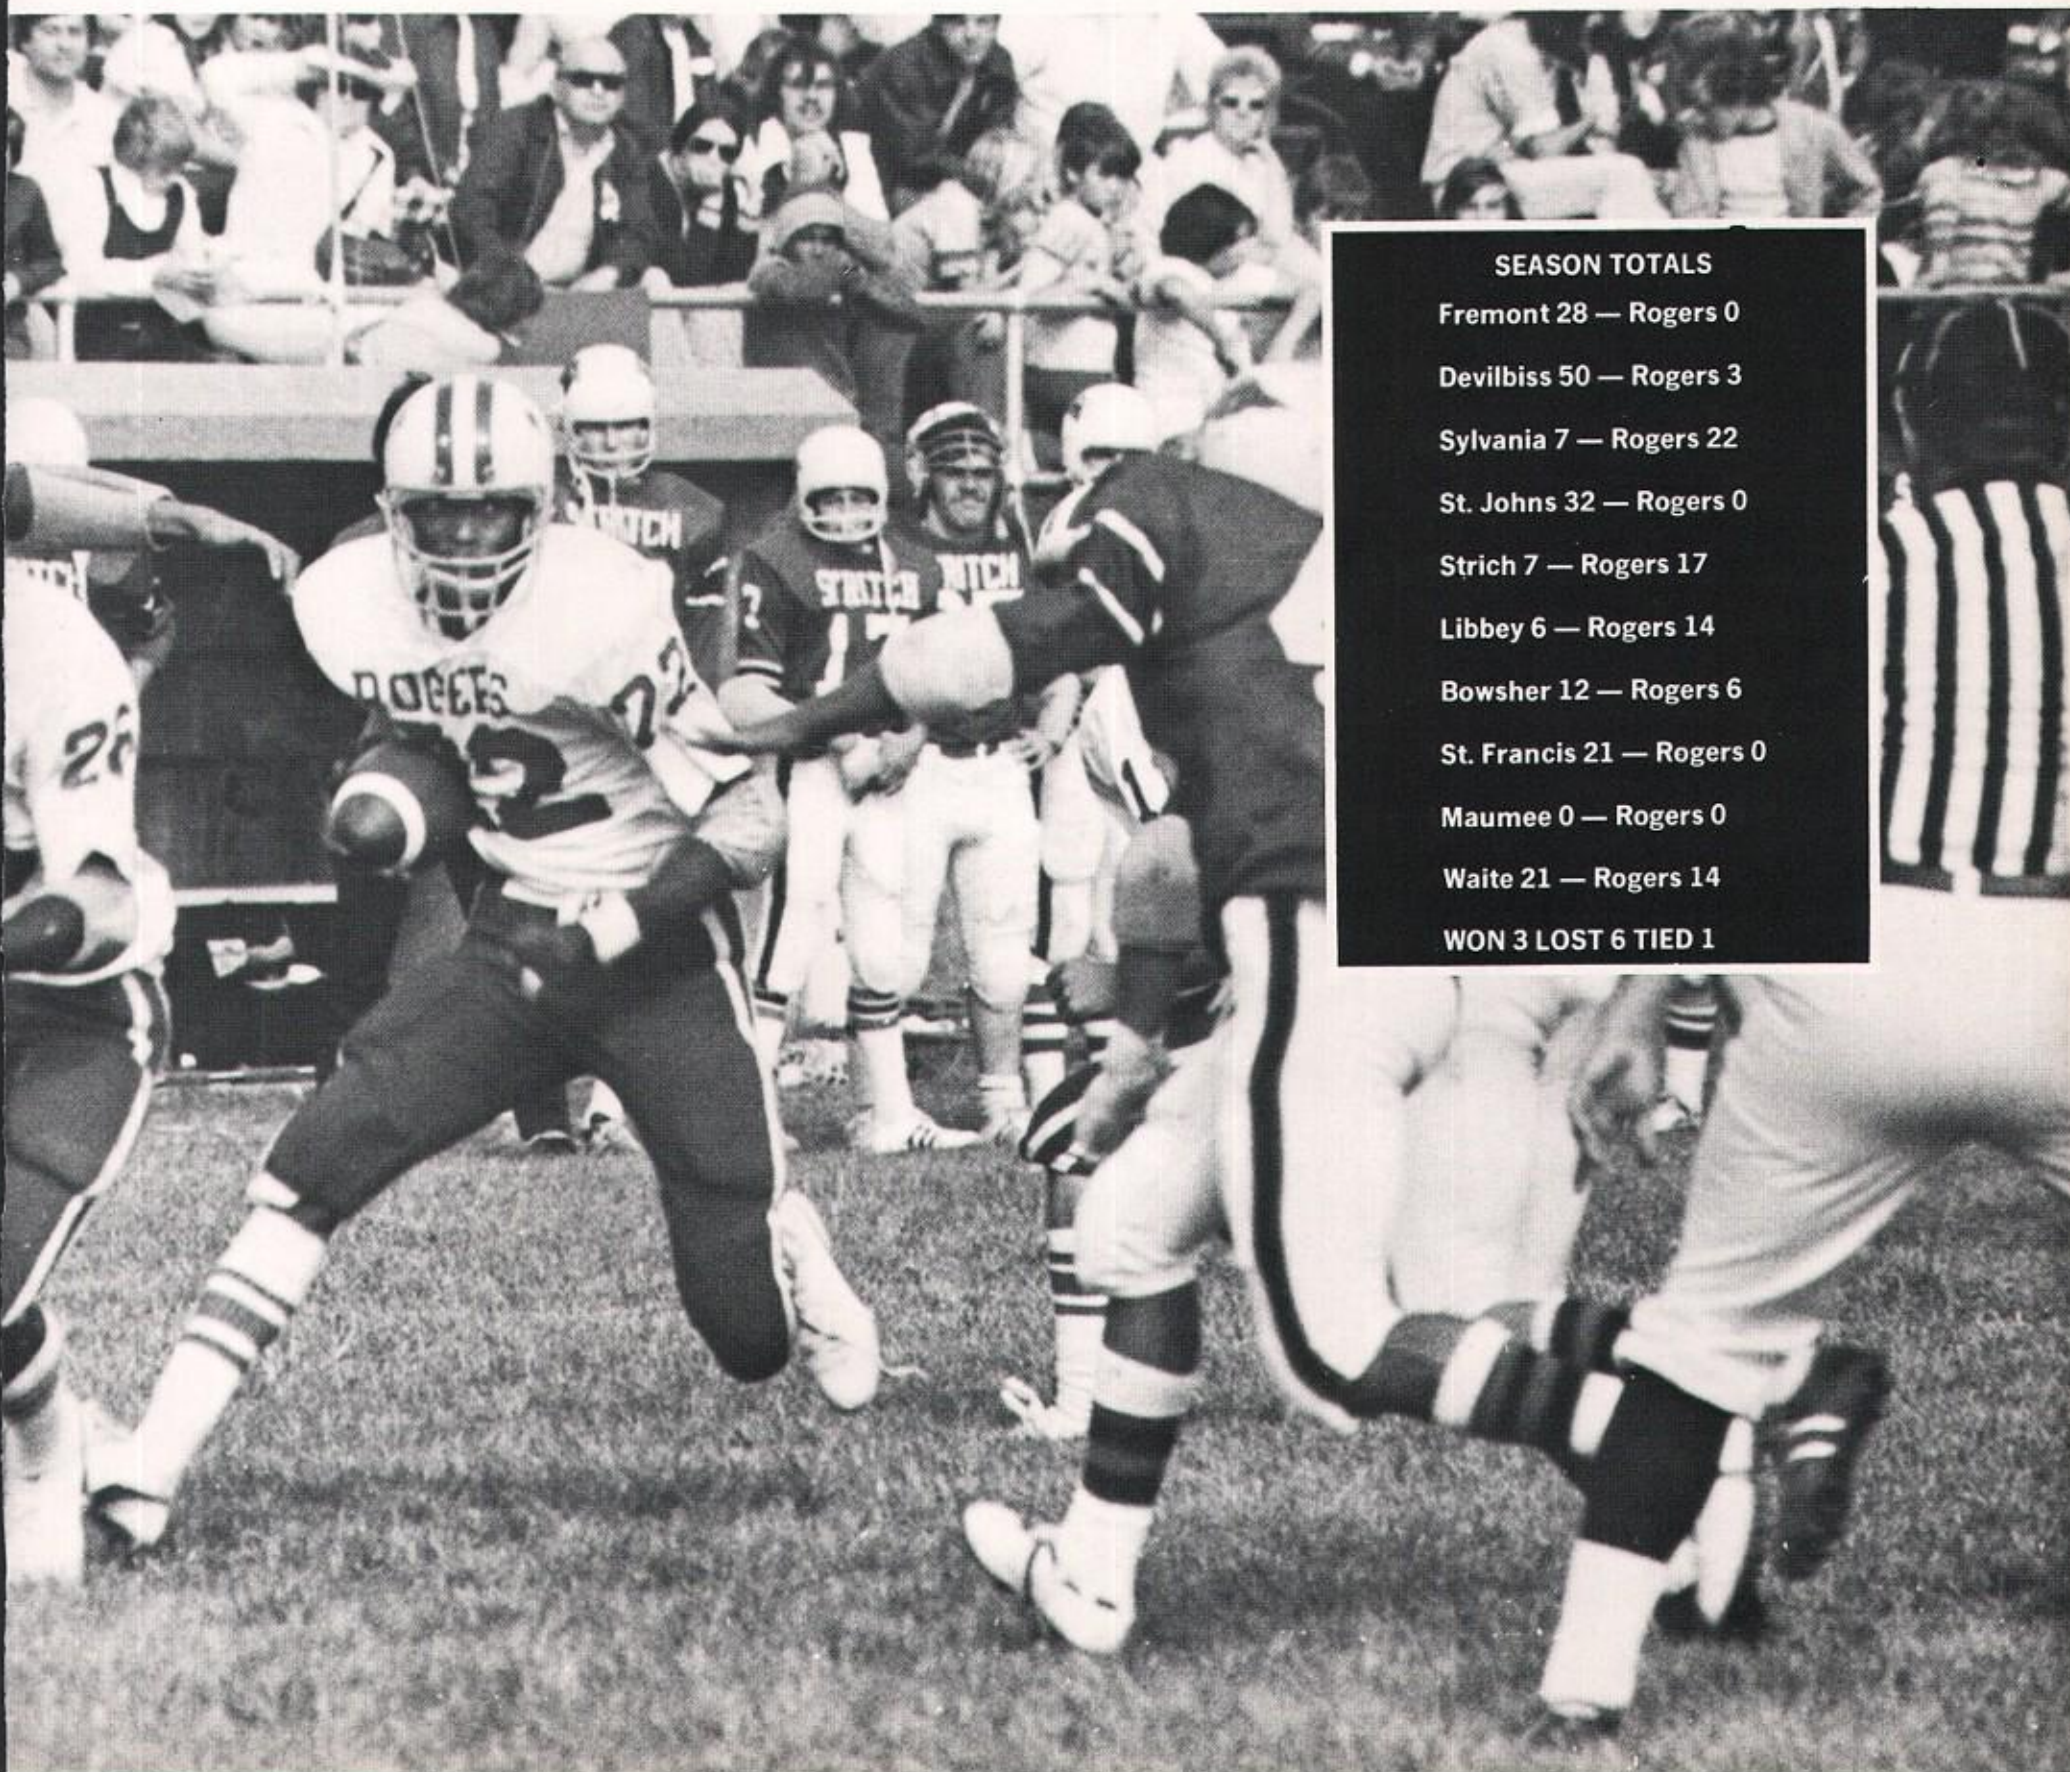

First-year head coach **Dick Wagoner** and the 1974 Varsity Football team produced one of the finest seasons in several years. Although the wins were few, the spirit and determination of the eighteen man varsity team made up for those few material points on the scoreboard. Led by senior co-captains **Jim Scribner** and **Rick Roth**, the dedicated team put together a 3-6-1 season. The tie was against powerful Maumee of the G.L.L. They were heavily favored, but we held them in a mainly defensive contest. Perhaps a losing season, but definitely a winning year.

On Monday, January 6, 1975 an article appeared in **The Toledo Blade** praising **Kim Leonard**, an outstanding member of the Rogers Varsity Basketball team.

While the article was about basketball, Kim summed up the spirit of the football season by stating:

"You know, I think it (the cage team's - current success) all started with the football team. Even though it (the team) didn't win a lot of games, it played much better than in the past. That made the school's morale go up — and that really helps."

ACE!

S. Houghton, No. 2 doubles, All-City.

First Row — P. Nowak, S. Houghton, C. Wesolowski, (capt.) G. Price, R. Lyon, W. War-drop. Second Row — Mrs. Martin, D. Burzinski, E. Read, F. Allen, C. Cappelletty, D. Kijowski, K. Zimmerman.

"Conditioning, try-outs, and practice started in the middle of August. Along with intra-team playing, the girls drilled and ran; and then ran and drilled some more! I knew this team would be something special from the first day of practice. Four seniors, Cathy, Peggy, Robbie and Gail, made up the backbone of our team and set a great example for the underclassmen. Juniors Wendy, Karen, and Sharon, rounded out the team. Our reserve players Faye, Diana, Chris, Diane and Ellie, practiced and learned, and played in exhibition competition. The girls were a pleasure to work with and always gave a great individual and team effort.

"Any athlete, girl or boy, must have the desire to excel, this is not determined by a person's sex. When individuals give their best, win or lose, they are true athletes. Our team proved to be more than winners, they were true athletes.

"Our season culminated on a cold, sunny Sunday, when the temperature ranged between 36° to 40°. We wanted the tea championship, but to win 6 of 7 All-City positions and one runner-up, was beyond all expectations. A coach's 'once in a lifetime dream' had come true."

GOLF

For the first time ever the golf season was held in the fall. This year's seniors, Jeff Parsons, Russ Neuman, Dan Hawley, Roy Harrigan, George Wooten and Dave Shaffer entered their third year as active playing members of the varsity golf team. Potentially this group could be the best in Rogers history.

"Experience showed throughout the season, as the golfers compiled a 16-2 dual meet record, playing the top competition in Northwestern Ohio. In addition, they compiled impressive statistics in tournaments to include a 1st place finish in the Sectionals, 2nd place in the Sylvania Invitational, 3rd in the state-qualifying District, and 4th in the City League Championships.

"Sophomores Mark Augustyniak, Scott Barber, and Rich DeSautels leave a good nucleus for the future."

Coach Mike Murnen

Wrestling

"The Ram Wrestlers capped another highly successful season with a City Championship. Along the way they compiled a 6-1 dual meet record with the only loss being 29-26 to St. Johns.

"In three Invitational Tournaments, the team finished first at Perrysburg, second in the Rogers Invitational, and third in the Whitmer Tournament.

"The City Tournament turned into a runaway as the Rams qualified seven wrestlers for the finals and came up with four City Champions: Senior **Norm Shapiro** at 112, Jr. **Mike Stephens** at 119, Sr. **Bruce Taylor** at 138, and Soph. **Kirk Osgood** at 145. Runners-up included Jr. **Bruce Early** at 98, Jr. **Jim Kurth** at 155, and Sr. **Aaron Caywood** at 167. Also placing for the Rams were Jr. **Jerry Brewis**, Soph. **Rickey Morris**, Sr. **Rick Roth**, and Jr. **Randy Hoch**.

"Based on the highly successful dual meet and tournament season, the Rams are expected to finish very high in the sectional, District and State Tournaments."

Girl's Basketball

"Winning six in a row and a possible berth in the City Championship are two of this year's team's accomplishments."

"The team was predominately made up of sophomores along with seniors Crystal Kynard and Candis Wilson. We also had one junior and three freshmen."

Everyone contributed to an excellent team effort. (It was a year of winning teams for Rogers.)

Sketches of top players:

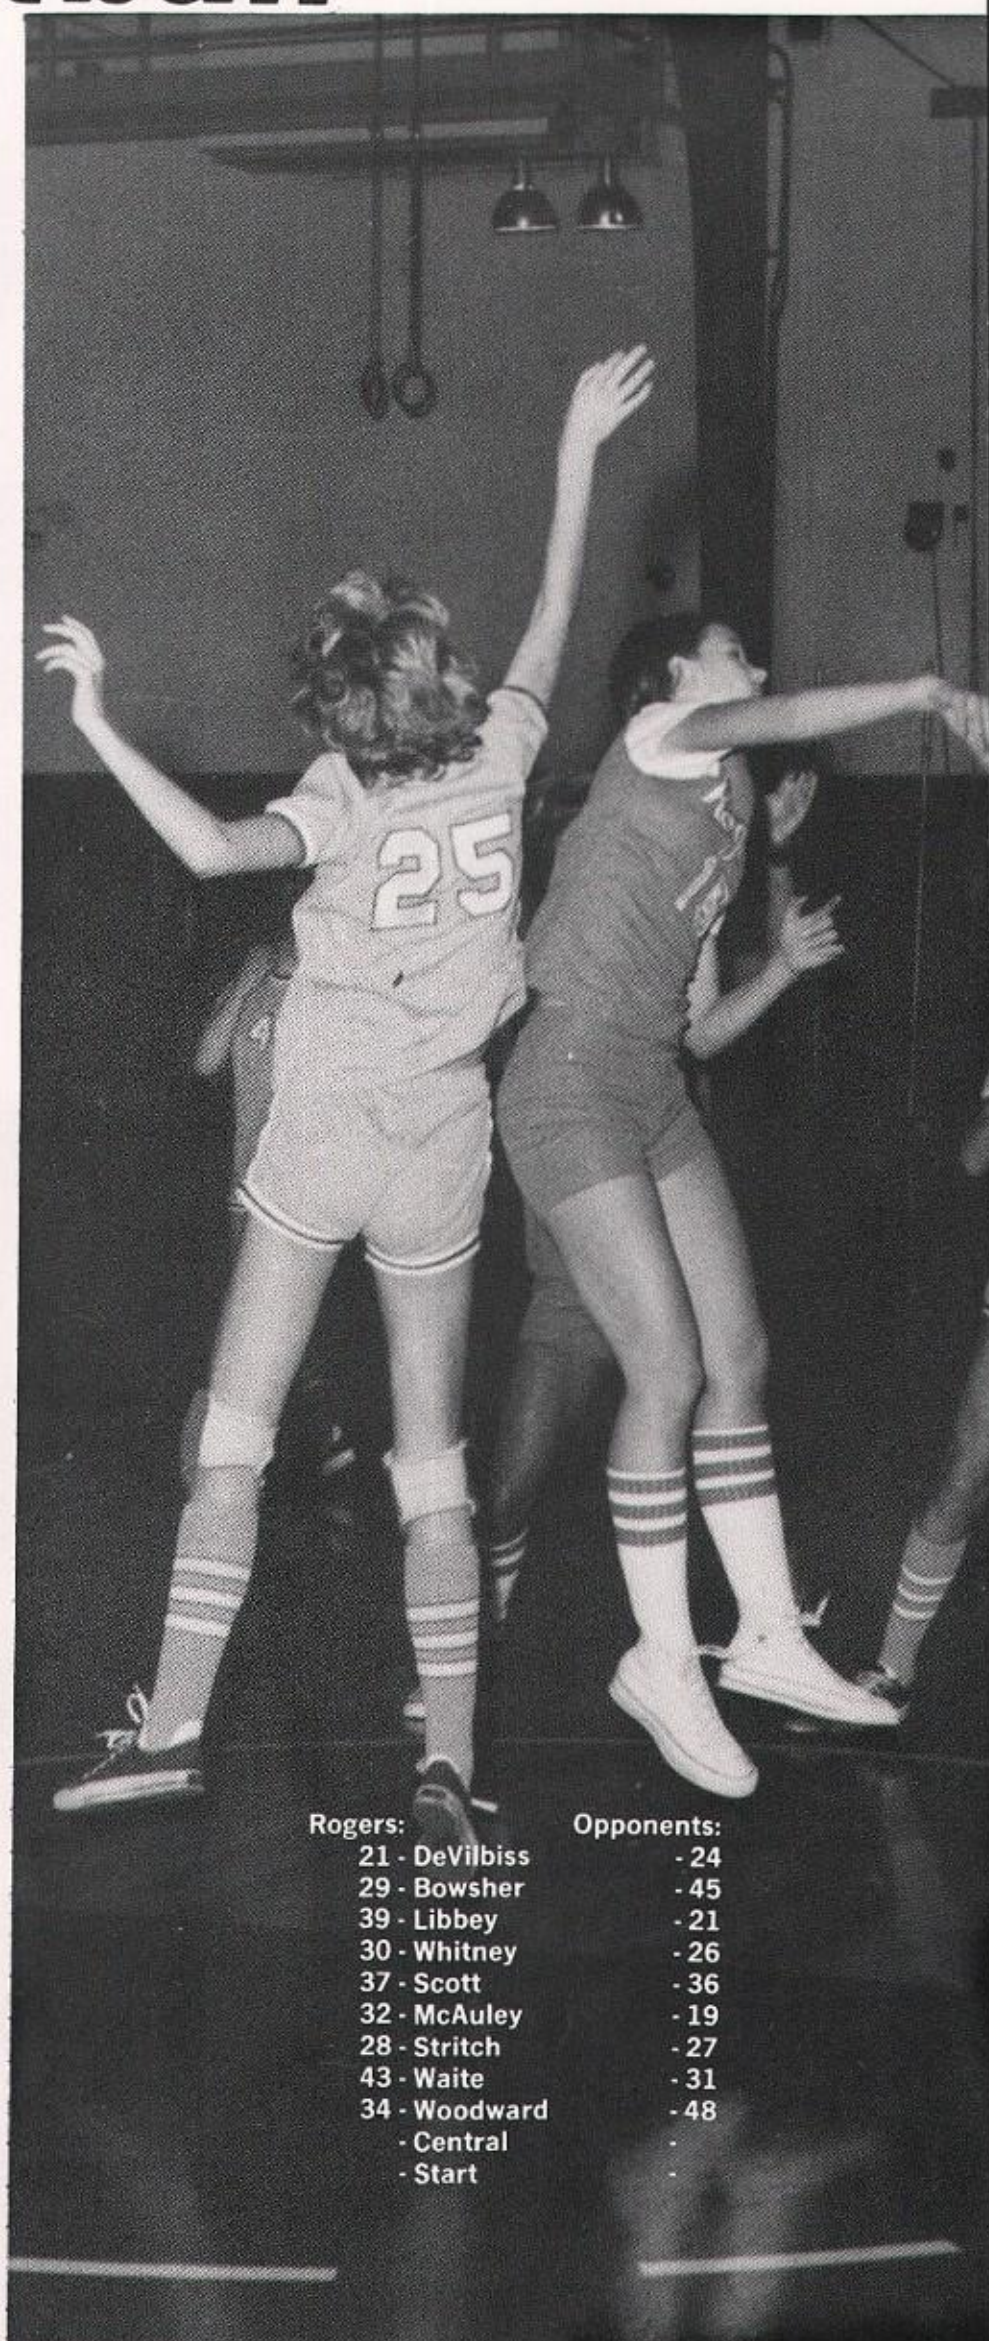

Crystal Kynard — Sr., 3rd year on Varsity, All City and Honorable Mention, leading scorer 2 years.

Penny Burton — Soph., 2nd year on Varsity, playmaker, 3rd in scoring last year, 2nd in rebounding last year. On verge of taking over scoring leadership, aggressive and good ball handler.

Janet Bade — Soph., 2nd year on Varsity, leading rebounder, 2nd in scoring last year, good shooter, aggressive.

Candis Wilson — Sr., 3rd year on Varsity, hustler, team "CRAZY" person, best foul shooter, 4th in scoring and 3rd in rebounding last season. She's in the right place at the right time.

HOW DID WE GET HERE?

After winning our first 7 games in a row, we began to realize that we were one of the better teams around. We could end up being a contender for the City League Title!

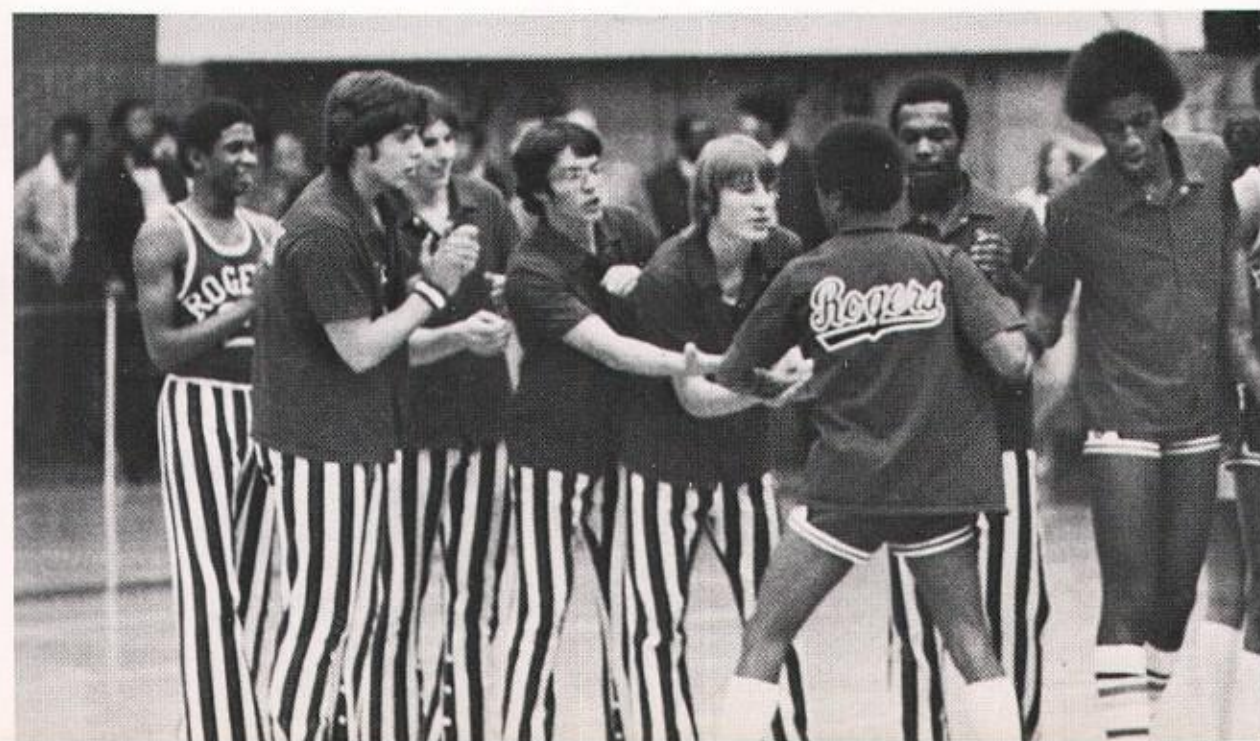

As the season progressed, our few losses were by small margins, and only to the best teams in the area. But mostly, we kept winning, until by the end of January, we topped the Blue Division, and had gained a berth in the City Championship Game.

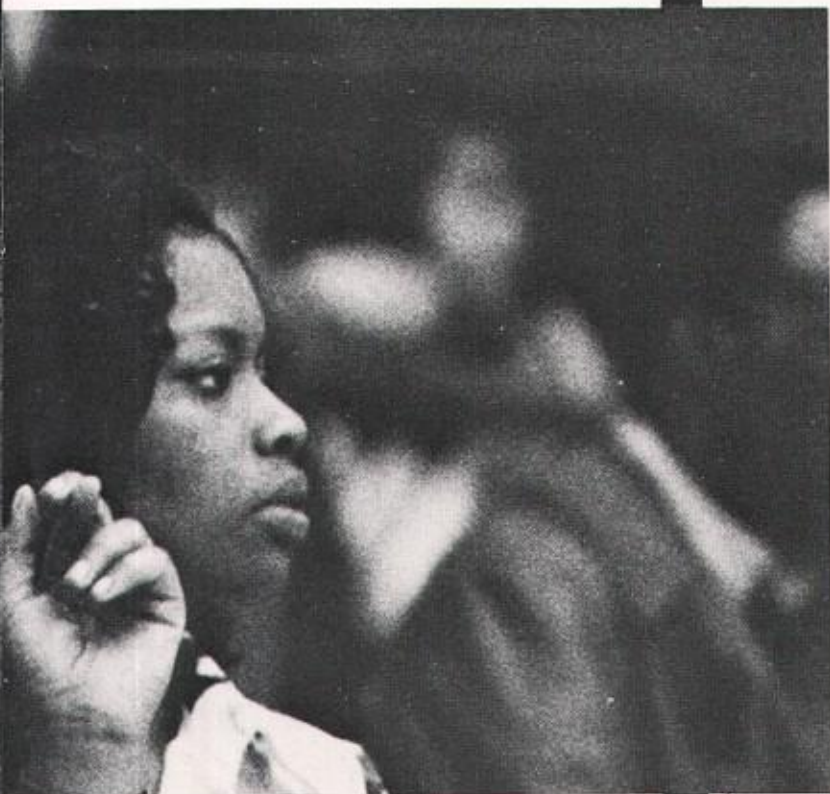

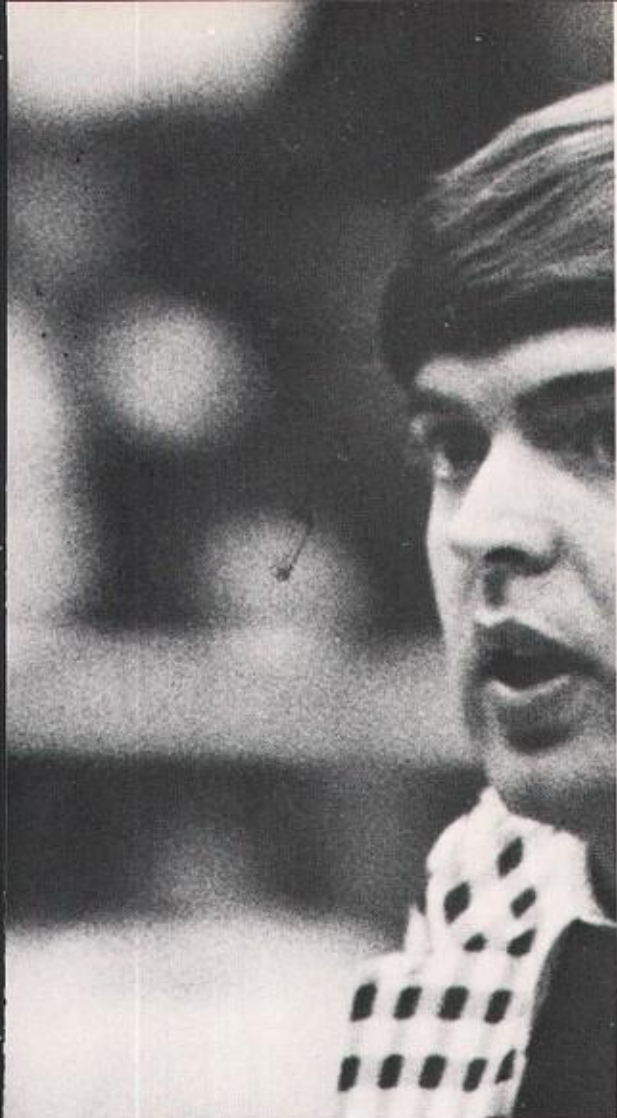

HOW DID SCOTT GET HERE?

Our opponents from the Red Division had not been decided yet. It would be either DeVillbiss or Scott, depending on the outcome of our last regular season game at Scott: If Scott won, they went to the championship game. If they lost, DeVillbiss went. So — Scott had to win. We could coast. (FEB. 7 AT SCOTT —) That was a dangerous psychological attitude, and it cost us dearly. Furthermore, it was a Scott home game. The fans were full of soulful spirit for their Last Year's Champs.

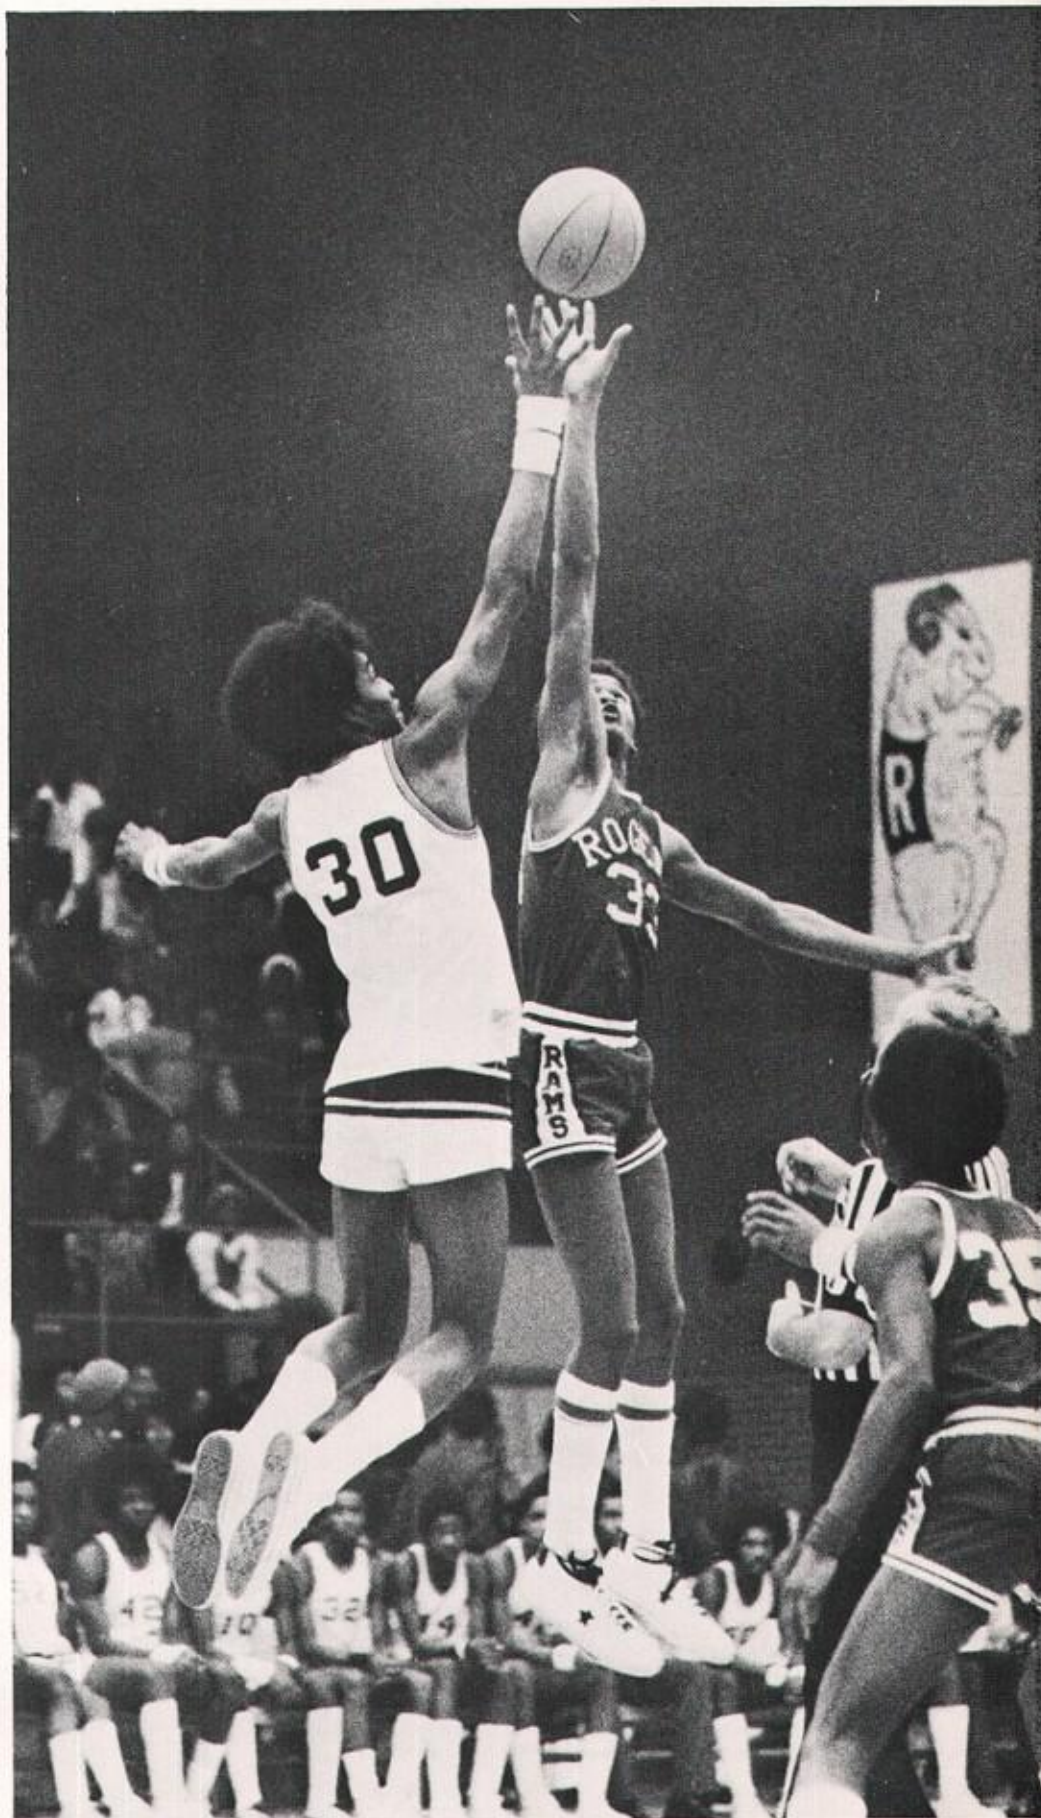

After building an edge in the first half, Scott broke us and ran away with the game by an unexpectedly large score, 94-72. No-one had scored that many points on us all year! We were shaken and humiliated.

(FEB 14 AT WAITE —) The following 8-page article covers our second meeting with Scott one week later. This time the psychology was different. An intense air of expectation existed. Would Scott take us too lightly this time? How would we adjust our defense to stop Claytor, Collins and Company? They had hurt us and awakened us to their power. We were ready to take them seriously. Vengeful even.

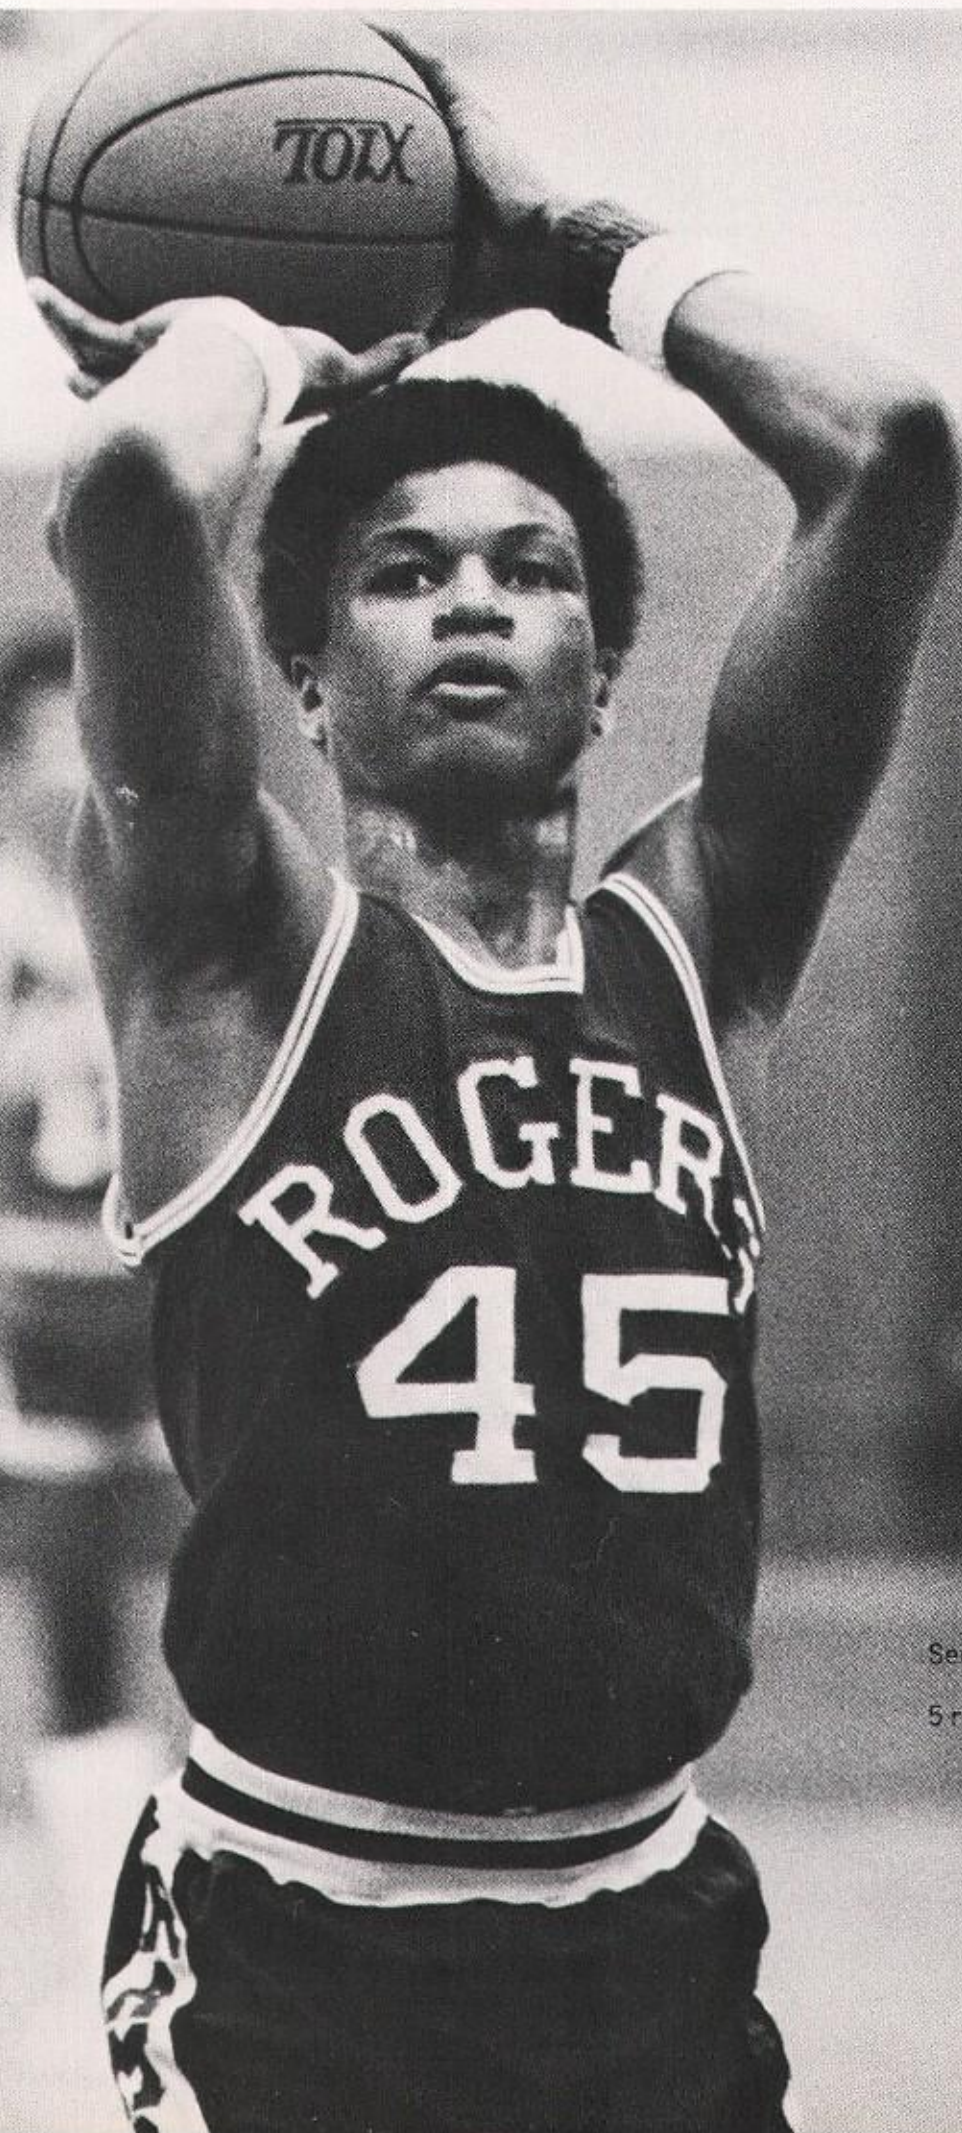

City Championship Game

FRIDAY FEB. 14, 1975 — Neutral court, Waite High Fieldhouse, capacity 3000. Tickets had been sold out 2 days in advance.

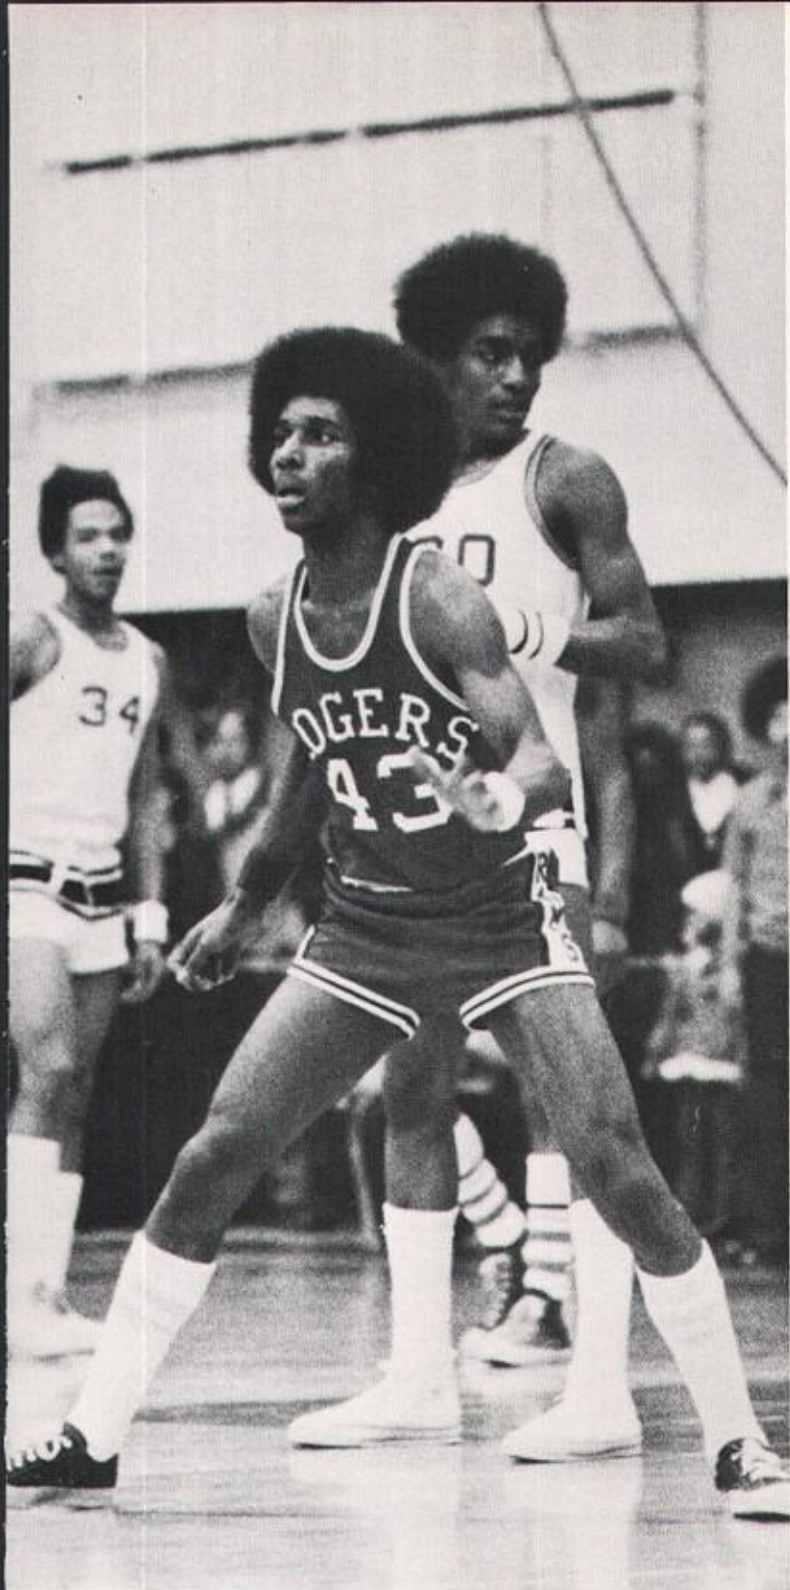

This time we too had to win, as the Blue-King Rams met the Red Champ Bulldogs for the City Title before 3200 anxious fans ...

The Bulldogs sank their first nine shots in a row. They finished the first quarter with a 24-16 lead, having hit on 12 of 15. At halftime they led 40-31. By this time Scott guard Truman Claytor had scored 14 points and had used his experience to lead his offense with great precision.

Senior Stevie Mays,
5 rebounds, 15 points.

Senior Ron Burton, 2 rebounds, 7 points.

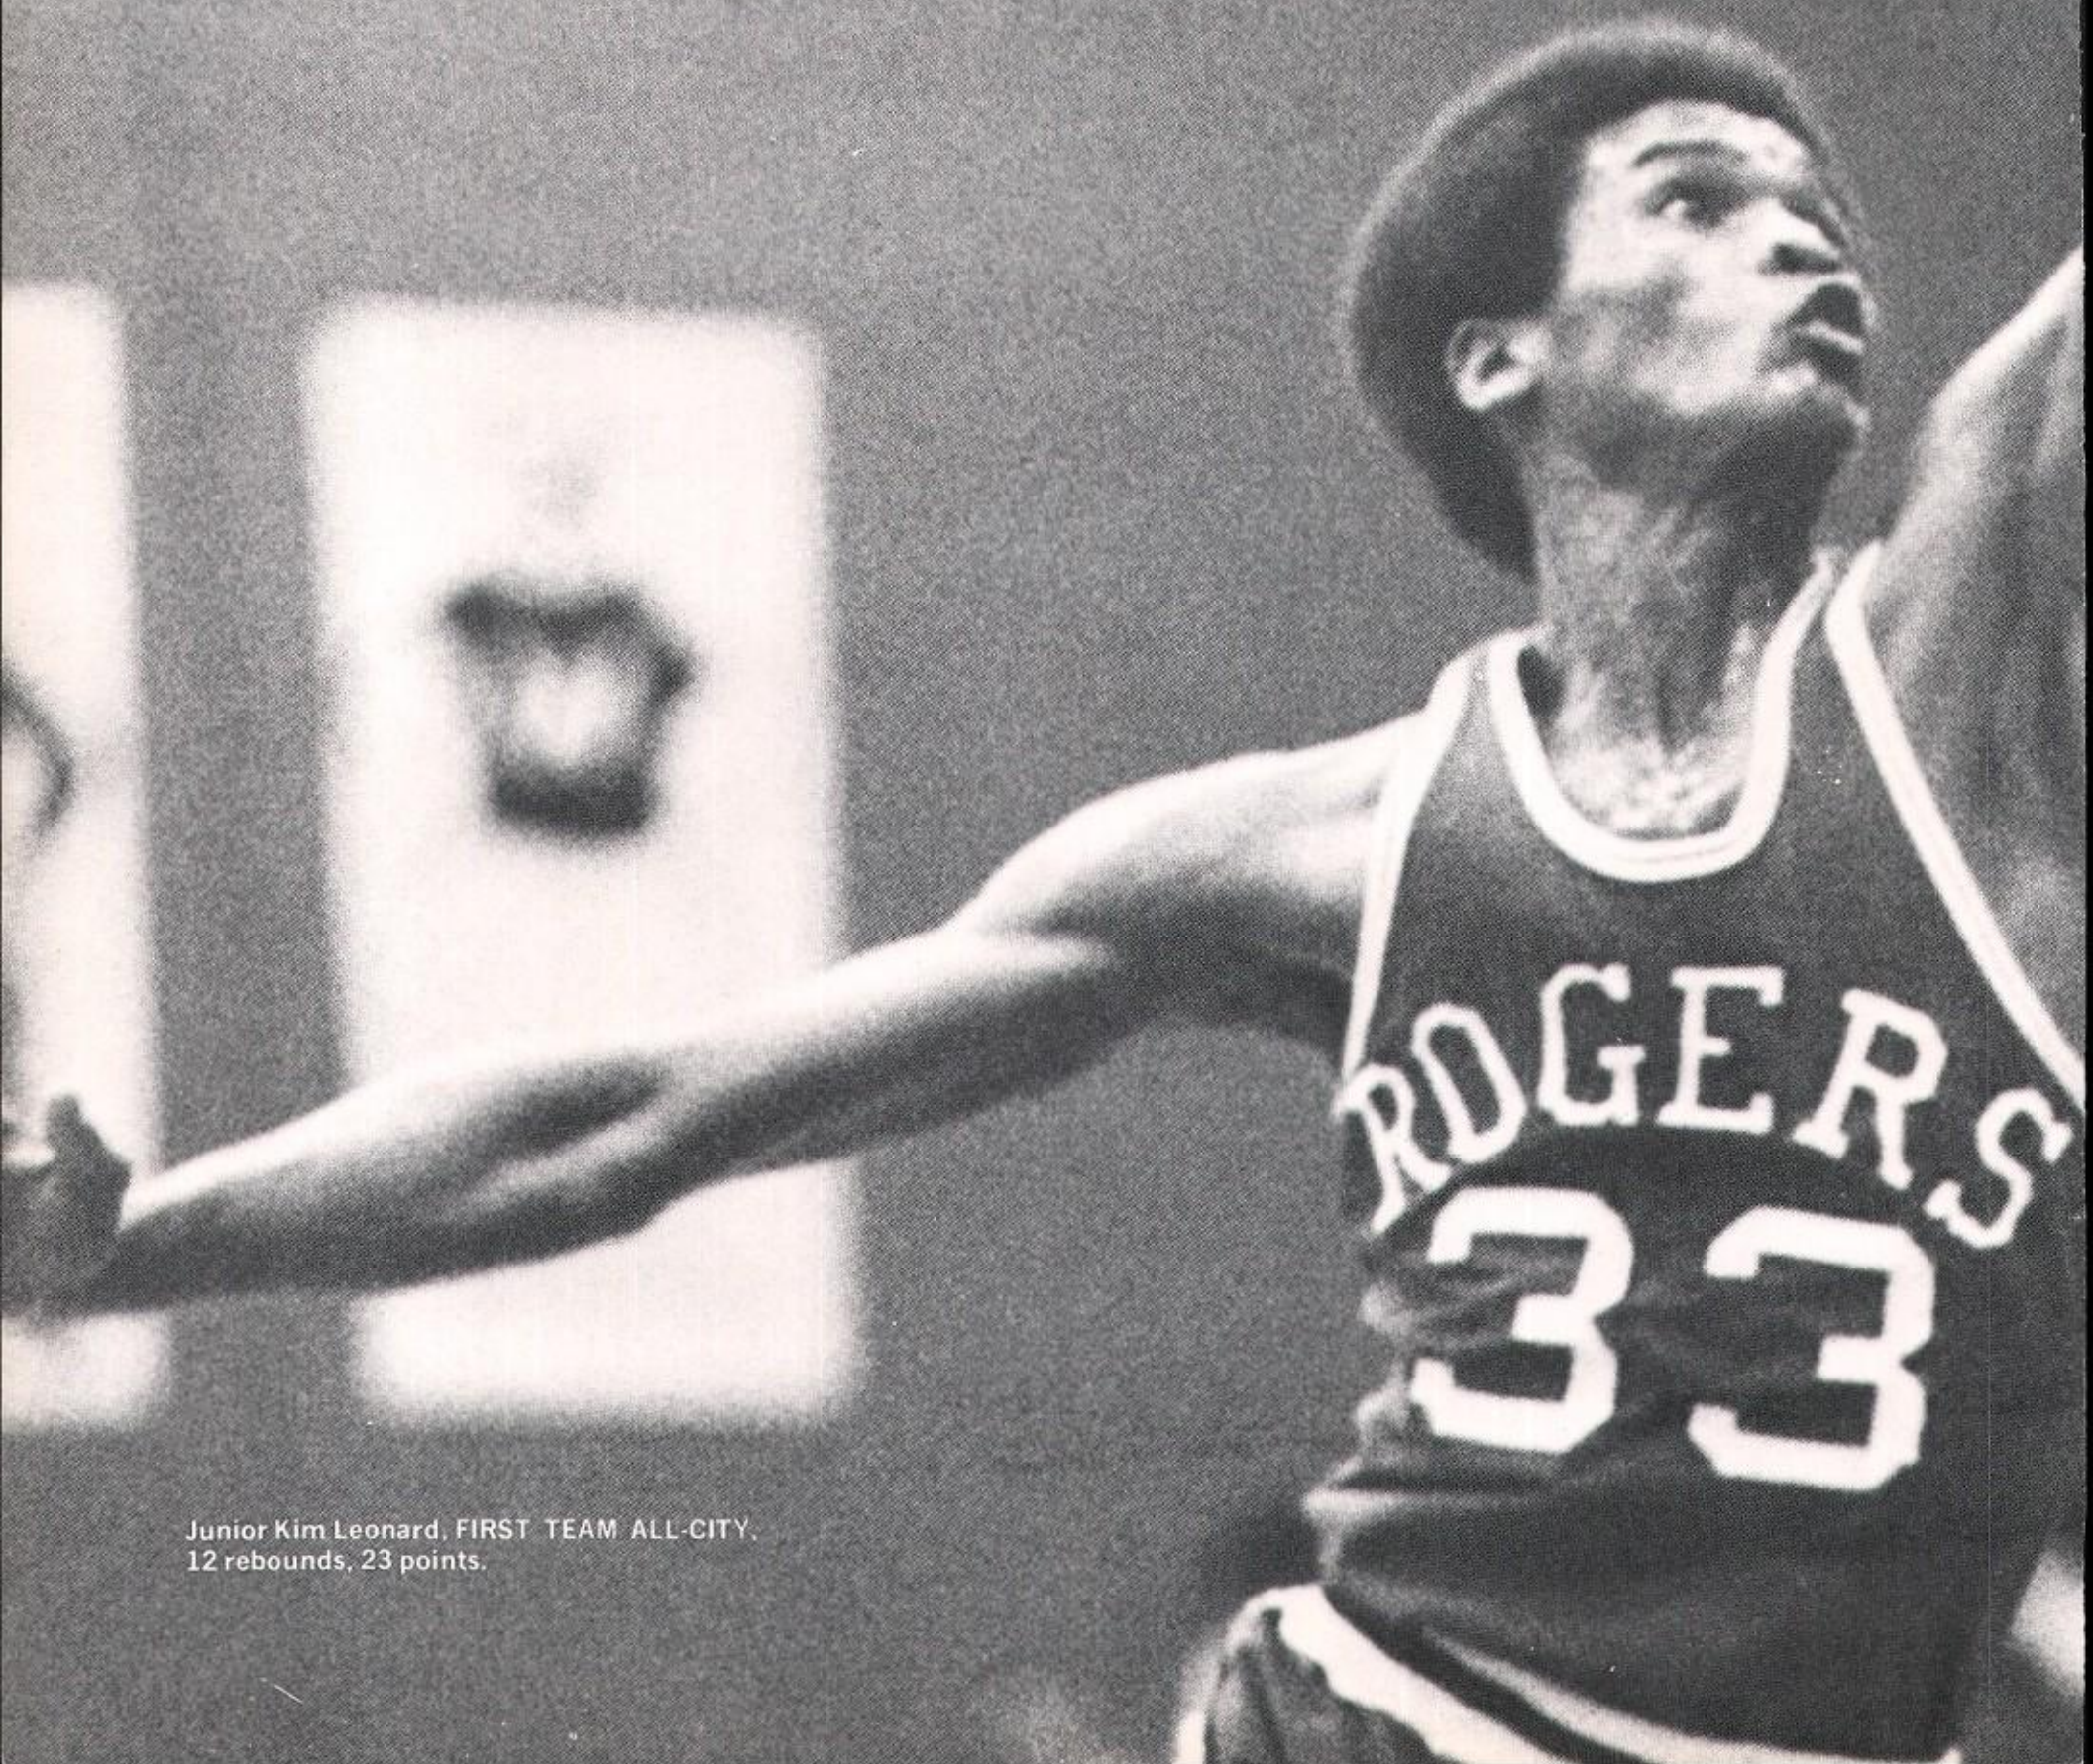

Senior Bobby Clay, 5 rebounds, 6 points.

Junior Ken Cunningham, "Supersub", 2 rebounds, 14 points.

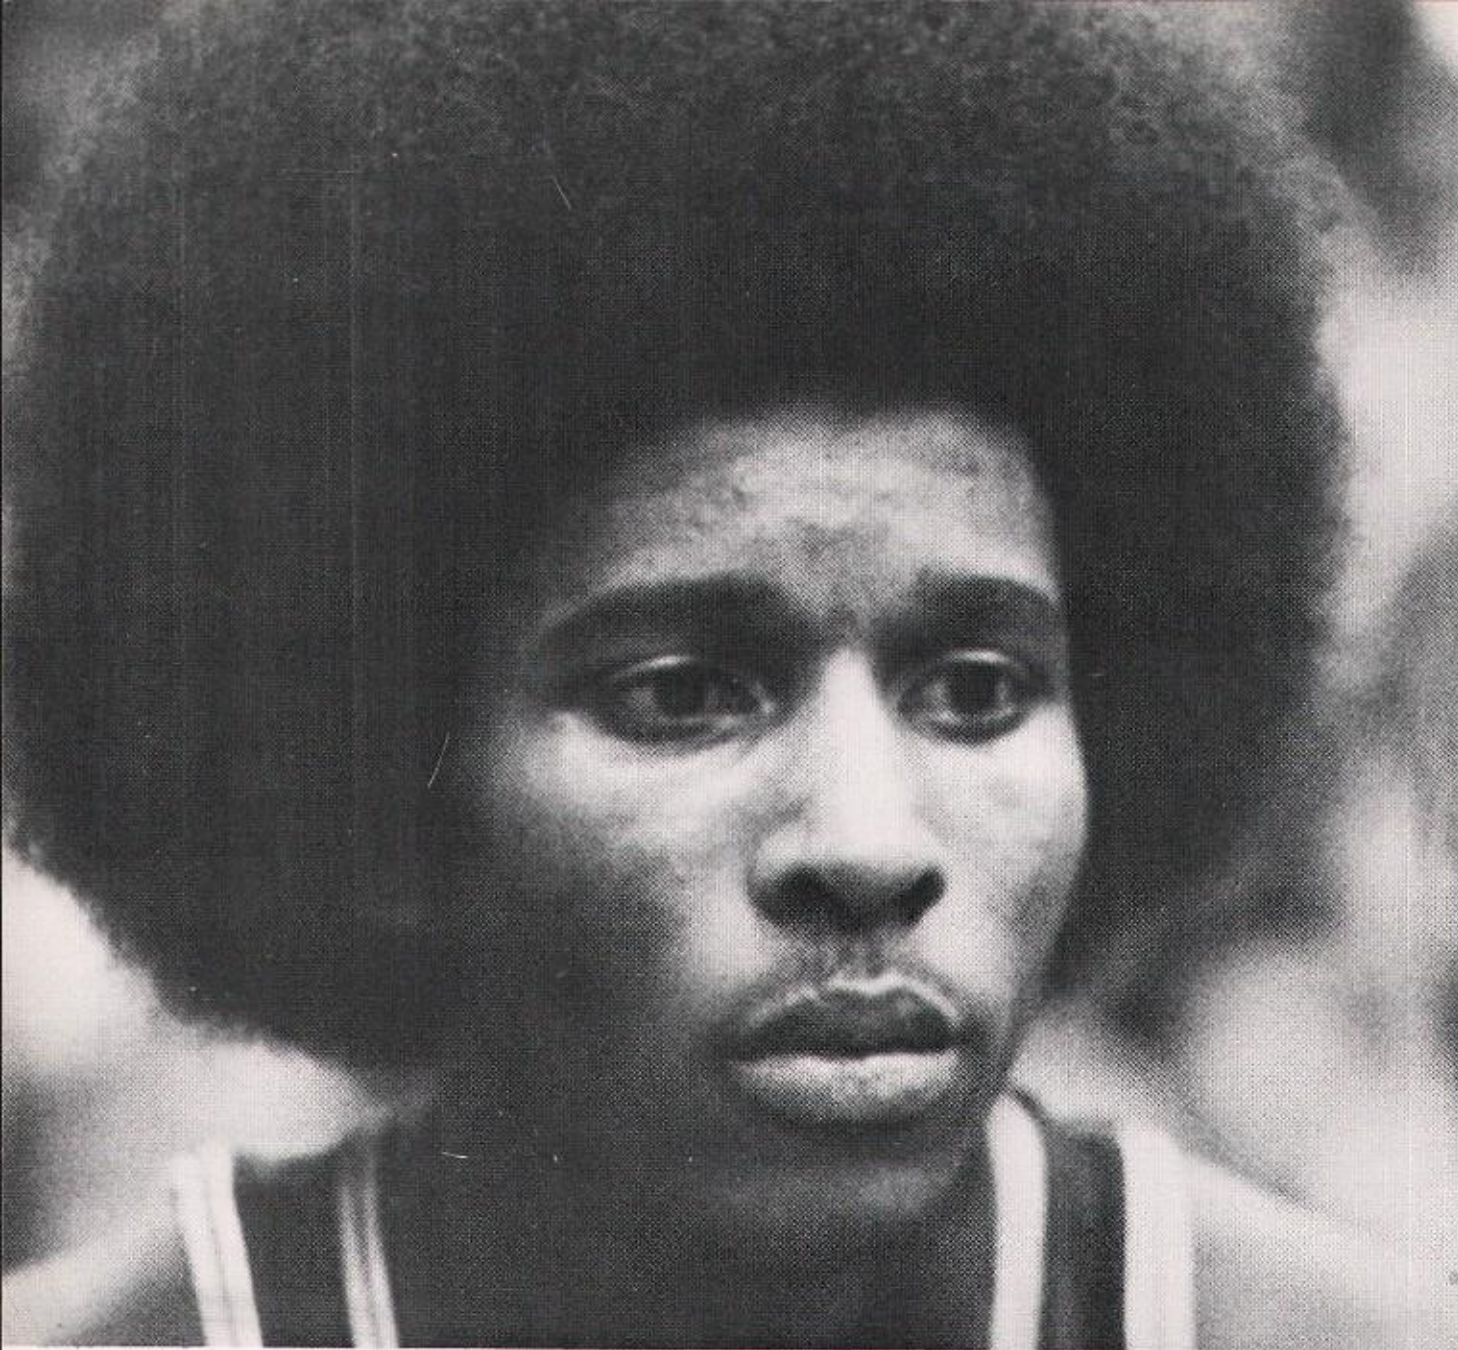

"Despite the quick Scott start, and the fact that the Rams had been thumped by 22 exactly one week before, Rogers fought back into the game."

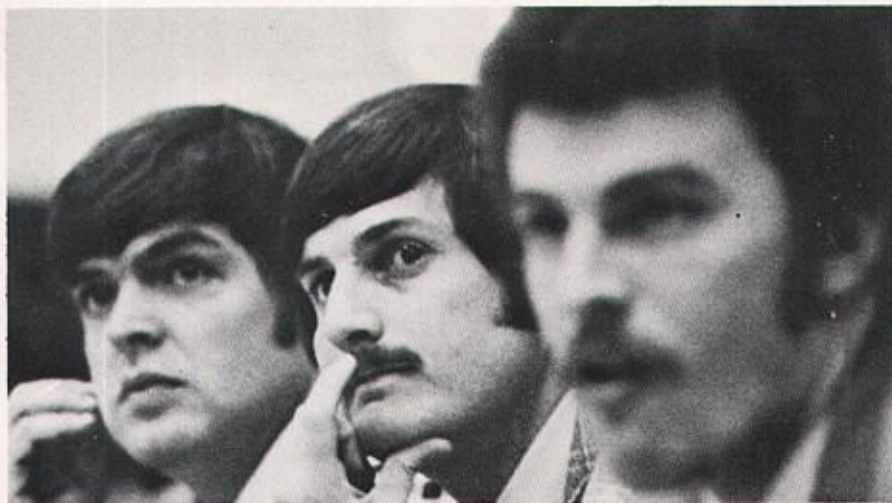

(TOLEDO BLADE) Claytor had been benched with his third personal foul late in the first half. He cooled off and scored only 1 for 7 in the 3rd quarter. After eight Bulldog turnovers, the Rams pulled even and actually held a one-point lead, 47-46, late in the third period. **At that moment, with only 2:03 remaining in the third quarter, we had arrived. It was in our reach! We held the City Title in our hands**

Junior Kim Leonard, FIRST TEAM ALL-CITY,
12 rebounds, 23 points.

Holding a narrow three point lead, Claytor hit back-to-back field goals midway in the 4th quarter to put Scott on top, 60-52. He later contributed a steal that resulted in a basket, and then drove for a layup with 2:54 remaining, to give the Bulldogs a 68-62 lead and what proved to be all the points they needed. They stalled and the final score was 77-65.

"Scott played nine men and we played only five," coach Bill Gladieux said. "The horses can do only so much jumping. Coming back to get ahead took a lot out of us; we could only jump so long without getting tired."

The Bulldogs wound up hitting 61% from the field. The Rams, 43%. Scott out-rebounded the Rams by only 34-33. Kim Leonard accumulated more points and rebounds, but Claytor was voted Player of the Night.

(March 1 — TOURNAMENT:) Later we met Scott for a 3rd time. Northwest Ohio Coach of the Year Mr. Bill Gladieux was brilliant, as he rotated players, letting starters rest, and utilized the 6'7" height of inexperienced Charles Gibson to help surprise Scott. We threw off Scott's game plan off and we led for about 70% of the contest. Yet somehow Claytor scored 46 and Scott won for the 3rd time, but by the narrowest margin yet, 74-70. (Later Macomber defeated Scott and became our local representative to the Districts in Kent, Ohio.)

"Scott's depth may have killed Rogers in the end."

"Leadership, experience, school spirit and the developing of a winning attitude helped Rogers' Basketball Program to a very successful year. This team had the best city record in the history of the school, 9-3, good enough to win the Blue Division Championship.

"Senior Captain Art Haywood, and seniors Steve Mays, and Ron Burton will be definitely missed next year, but with juniors like Kim Leonard, Ken Cunningham, Dave Fisher, Charles Gibson, and a very good Junior Varsity team, it looks like a promising, successful season next year."

"Achieving many honors this team also brought a togetherness to Rogers that hasn't been for a long time. It's been a great experience for me to coach young mature men of this caliber.

Coach Bill Gladieux

J.V.'S

The 74-75 Junior Varsity basketball season proved to be a very successful one with the Rams closing out with an 11-6 final record. This season proved very encouraging for the class of 1977 because as freshmen last year these individuals did not win a game. This season saw the J.V.'s in first place in the Blue Division on 2 different occasions late in the season only to have the Rams drop their last 3 games to finish 3rd in their division. The play of all the members of the team was instrumental in the successful season however outstanding individual performances were turned in by Scott Barber, Michael Schuler, and Mike Gorey. The members of this year's team should be excellent & welcome additions to next year's Varsity team.

FRESHMEN

The 1975 Ram Freshman Basketball team compiled one of the best records in recent years, including a Freshman Tournament Championship at Washington Jr. High School. This is a hard working group who show the potential to become champions in the future.

Humerous skits were presented by the cheerleaders at pep assemblies to add to one of the most spirited years at Rogers High School. The skits were first caliber, as evidenced by the fact that the **Rogers Varsity Cheerleaders won First Place in Skit Competition** held at Western Michigan University in Kalamazoo, Michigan. (They attended a cheerleading camp there this summer.)

In the skit for the Sylvania game, the girls dressed up in the boy's uniforms and yelled phrases at the crowd. One was, "These are the shoes that the cats wear, to keep their feet from polluting the air."

Among other duties, each cheerleader painted 6 signs for every game, later to be posted around the school's halls. Many new cheers were practiced and learned for the benefit of the teams, but the traditional "Battle Cry" and "Two-Bits" always seemed to be the crowd's favorites.

Miss Robinson, advisor of the three squads, put in a lot of time and effort for the cheerleaders. She made and altered uniforms, handled the money, and worked out any problems that needed to be resolved.

EDITOR'S CLOSING

Builders, blue-prints, bulldozers, bricks and beams. From chalk marks on the lawn to the frame of the final structure, in the few short months of this school year.

Like the construction of the skill center, our yearbook began as ideas and became a reality: our work, professionally printed!

ADDITIONS 75: When school started, we chose this theme because of all the obvious additions: the new building, our new principal, and the others. But along the way we picked up many new additions, and by the end of February the following have been accomplished: IN SPORTS: Coach Wagoner brought back the shoe, and the best seasonal record in four years. Mrs. Martin and the Girl's Varsity Tennis Team captured the City Title; Mr. Steely and our wrestlers were the City Champs; The Varsity Basketball Team were the Blue Division Champs; And number one chess player in the city. It also has significance in a personal way to all Rogers' students: new ideas, new values, new friends with every living day.

Things are ever-changing. This school year was unique! with the new building and the constant additions and subtractions, we will not be coming back to the same school that we attended this year. And I feel a special twinge of loss when I think that upon visiting, it will not be the same Rogers High School that I have experienced.

We hope that you will always consider the Rogerian an addition to your life, to keep sacred the good, bad, sad, and happy times you had here.

I'd like to thank the many people who helped make this idea a reality: Mr. Dave Heitzman, Powell's photographer, for taking a special interest in our book; Mr. Sid Rodeheffer, our Josten's representative, for his help (and for touching the ceiling for us); the individuals who made up the Rogerian staff, most of all, Kim Rodgers, Amy Kromenacker, Cathy Cappelletty, Larry Knoke, Cathy Fuller, Mark Bye, Paula McDonald, and Cindy Czech for sharing all the hours of the pain and joy; and my friend and adviser, Mr. Dale Rezabek, for whom my love and admiration will never die. And thank you too, for supporting us. This was an experience I'll never forget.

*(Look forward to the 40-page spring supplement.)

Love,

Chris Johnstone
